Miller,2010-02-23 If you read one of these stories you have not read them all as is the case in a communist country where the state creates an ersatz society of act-alikes who conform to prevailing doctrines Propaganda is the result These stories are the result of a life of freedom in our great nation where freedom never being put down by the State is still the expression of man's deepest desires to be like God Insofar as the unique individual shares creative gifts he shares one of God's attributes These stories perhaps only one hopefully more will exalt in that creative spirit *Greg and Doc III, Two Souls Surrounded*
