Shamanism Michael J. Winkelman, 2010-08-05

This book examines shamanism from evolutionary and biological perspectives to identify the origins of shamanic healing in rituals that enhance individual and group function What does the brain do during soul journeys How do shamans alter consciousness and why is this important for healing Are shamans different from other kinds of healers Is there a connection between the rituals performed by chimpanzees and traditional shamanistic practices All of these questions and many more are answered in *Shamanism Second Edition A Biopsychosocial Paradigm of Consciousness and Healing* This text contains crosscultural examinations of the nature of shamanism biological perspectives on alterations of consciousness mechanisms of shamanistic healing as well as the evolutionary origins of shamanism It presents the shamanic paradigm within a biopsychosocial framework for explaining successful human evolution through group rituals In the final chapter the author compares shamanistic rituals with chimpanzee displays to identify homologies that point to the ritual dynamics of our ancient hominid ancestors

The Social Science Encyclopedia Adam Kuper,2004-10-14 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Belief in the Past David S Whitley,Kelley Hays-Gilpin,2016-09-16 Human actions are often deeply intertwined with religion and can be understood in a strictly religious context Yet many volumes and articles pertaining to discussions of religion in the archaeological past have focused primarily on the sociopolitical implications of such remains The authors in this volume argue that while these interpretations certainly have a meaningful place in understanding the human past they provide only part of the picture

Because strictly religious contexts have often been ignored this has resulted in an incomplete assessment of religious behavior in the past This volume considers exciting new directions for considering an archaeology of religion offering examples from theory tangible archaeological remains and ethnography

Weaving Dreams Into the Classroom Curtiss Hoffman,Jacqueline E. Lewis,2014-03 Weaving Dreams into the Classroom is an extraordinary anthology which combines the seasoned experience of ten educators at all educational levels to provide the reader with practical hands on models for bringing the subject of dreams and dreaming to students It also includes the perspective of a teenage student who has been embedded in a dream centered education program since early childhood The authors come from diverse backgrounds

including academic and clinical psychology anthropology and religious studies Their home institutions range from small private colleges and institutes to large research universities both in the United States and Great Britain
