Student Companion to F. Scott Fitzgerald Linda C. Pelzer, 2000-07-30 The dazzling romantic fiction of F. Scott Fitzgerald manages to captivate each new generation of readers

This critical introduction written specifically for students offers insightful yet accessible literary criticism for five novels: *This Side of Paradise*, *The Beautiful and Damned*, *The Great Gatsby*, *Tender Is the Night*, and *The Last Tycoon*. A full chapter is devoted to examining each of these works with an in-depth discussion of character development, thematic concerns, and plot structure. The introduction to each novel traces its genesis and the critical reception it received at the time it was written. The historical context sections examine the ways visionary works like *The Great Gatsby* offer both a chronicle and a critique of the attitudes, dreams, and illusions of American society during the period between the First and Second World Wars. Students will also get a vivid sense of how life and art converged in the fiction of F. Scott Fitzgerald, the man who christened the Jazz Age. This introductory study features a biographical chapter that relates Fitzgerald's life to his work and a chapter that places his fiction within its historical and literary contexts. Five chapters analyze not only the basic literary components of plot, character, and theme but also provide an alternate critical interpretation of each novel that enriches reader's understanding of the work's complexity and vision. A complete bibliography of Fitzgerald's works and a selected bibliography of critical and biographical sources complete this volume. Student Companion to Edith Wharton, Melissa McFarland Pennell, 2003-05-30

One of the most accomplished American writers of the early 20th century, Edith Wharton achieved both critical recognition and popular acclaim. This *Student Companion* provides an introduction to Wharton's fiction. Beginning with her life and career, the volume places Wharton in the context of her times, focusing on how she was shaped by the culture of wealth and privilege into which she was born. Her struggle to resist the demands of her social world paralleled her characters' lives and contributed to the power of her writing. Included are an in-depth discussion of her writing along with analyses of thematic concerns, character development, historical context, and plot. A close critical reading covers each of her major works with a full chapter devoted to each: *The House of Mirth* (1905), *Ethan Frome* (1911), *Summer* (1917), *The Age of Innocence* (1920), and her two novellas, *Madame de Treymes* (1907) and *The Old Maid* (1924). Another chapter addresses Wharton's short stories and considers some of her most famous and anthologized tales such as *The Other Two* and *Roman Fever*. This companion is ideal for students who are reading Wharton for the first time or for general readers who are seeking a greater understanding of her writing. A select bibliography offers suggestions for further reading about Wharton and includes criticism and contemporary reviews of her work.
