The Hanoi Hilton:

Seven Years in Hanoi Larry Chesley, 1973 **Six Years in the Hanoi Hilton** Amy Shively Hawk, 2017-03-13 With a foreword by Senator John McCain In 1967 U S Air Force fighter pilot James Shively was shot down over North Vietnam After ejecting from his F 105 Thunderchief aircraft he landed in a rice paddy and was captured by the North Vietnamese Army For the next six years Shively endured brutal treatment at the hands of the enemy in Hanoi prison camps Back home his girlfriend moved on and married another man Bound in iron stocks at the Hanoi Hilton unable to get home to his loved ones Shively contemplated suicide Yet somehow he found hope and the will to survive and he became determined to help his fellow POWs In a newspaper interview several years after his release Shively said I had the opportunity to be captured the opportunity to be interrogated the opportunity to be tortured and the experience of answering questions under torture It was an extremely humiliating experience I felt sorry for myself But I learned the hard way life isn't fair Life is only what you make of it Written by Shively's stepdaughter Amy Hawk whose mother Nancy ultimately reunited with and married Shively in a triumphant love story and based on extensive audio recordings and Shively's own journals **Six Years in the Hanoi Hilton** is a haunting riveting portrayal of life as an American prisoner of war trapped on the other side of the world **Taps on the Walls** John Borling, 2013 Presents poems composed by the Air Force Major General and former prisoner of war who was held in the Hanoi military prison by the Viet Cong for eight years and conveyed his poems to his fellow prisoners through taps on the walls **Lessons from the Hanoi Hilton** Taylor B Kiland, Peter Fretwell, Estate of Jack London, James B Stockdale, 2013-05-15 Why were the American POWs imprisoned at the Hanoi Hilton so resilient in captivity and so successful in their subsequent careers This book presents six principles practiced within the POW organizational culture that can be used to develop high performance teams everywhere The authors offer examples from both the POWs time in captivity and their later professional lives that identify in real life situations the characteristics necessary for sustainable high performance teamwork The book takes readers inside the mind of James Stockdale a fighter pilot with a degree in philosophy who was the senior ranking officer at the Hanoi prison The theories Stockdale practiced become readily understandable in this book Drawing parallels between Stockdale's guiding philosophies from the Stoic Epictetus and the principles of modern sports psychology Peter Fretwell and Taylor Baldwin Kiland show readers how to apply these principles to their own organizations and create a culture with staying power Originally intending their book to focus on Stockdale's leadership style the authors found that his approach toward completing a mission was to assure that it could be accomplished without him Stockdale they explain had created a mission centric organization not a leader centric organization He had understood that a truly sustainable culture must not be dependent on a single individual At one level this book is a business school case study It is also an examination of how leadership and organizational principles employed in the crucible of a Hanoi prison align with today's sports psychology and modern psychological theories and therapies as well as the training principles used by Olympic

athletes and Navy SEALs Any group willing to apply these principles can move their mission forward and create a culture with staying power one that outlives individual members

The Hanoi Hilton, 1986 A view of life for American POWs in the Hoa Lo Prison in Hanoi better known as the Hanoi Hilton Cmdr Patrick Williamson is shot down and captured by the North Vietnamese in 1964 becoming the first guest at the Hilton For failure to divulge more than his name rank and serial number he is held in solitary confinement for more than a year After Col Cameron Cathcart is captured he reimposes military discipline on the previously disorganized prisoners The North Vietnamese respond by torturing many prisoners to break their spirit but the mistreatment has the opposite effect Many are tortured to the breaking point and read phony confessions but indicate they are under duress by their inarticulate delivery As the war nears an end treatment improves When release comes in 1973 the men are gleefully repatriated
