Strong Women Strutting Men:

Women without Men Jennifer Utrata, 2015-05-21 *Women without Men* illuminates Russia's quiet revolution in family life through the lens of single motherhood. Drawing on extensive ethnographic and interview data, Jennifer Utrata focuses on the puzzle of how single motherhood, frequently seen as a social problem in other contexts, became taken for granted in the New Russia. While most Russians, including single mothers, believe that two-parent families are preferable, many also contend that single motherhood is an inevitable byproduct of two intractable problems: weak men and reflected they argue in the country's widespread chronic male alcoholism and a weak state considered so because of Russia's unequal economy and poor social services. Among the daily struggles to get by and get ahead, single motherhood, Utrata finds, is seldom considered a tragedy. Utrata begins by tracing the history of the cultural category of single mother from the state policies that created this category after World War II through the demographic trends that contributed to rising rates of single motherhood to the contemporary tension between the cultural ideal of the two-parent family and the de facto predominance of the matrifocal family. Providing a vivid narrative of the experiences not only of single mothers themselves but also of the grandmothers, other family members, and nonresident fathers who play roles in their lives, *Women without Men* maps the Russian family against the country's profound postwar social disruptions and dislocations.

Determined Women Jennifer Birkett, Elizabeth Harvey, 1991-04-23 The essays in this collection look at some of the images and categories which have shaped Western women's sense of themselves in the twentieth century. The approach of the collection is interdisciplinary, bringing together the perspectives of literary criticism, social history, and linguistics. Its focus is international, with contributions on Britain, France, Germany, the United States, and Canada. The collection shows both the similarity and the diversity of women's experience in a world determined by patriarchal assumptions where women's only hope of change lies in developing a determination of their own.

Let Us Make Men D'Weston Haywood, 2018-09-25 During its golden years, the twentieth-century black press was a tool of black men's leadership, public voice, and gender and identity formation. Those at the helm of black newspapers used their platforms to wage a fight for racial justice and black manhood. In a story that stretches from the turn of the twentieth century to the rise of the Black Power movement, D'Weston Haywood argues that black people's ideas, rhetoric, and protest strategies for racial advancement grew out of the quest for manhood led by black newspapers. This history departs from standard narratives of black protest, black men, and the black press by positioning newspapers at the intersections of gender, ideology, race, class, identity, urbanization, the public sphere, and black institutional life. Shedding crucial new light on the deep roots of African Americans' mobilizations around issues of rights and racial justice during the twentieth century, *Let Us Make Men* reveals the critical, complex role black male publishers played in grounding those issues in a quest to redeem black manhood.

Deserving and Entitled Anne L. Schneider, Helen M. Ingram, 2012-02-01 Public policy in the United States is marked by a contradiction between the American ideal of equality and the reality of an underclass of

marginalized and disadvantaged people who are widely viewed as undeserving and incapable Deserving and Entitled provides a close inspection of many different policy arenas showing how the use of power and the manipulation of images have made it appear both natural and appropriate that some target populations benefit from policy while others do not These social constructions of deservedness and entitlement unless challenged become amplified over time and institutionalized into permanent lines of social economic and political cleavage The contributors here express concern that too often public policy sends messages harmful to democracy and contributes significantly to the pattern of uneven political participation in the United States

Free Women, Free Men Camille Paglia, 2018-02-06 Ever since the release of her seminal first book *Sexual Personae* Camille Paglia has remained one of feminism's most outspoken independent and searingly intelligent voices Now for the first time her best essays on the subject are gathered together in one concise volume Whether she's calling for equal opportunity for American women years before the founding of the National Organization for Women championing a more discerning standard of beauty that goes beyond plastic surgery's quest for eternal youth lauding the liberating force of rock and roll or demanding free and unfettered speech on university campuses and beyond Paglia can always be counted on to get to the heart of matters large and small At once illuminating witty and inspiring these essays are essential reading that affirm the power of men and women and what we can accomplish together

Sonnets of a Minnesinger, and Other Lyrics John Urban Nicolson, 1926 *Personnel Information Bulletin* United States. Veterans Administration, 1963-12 *Strong for a Moment Like This* Rev. Dr. Bill Shillady, 2017-08-15 Few people know that during the 2016 presidential campaign former Secretary of State Hillary Rodham Clinton received a devotion every day Over the course of those 20 months Rev Dr Bill Shillady a

pastoral friend of Clinton's and a small team of other pastors provided the Democratic nominee with spiritual support to stay strong through arguably one of the more contentious elections in American history. *Strong for a Moment Like This: The Daily Devotions of Hillary Rodham Clinton* includes 365 of the more than 600 devotions written for Secretary Clinton along with personal notes, portions of her speeches and headlines that provide context for that day's devotion. Clinton is writing the foreword the first time post-election readers will have a chance to hear directly from her about her faith during that time. The book will include: A foreword from Hillary Rodham Clinton; 365 devotions; Selected reflections on the writing by the author; Selected responses from Secretary Clinton; Additional material including a timeline of events, speech excerpts, press selections and quotes. Gorgeous gift book packaging: a jacketed hardcover, ribbon, photographs and a devotion-like interior design. The book's devotions are organized into 12 themes such as Forgiveness, Doing Good, Courage and Women. A portion of the proceeds from the book will go to the United Methodist City Society in New York. As Secretary Clinton said in *The New York Times* January 26, 2016: "My study of the Bible, my many conversations with people of faith has led me to believe the most important commandment is to love the Lord with all your might and to love your neighbor as yourself. And that is what I think we are commanded by Christ to do. And there is so much more in the Bible about taking care of the poor, visiting the prisoners, taking in the stranger, creating opportunities for others to be lifted up to find faith themselves that I think there are many different ways of exercising your faith." *Strong for a Moment Like This* gives readers an inside personal look at the faith of one of our nation's most lauded leaders. *Printing Art*, 1925
