

Strong Leadership Thatcher Reagan And An Eminent Person

J. Uhr

Strong Leadership Thatcher Reagan And An Eminent Person:

Strong Leadership Graham Little, 1988 This is a work of political psychology a guide to evaluating the hopes of those living in democratic countries that leadership particularly strong leadership is the best answer to economic and political anxieties

The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014 Political leadership has returned to the forefront of research in political science in recent years after several years of neglect This Handbook provides a broad ranging and cohesive examination of the study of political leadership

The Rhetoric of Political Leadership Ofer Feldman, 2020-04-24 This timely book details the theoretical and practical elements of political rhetoric and their effects on the interactions between politicians and the public Expert contributors explore the issues associated with political rhetoric from a range of disciplinary perspectives including political science linguistics social psychology and communication studies Chapters examine what makes a speech effective politicians use of moral appeals in political advertising political attacks on social media and gender and emotion in political discourse

Understanding Public Leadership Paul 'T Hart, Lars Tummers, 2019-09-04 A new edition of a popular textbook that provides a systematic and up to date introduction to the different approaches to understanding leadership in the public sector This text draws together a wide range of enduring and cutting edge scholarship to provide a clear and concise overview of the area Written by two of the field s leading experts it uses real world case studies to unpack the dilemmas and complexities facing leaders in contemporary democracies Now streamlined to further help students navigate this widely debated area this is the ideal text for undergraduate and postgraduate modules on leadership on public administration and management courses Moreover with its balance between theory and applicability it is also a valuable resource for training courses for public sector professionals New to this Edition Streamlined chapter structures and improved pedagogical features that are even more useful for students A new co author bringing added insights from organizational science and quantitative methodologies Revised to address the most up to date developments in thinking about leadership in the 21st century

Political Leadership Michael Foley, 2013-11-14 Despite its recognized significance in social life leadership is a notoriously elusive subject that generates a host of different points of explanatory focus This is particularly so in the field of political leadership which has been afflicted by an enduring split between the biographical idiosyncrasies of individual leaders and the specialist contributions from an array of social science disciplines This new study is designed to establish an improved balance between this often myopic and confusing bifurcation of approaches It engages with an expansive range of empirical theoretical and interpretive research into the issue of leadership but does so in a way that ensures that the political character of the subject is kept securely in the foreground The project is therefore designed to maintain a clear emphasis upon leaders embedded in their political contexts and viscerally connected to high level issues of political location and status political power and legitimacy and political functions and contingencies The book has a cumulative design that moves from an in depth analysis

of the basic components of political leadership to an examination of a series of key dimensions relating to leadership activity and development namely the themes of representation communication marketing business practice and the issue of women leaders It goes on to survey the developmental properties of the international sphere before concluding with a substantive review of the changing landscapes of contemporary leadership activity and the different ways that we come to terms with the theme of political leadership in an increasingly complex world

Johannes Bjelke-Petersen Rae Wear,2002 A saviour to some reviled by others Johannes Bjelke Petersen became the butt of jokes and even assassination attempts His influence spread well beyond Queensland and in the mid 1970s he put an unknown french polisher into the Senate to help rub out the Whitlam government Young Joh had been a loner who worked hard to overcome crippling childhood polio and the poverty of life on his family s farm Enduring a long apprenticeship as an opposition backbencher he finally made it to the top bringing to his old style autocratic rule a more media savvy appeal to the electorate As this long awaited biography reveals Joh was as cunning as he was ruthless throughout his forty year political career Rae Wear analyses in detail his political psyche his unique leadership style and the reasons for his electoral support taking into account his Danish immigrant background and lifelong Christian piety Essential reading for anyone interested in Australian politics this biographical study explains in depth for the first time Bjelke Petersen s unlikely elevation to the premiership and his ultimate disgrace amid revelations of widespread corruption

Public Leadership Paul 't Hart,John Uhr,2008-11-01 Leadership is routinely admired vilified ridiculed invoked trivialised explained and speculated about in the media and in everyday conversation Despite all this talk there is surprisingly little consensus about how to answer basic questions about the nature place role and impact of leadership in contemporary society This book brings together academics from a broad array of social science disciplines who are interested in contemporary understandings of leadership in the public domain Their work on political administrative and civil society leadership represents a stock take of what we need to know and offers original examples of what we do know about public leadership Although this volume connects scholars living in and mostly working on public leadership in Australia and New Zealand their contributions have a much broader scope and relevance

