down at it how funereal even elegiac like we were saying goodbye to one of our own All I remember for certain is something akin to holding vigil for a fellow traveler which in a very real sense we were For him the war is over I whispered although I doubt anyone heard me over the crash and roar of the falls I wonder where Mom is Not here that s for sure said Quint There are no nests I followed his gaze into the treetops and beyond to the waterfall itself which dashed and cascaded down the cliffs Weird I mean where the hell could it have come from Maybe it came from up there said Jesse From the very top There s there s a platform up there a wooden observation deck We came here on a field trip once and hiked up to it Be a good place to build a nest real stable And defensible I looked from one end of the concrete bridge Benson Bridge the sign had called it which was closed off with cyclone fencing to the other Speaking of which this bridge looks pretty defensible don t you think I peered off the way we had come Only one side to protect we can take turns standing watch I mean it may not be the Ritz but what do you say We looked around and then at each other Hell I m in said Quint We can even build a fire and maybe eat something something hot I mean It ll be just like it ll be just like Camp Courage I couldn t help but to notice he d stopped short of saying home and a quick glance at Jesse confirmed he d noticed it too although whether he d done so because his own home life had sucked or because he d understood in that moment that because of the Flashback we d never see home again I don t know Sure why not said Jesse We can heat up that beef stew the one we were saving for Portland We re close enough He shrugged off his pack and spear and laid down his bike And besides it ll lighten my load He dug out the can of Dinty Moore stew and paused looking at it Seems almost wasteful though doesn t it I mean you d like to think you d like to think nothing was born just to lay there and rot you know We all turned to look at the bird Yeah said Quint I mean it s like God laid it out there just for us and here we are wanting to eat something from a can I got off my bike and reached for my pocketknife touched its smooth imitation wood handle We re going to have to learn how to hunt eventually I suppose I mean I already know how to hunt said Quint And to clean and dress a I know how to do that too He held out his hand for my knife which I gave over to him slowly reluctantly And since both you pussies missed man school I guess I ll be the one to have to show you Jesse looked at me and then back to Quint Let me guess Because attributes Because attributes said Quint and got off his bike
