The Stubborn Heart Frank G. Slaughter, 1940 **The Stubborn Heart** Charles C. O'Connell, 1964 **The Heart: The Key to Everything in the Christian Life** Tim Rowe, 2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart The Key to Everything in the Christian Life* believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us The Teachable Heart David E. Vitt, 2017-04-04 The book you are holding is the culmination of twenty years of personal Bible study and hundreds of lesson plans prepared with you the teachable believer in mind Over the years his students consistently encouraged Dave to make highlights of his lessons available to a wider audience The outcome is *The Teachable Heart* Devotional Series Like life itself the devotions come in a random unexpected order helping you grow in thoughtful practical and Christ honoring ways You will be amazed at what one page and five minutes a day can do You will be encouraged in your faith challenged in your walk lifted when you're down and comforted in your sorrow You will be spurred on toward good works yet encouraged to rest in the loving arms of Christ One page five minutes you can do this Try it and be amazed at what God can do with *The Teachable Heart* THE STUBBORN HEART FRANK G. SLAUGHTER, 1901 **The Stubborn Heart** Frank Gill Slaughter (romancier.), 1953 *The Bible Doctrine of Man* C. Ryder Smith, 2009-05-26 Upon the answers which thinkers give to the question What is Man depend on the answers they give to every other question hence the importance of this matter in the world's life and future Much that is current in theological discussion centers in the same inquiry It is evident that the Christian must know what the Bible says and Dr Ryder Smith is supremely qualified to expound the Bible teaching The author finds that the Doctrine of Man is implied rather than stated in Holy Writ he has made it his task to draw out the doctrine largely by examining the meaning of the Hebrew and Greek terms He has included a treatment of the Septuagint because the New Testament usually starts with the Septuagintal use There is special treatment of the important phrase The Image of God so frequently encountered in current theological discussion this is the more advantageous because Dr Ryder Smith maintains the usage has changed since the days of the Bible writers There are chapters on What ought a man to be as well as on What is a man and to the writer the former question is the more important This book which seeks to put in its right perspective the whole question of the Biblical doctrine of Man will take its place as the classical and fundamental treatment of this doctrine **Is Your Inner Person Okay?** Eddie A. U. Akpan, 2022-08-01 These are the questions on the

minds of people Who is the Spirit and what role does he play in my life daily What do I get if I pay attention to him And who is Satan and what role does he play in my life God the Spirit wants us to prosper How will his instructions concerning wealth change my life Is it wise to make double payments on loans How quickly can I deplete my retirement account Is divorce a spiritual curveball Why does divorce rate go up even as the number of marriage counselors and books on marriage go up Where do people go after they finish their work and transition to the next life How can we achieve happiness The Spirit has the answers When we are short on answers to any questions we turn to science if the questions relate to the physical world But we go to the source of all wisdom and knowledge if science is inadequate The Spirit is the source of all things seen or unseen including health wisdom understanding and material abundance Dr Eddie A U Akpan writes about the interconnections among humans God and Satan He is the author of the book Every Soul Belongs To God He is a petroleum engineer and also holds a PhD in electrical engineering He spent eight years in the United States Army worked for NASA for twelve years and taught in the university for many years His aim in this book is to elucidate the work of the spiritual principalities and how they work in our inner being God wants us to prosper Satan is happy when we are hurting they work in opposition We are physical and spiritual systems Signals we receive from these principalities are our inputs Our thoughts and deeds are our outputs Consequently God and Satan use human beings to engender the events we see in the world
