The Guyana Massacre:

The Strongest Poison ,2014-03-31 Nearly one thousand members of the Peoples Temple settlement in Jonestown Guyana died in a massacre in November 1978 The deaths followed the killing of United States Congressman Leo Ryan and other Temple members as they attempted to leave the compound Those killings along with the massacre were ordered by the cult s charismatic leader Jim Jones Mark Lane had accompanied Congressman Ryan into Jonestown on a fact finding mission and was captured and held hostage during the massacre I will tell the world the truth about what happened here With those words Mark Lane s guards allowed him to escape from his makeshift prison from what would soon become one of the most tragic events in 20th century America Lane found himself fleeing for his life through the impenetrable darkness of the Guyanian rainforest as the sounds of the Jonestown massacre echoed behind him In *The Strongest Poison* Lane tells why he was there what happened in the days leading up to the massacre and relates the stories of the nearly 1 000 men and women who put their faith in Jim Jones and his jungle paradise and died there In this riveting tale of hope and renewal despair and devastation Lane explores the reasons behind the Peoples Temple s journey to Guyana of the joyous celebrations and the hardships of the pioneering community He also explores the reasons for Congressman Ryan s investigation into the community exposing the decisions made by representatives of the United States government that pushed the increasingly irrational Jones to his breaking point Guyana Massacre Charles A. Krause, Laurence Marcus Stern, Richard Harwood, 1978

American Suicide Howard I. Kushner, 1991 For the nineteenth century physician the moral issues that suicide raised could not be isolated from its constitutional components Thus those who exhibited suicidal tendencies were subjected to an amalgamation of pharmacological social and psychological interventions which practioners labeled the moral treatment By the 1890s however the consensus about the causes of suicide became unglued as a bacteriological medicine and the rise of the social sciences jointly served to call into question eclectic diagnoses The goal of *American Suicide* is to demonstrate how the apparent contradictions among sociological psychoanalytic and neurobiological explanations of the etiology of suicide may be resolved Only through a reintegration of culture psychology and biology can we begin to construct a satisfactory answer to the questions first raised by Durkheim Freud and Kraepelin *The Rise and Fall of Synanon* Rod

Janzen, 2023-10-03 The definitive account of Synanon On a fall day in 1978 Los Angeles attorney Paul Morantz reached into his mailbox to collect his mail and was nearly killed He was bitten by the four foot long rattlesnake that had been put there by members of a cultlike group called Synanon Chuck Dederich a former Alcoholics Anonymous member who coined the phrase Today is the first day of the rest of your life established Synanon as an innovative drug rehabilitation center near the Santa Monica beach in 1958 Synanon quickly evolved into an experimental commune and religion that attracted thousands of members and was strongly committed to social justice and progressive education Twenty years later when Dederich was arrested for the Morantz attack Synanon had devolved into a paranoid community that followed its egomaniacal leader in

whatever direction he chose to take Based on extensive primary sources and interviews with former members The Rise and Fall of Synanon explores how the group arose in the context of American social political and economic trends Historian Rod Janzen argues that Synanon s downfall resulted from members giving too much power to Synanon s charismatic founder The subject of a new documentary and podcast this community serves as a mesmerizing case study of how alternative societies can change over time and how the general public s reactions to such societies can shift from tolerance to fear and opposition

Salvation and Suicide David Chidester,2018-11-01 An ambitious and courageous examination of the Jonestown cult viewed through the lens of theology Journal of the American Academy of Religion Re issued in recognition of the 25th anniversary of the mass suicides at Jonestown this revised edition of David Chidester s groundbreaking book features a new prologue that considers the meaning of the tragedy for a post Waco post 9 11 world For Chidester the murder suicide of some 900 members of the Peoples Temple in Guyana recalls the American religious commitment to redemptive sacrifice which for Jim Jones meant saving his followers from the evils of capitalist society Jonestown is ancient history writes Chidester but it does provide us with an opportunity to reflect upon the strangeness of familiar promises of redemption through sacrifice His original conclusion that the Peoples Temple was a meaningful religious movement seems all the more prescient and astute today when fundamentalism has raised the troubling spectre of violence and suicide all over the world

Imagining Religion Jonathan Z. Smith, 2024-07-31 With this influential book of essays Jonathan Z Smith has pointed the academic study of religion in a new theoretical direction one neither theological nor willfully ideological Making use of examples as apparently diverse and exotic as the Maori cults in nineteenth century New Zealand and the events of Jonestown Smith shows that religion must be construed as conventional anthropological historical and as an exercise of imagination In his analyses religion emerges as the product of historically and geographically situated human ingenuity cognition and curiosity simply put as the result of human labor one of the decisive but wholly ordinary ways human beings create the worlds in which they live and make sense of them These seven essays display the critical intelligence creativity and sheer common sense that make Smith one of the most methodologically sophisticated and suggestive historians of religion writing today Smith scrutinizes the fundamental problems of taxonomy and comparison in religious studies suggestively redescribes such basic categories as canon and ritual and shows how frequently studied myths may more likely reflect situational incongruities than vaunted mimetic congruities His final essay on Jonestown demonstrates the interpretive power of the historian of religion to render intelligible that in our own day which seems most bizarre Richard S Sarason Religious Studies Review

I Hated, Hated, Hated This Movie Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert s most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it

Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It is so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss
