Sleep Long My Love:

Sleep Long, My Love Hillary Waugh, 1989-12-01 A deserted house the pathetic torso of an unknown woman and no suspects Hillary Waugh equals his classic police procedural *Last Seen Wearing* with an intriguingly adept hunt as Chief Fellows and Sgt Wilks painstakingly unearth clues where there seem to be none and find the truth the hard way [The American Police Novel](#) Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

Sleep Long, My Love. Jigsaw, Etc Hillary Baldwin WAUGH, 1962 , *All My Love, Louie* Judy J. Cain, 2022-04-04 Judy Cain s parents survived the Great Depression and saved everything they ever had One could call them pack rats or say that they had a hoarder starter kit One day while digging through her parents belongings after they both passed away and went HOME Judy came across some very old letters All were addressed to June Larson in Minneapolis MN and were all from Louis Nelson her sweetheart and future husband During World War II Louie had written over 300 letters to June as their love was blossoming In them he expressed his love for her his calling and dream of becoming a minister and servant of the Lord his struggle with stuttering his seeming lack of faith at different points during the war and what he felt was an inability to truly pray He shielded her from the gruesomeness of the war as they fell deeper and deeper in love with each other She provided the encouragement and support for him to stay strong and true to himself This book was originally written only for her family and contained only the letters but it has grown into much more Historical contextual information photographs poems scripture verses and his Unit s history are all woven throughout the letters to help provide a context and highlight his spiritual struggle to overcome barriers to the ministry and maintain if not grow his faith during frightening and gruesome

experiences of the war in Europe If a man who felt the strong calling of God could overcome his struggles during a war then so can anyone God's power is limitless

Cops and Constables Earl F. Bargainnier, George N. Dove, 1986 This brief introduction to fictional police cannot cover all the aspects of their nature but it does indicate some of the principal elements which appear again and again the diversity within the convention and significant similarities and differences between the American and British varieties The thirteen essays in this volume provide extended and specific illustrations of ways in which the authors present police and their investigations of crimes

Dove,1982 In the late 1940s and early 1950s a new kind of detective story appeared on the scene This was a story in which the mystery is solved by regular police detectives usually working in teams and using ordinary police routines This kind of narrative is customarily called the police procedural story And it is the subject of this book Though there has been numberless writers of these stories there has never been a book of criticism before **Gumshoes** Mitzi M. Brunsdale,2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives Tides of the Sovereign Kate Gateley,2022-03-14 A centuries old rebirth curse an otherworldly Celtic prince and an inescapable prophecy Thirty year old magic Bearer Julia Harrison had never given the notion of past lives or grand destinies any real credence or thought She has knowledge of magic and the power she shares with the women of her bloodline She s aware of the difference between Druids and Sorcerers Wielders and Bearers and so on but regardless of all of that her everyday life has always felt quite normal distinctly unmagical and never more so than as of late With the recent death of her beloved grandmother Julia finds herself severed from the only sense of place she d ever known Grandma Gertie had all but raised her and was easily the strongest connection she d had to her own magic and that of the natural world Without it she feels lost Disconnected Unable to rely on or even effectively access her own limited magics in her current emotional state Julia s primary focus turns to placing one foot in front of the other as she resumes a linguistics degree that has taken far longer to earn than it should have But when a visiting professor arrives on her Vancouver campus one who brings with him an odd sense of familiarity that s almost as compelling as his raw Celtic masculinity Julia knows that her life s journey is about to change heading off on an entirely new path What she could have never predicted or even dreamed of was that somehow they had walked that path together countless times before each time towards their own inescapable deaths at the hands of Marcus Cassius Longinus the indomitable Child of Rome *The Arabian Nights. Land of Ten Thousand Willows Trilogy Kathryn Ptacek,2015-10-14 THE PHOENIX BELLS Long ago and far away there was
a wondrous land A land of everlasting spring where willow trees grew as blades of grass A land where all the dragons of the
world dwelt in peace filling the fragrant air with their silver song Then one day the wise men came to the emperor to warn
him of a darkness that threatened the land and all within He must leave his palace they urged and travel to strange and
distant places to seek a bride He must find an empress for the land who can light the dragonleaf with her touch and hear the
silvery music of the dragons Or their song will cease forever THE BLACK JADE ROAD Long ago when it was always spring A
road ran between what would someday be Europe and the Land of Ten Thousand Willows where sleepy dragons stretched in
the sun It was in this age that two were bound together first by fate then by love the young Emperor Ty Sun and the Puritan
girl Blessing Dunncaster He from a cultured land where magic and manners were one She from dark brooding Britain with
the witch power wild in her blood Together they must fight and find their way to the Black Jade Road where each step counts
as five and each danger ten For the pearls that are days are running low A darkness is falling over the land And the dragons
are singing a mournful song of Death THE WILLOW GARDEN LONG AGO WHEN A SILENT SNOWFALL BLANKETED THE
EASTERN LAND The brave young Emperor Ty Sun traveled the Black Jade Road with Blessing Dunncaster the bewitched and
beautiful Englishwoman who would be his empress Together they made their way back to the Land of Ten Thousand Willows
Pursuing them was the evil Darkness that felled Ty Sun's loyal followers one by one Ahead far beyond the Jade Mountains the
Wall of Living Stone and the palaces of the god judges from Hell lay Ty Sun's once glorious kingdom now ravaged by his
enemies Has time run out for the Dragons of the Earth Now Ty Sun and Blessing prepare for a final struggle of fearsome
battle and wondrous magic to save the dragons their love and the Willow Garden **British Film Catalogue** Denis
Gifford,2016-04-01 First published in 2001 The standard work on its subject this resource includes every traceable British
entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original
second volume devoted to non fiction and documentary film an area in which the British film industry has particularly
excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together
these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars
