Pursued by Love Jeanne Bush, 2012-06-12 This is a love story but it's radically different because the love of God breaks into the novel like a whirlwind What is the price of such love Are the characters especially one young woman able to accept the magnificent challenge The plot is woven around this theme of love human and divine with the golden thread of the gospel of St John binding it together It's a story of mystery and suspense in the lives of characters who are very much like you and I *Pursued by Love* is a fascinating story which describes the path of love meant to be trod by each of us on our journey through life Human love and divine love are chronicled in expressive well-written prose The reader is captivated by descriptions of the interior life and the interaction between that and a beautiful love story which are then wrapped in a tantalizing mystery A good read I would recommend this book to anyone who wishes to journey with a woman who has discovered the rich life of the interior castle Ann Daly SNDdeN

Crystalline Aura Cil Gregoire, 2010-07-15 When a magic crystal is released by the retreating Susitna Glacier in Alaska and the Dark Orb is unearthed by the flooding of New Orleans in the aftermath of Hurricane Katrina an ancient battle brought to earth twelve thousand years ago is rekindled Rahlys disillusioned with urban life the commercial use of her artistic talent and an unfaithful boyfriend returns to Alaska and purchases Trapper Bean's log cabin in the pristine wilderness of the Northern Susitna Valley seeking peace and solitude to paint Peace and solitude are challenged when a raven formerly tamed by Trapper Bean brings Rahlys a strange crystal that glows softly from within with multi-colored light When Rahlys takes possession of the crystal she takes possession of Sorceress Anthya's powers and a classic struggle between good and evil unfolds Filled with the natural beauty and magic that is Alaska *Crystalline Aura* compels us to believe in the unbelievable and in the magic within ourselves

The Call John Hersey, 2019-09-04 An American missionary in China David Treadup is the protagonist of John Hersey's magnificent novel a novel whose richness of character color and incident

both explores the evangelical impulse in this country the peculiarly American spirit of wanting to help others and reflects the whole complex history of China from 1900 to the aftermath of World War II The Call is the story of one man's spiritual odyssey as he strives to reconcile his commitment to God with his love of the struggling mass of Chinese humanity to whom he pledges his life It is the story of an American family choosing to make a home for themselves in an alien world that is sometimes exhilarating sometimes overwhelming always surprising and periodically inundated by history famine war revolution It is the story of a marriage of abiding partnership of a wife at once strong and vulnerable struggling to be close to a husband whose awesome challenge to somehow make the world a better place for the Chinese people will always claim him Treadup's large adventure opens out from rural upstate New York where he is raised on a struggling isolated farm to the Syracuse campus where caught up in evangelical fervor he is struck by a blinding light through the voice of a Scottish rugby player and answers the Call to vast and turbulent China where he is sent by the Y M C A to save souls There in the face of this three thousand year old civilization the tall gregarious ambitious American becomes quickly aware of his own insufficiency But Treadup's astonishing resourcefulness who would think that a gyroscope could sway multitudes and his ever growing passion to penetrate to the heart of China to bring its yearning people into the twentieth century fire his energies again and again over the years of triumphs and frustrations of rekindled vision and lost hopes John Hersey himself the child of a missionary family in China brings to this deeply human story a profound and intimate knowledge of the life it encompasses giving us an extraordinary authenticity of place and feeling It is his crowning achievement A Place Called Home Craig Nagel, 2007-08-29 For twenty five years readers of the Lake Country Echo in north central Minnesota have enjoyed the biweekly column by Craig Nagel called The Cracker Barrel His essays have been photocopied and sent to friends cut out and taped to the wall read aloud at group meetings reprinted in area newsletters and on occasion praised or damned in letters to the editor Nagel's observations of the world around him sometimes witty sometimes philosophical always fresh and unique have earned him a loyal following Now from the hundreds of essays that have appeared through those years in the Echo he's chosen the best and put them in book form Join him as he contemplates the mystery of the night sky on a midnight walk at 30 below zero stares eyeball to eyeball in the chicken coop with an intruding Great Horned Owl paddles his way through an autumn marsh as he and his wife harvest wild rice and reflects upon the mystical resurrection of early spring frogs who days before were entombed in frozen mud His insights offer the reader a walk down a road less traveled to moments filled with peace and quiet wonder Enjoy the magic of A Place Called Home **Climatological Data**, 1980 Medical Thermometry and Human Temperature Edward Seguin, 1876