How Power Changes Hands J. Uhr,2011-01-27 How can we strengthen the capacity of governments and parties to manage arrivals and departures at the top Democracy requires reliable processes for the transfer of power from one generation of leaders to the next This book introduces new analytical frameworks and presents the latest empirical evidence from comparative political research

Australian Book Review ,1988 *The Routledge Companion to Leadership* John Storey,Jean Hartley,Jean-Louis Denis,Paul 't Hart,David Ulrich,2016-09-13 Leadership has never been more important and divisive than it is today The idea and discourse of the leader remains a critical factor in organizational and societal performance but there is evident tension between the persistent focus on the critical importance of individual leaders and the increasing emphasis on collective leadership The Routledge Companion to Leadership provides a survey of the contentious and dynamic discipline of leadership

This collection covers key themes in the field including advances in leadership theory leadership in a range of contexts and geographies leadership failure leadership process and leadership development Topics range from micro studies to wider political analyses of leadership taking in unusual but important aspects such as portrayals of leadership in architecture media and science fiction Contributions from 61 internationally renowned authors from 16 countries make available the full range of perspectives approaches and insights on the idea of leadership Providing both a social sciences and a psychological approach these go beyond common themes to offer diverse perspectives on such topics as emotion and leadership portrayals of leadership This volume situates leadership debates and evidence within contemporary leadership crises while ensuring that the explorations of the issues are of enduring relevance With wide and critical coverage of the key topics and potent contextualization of themes in current events The Routledge Companion to Leadership is the ideal resource for graduate study in leadership

Transnationalism, Nationalism and Australian History Anna Clark, Anne Rees, Alecia Simmonds, 2017-07-04 Using Australian history as a case study this collection explores the ways national identities still resonate in historical scholarship and reexamines key moments in Australian history through a transnational lens raising important questions about the unique context of Australia's national narrative The book examines the tension between national and transnational perspectives attempting to internationalize the often parochial nation based narratives that characterize national history Moving from the local and personal to the global encompassing comparative and international research and drawing on the experiences of researchers working across nations and communities this collection brings together diverging national and transnational approaches and asks several critical research questions What is transnational history How do new transnational readings of the past challenge conventional national narratives and approaches What are implications of transnational and international approaches on Australian history What possibilities do they bring to the discipline What are their limitations And finally how do we understand the nation in this transnational moment

Political Science: 1988 British Library of Political and Economic Science, 1992 This bibliography lists the most important works in political science published in 1988

Leading Minds Howard E Gardner, 2011-12-06 Drawing on his groundbreaking work on intelligence and creativity Harvard psychologist Howard Gardner developer of the theory of Multiple Intelligences offers fascinating revelations about the mind of the leader and his or her followers He identifies six constant features of leadership as well as paradoxes that must be resolved for leadership to be effective using portraits of leaders from J Robert Oppenheimer to Alfred P Sloan from Pope John XXIII to Mahatma Gandhi

Australian Security After 9/11 Derek McDougall, 2020-07-24 Debates on security became more intense following the unanticipated end of the Cold War conflict and took on added force after the terrorist attacks on the US on September 11 2001 Generally viewed as a part of the wider West despite its separation by enormous geographical distances from both Europe and the United States Australia is a regional power in its own right It has been an active and loyal member of the US led coalitions of the willing first in

Afghanistan and then in Iraq The terrorist attacks in Bali one year after the attacks in the United States brought home to Australia the direct nature of the new global terrorist threats to its own security This volume brings together leading experts on international security and Australia's foreign and security policies in a critical examination of Australia's adaptations to the new security challenges It is the first in depth and comprehensive analysis of Australia's defence and security policies as well as the country's role in countering regional and global challenges to international security since the war on terrorism began

