Radical Reimagining for Student Success in Higher Education Jo Arney, Timothy Dale, Glenn Davis, Jillian Kinzie, 2023-07-03 Co published with the American Association of State Colleges and Universities AASCU which sponsored the project from which the book emerged This book answers the question What would your institution look like if students really mattered The authors argue that really putting student success at the center of attention will require a radical reimagining of higher education Much of what is presented here is grounded in the findings of the American Association of State Colleges and Universities AASCU's Re Imagining the First Year RFY initiative which brought together 44 member institutions over a three year period to identify and test programs strategies and tools aimed at improving retention rates for first year students The book makes a provocative set of arguments about what is possible if campuses radically reimagine their culture practices structures and rules with the primary purpose of helping students succeed in college and beyond

Real Writing Mitchell Nobis, Daniel Laird, Carrie Nobis, Dawn Reed, Dirk Schulze, 2016-09-23 High school writing prompts often ask students to provide overly simplified responses to complicated issues but a person's stance in the real world can rarely if ever be reduced to agree or disagree Arguments are complex with more than two points of view and a range of evidence to consider however writing classes don't always embrace that complexity Real Writing Modernizing the Old School Essay contends that engaging fully with complex texts and difficult nuanced arguments helps students become better thinkers and writers more fully prepared for life both in and after high school By offering students current texts to read and issues to discuss teachers introduce their students to more complex arguments Real Writing Modernizing the Old School Essay recognizes the value of various types of texts but the need for contemporary readings in our literature and composition classes is important for relevancy related to student engagement the Common Core State Standards and participation in our democratic society This book shares curricular moves to engage students in reading and writing authentic arguments

Meet Their Needs, and They'll Succeed Salome Thomas-EL, 2025-04-23 Every student must know they are unique and incredible and capable of doing great things Principal Salome Thomas EL is crazy about the kids in his school He's curious about them and the lives they lead at home and in the community He is committed to being a consistent adult they can rely on and to maintaining a culture of love and support for every child In this inspirational and action oriented book Principal EL shares insights gleaned from his own experience as a student whose life was changed by empathetic educators and as a teacher and school leader who has become a life changer Proceeding from his Four Cs approach which maps a positive way to show up for the young people in our classrooms he

offers a collection of research backed strategies to help educators provide students with equitable access to supportive relationships and to instruction that is engaging respectful and effective In Meet Their Needs and They ll Succeed Principal EL covers The pedagogical and curricular keys to successful and joyful learning The value of developing critical thinking skills and ways to go about it What all educators should know and do when working with kids affected by trauma The powerful whys and practical hows of after school programs and community engagement and What we all gain when committed teachers choose to stay This book is for bold educators who care about kids and want to prepare them for the life and leadership roles that await them **African Americans and College Choice** Kassie Freeman,2012-02-01

Acknowledging the disparity between the number of African American high school students who aspire toward higher education and the number who actually attend this book uncovers factors that influence African American students decisions regarding college Kassie Freeman brings new insights to the current body of research on African Americans and higher education by examining the impact that family school community and home have in the decision making process She explores specific factors that contribute to a student s predisposition toward higher education including gender economics and high school curriculum and seeks to bridge the gap in understanding why aspiration does not immediately translate into participation Educators and policy makers interested in increasing African American students participation in higher education will benefit from the exploration of this paradox