Robert Menzies' Forgotten People Judith Brett, 2014-04-08 Menzies political self was constructed around a denial of experience and an imagined England filled the void So too for the people and the country he led In 1941 RG Menzies delivered to war time Australia what was to be his richest most creative speech and one of his most influential The Forgotten People was a direct address to the Australian middle class the people who would return him to power in 1949 and keep him there until his retirement in 1966 Who were these forgotten people The middle class pitting their values of hard work and independence against the collectivist ethos of labour Women shunning the class based politics of men The parents of Menzies childhood in the small country town of Jeparit Australians struggling to maintain a derivative culture at the edges of the British Empire Or all of them in a richly over determined image that takes us to the heart of Menzies mid life political transformation Judith Brett deftly traces the links between the private and public meanings of Menzies political language to produce compelling insights into the man and the culture he represented

The Post-Heroic Presidency Michael A. Genovese, Todd L. Belt, 2016-06-13 This book examines how presidents from Nixon to Obama have faced the challenges of global leadership in a dramatically changing world one with more limited resources and an increasing number of threatening challengers The immediate post World War II era was undeniably a period of American power and influence Even during the Cold War the United States was the leader of the West exerting wide ranging power internationally But beginning with the Vietnam War America began experiencing a series of setbacks and challenges to its power The Post Heroic Presidency Leveraged Leadership in an Age of Limits examines how U S presidents have attempted to reverse or contend with this new era of limited power in which presidential leadership is hamstrung due to an increasingly globalized and interdependent world one where power is more diffuse and the system of checks and balances bind a president in an age of hyper partisanship The book examines presidents of the 20th and 21st centuries explaining how the first U S president to confront this new age was Richard Nixon who along with Henry Kissinger developed a sophisticated approach to deal with the recalibration of American power It documents how other recent presidents have either tried to make peace with limited power Jimmy Carter reverse the decline Ronald Reagan ignore the implications of limits George W Bush or find ways to lead that were less ambitious more prudent and less unilateral George H W Bush Bill Clinton and Barack Obama In the cases of Clinton and Obama this shift to using soft power persuasion and multilateralism earned them criticism that they are weak thereby undermining their efforts to lead both at home and abroad

European Leaders Reese T. Moore, 2001 This up to

date bibliography gathers materials on ten leaders from 20th century Europe Access is provided via subject and author indexes Contents Charles DeGaulle Winston Churchill Adolf Hitler Benito Mussolini General Francisco Franco Adenauer Konrad Margaret Thatcher Helmut Kohl Francois Mitterand Josip Broz Tito **Women in Power** Blema S.

Steinberg,2008-03-20 Indira Gandhi Golda Meir and Margaret Thatcher were all described at various times as the only man in their respective cabinets a reference to their tough controlling behaviour What explains this type of leadership style In Women in Power Blema Steinberg describes the role that personality traits played in shaping the ways in which these three women governed For each of her subjects Steinberg provides a personality profile based on biographical information an analysis of the patterns that comprise the personality profile using psychodynamic insights and an examination of the relationship between personality and leadership style through an exploration of various aspects of political life motivation relations with the cabinet the caucus the opposition the media and the public By bringing together some of the best work in psychological leadership studies and conventional personality assessments Women in Power makes a significant contribution to the study of political leadership and the advancement of personality in leadership modelling **The Craft of Governing** R.A.W. Rhodes,2020-08-02 Bargaining and puzzling power and thought dealing and agonising compromise and commitment These are two sides of political practitioners whether politician public servant or campaigner Understand the interplay and we can just sometimes make sense of the real world we seek to interpret Patrick Weller s observation comes from half a century of contemplating politics in action The question of how government works lies at the heart of political science and it has also been the career focus of this pioneer in the field The Craft of Governing offers a tribute to the contribution of Patrick Weller to Australian political science with chapters from leading political commentators including Michelle Grattan Peter Shergold Bob Jackson and James Walter Contributors consider the role of the prime minister approaches to studying executive government the continuing significance of senior public servants and the nature of leadership in public bureaucracies They also reflect on how insights from the study of domestic public policy can be applied to international organisations challenges faced by Westminster democracies and approaches to political biography The Craft of Governing is an invaluable resource for readers interested in approaches to studying politics and the development of political science as a discipline **Prime Ministers in Power** M. Bennister,2012-03-20 A study of prime ministerial leadership in Britain and Australia Tony Blair and John Howard were election winning leaders in two similar countries They succeeded in dominating politics for over 10 years but both fell dramatically from office This book asks how these prime ministers established such predominant positions

Thank you certainly much for downloading **Strong Leadership Thatcher Reagan And An Eminent Person**.
