**What's Next?** A. Hardin Butler, 2011-10-27 This presentation is intended to be a quick read aided by graphics on the subject of the existence continuum for those who do not have the time to plow the Summa and other subject related sources Also it is beyond the scope of this writing to include a priori or a posteriori demonstrations for what is presented For in depth reading see included endnotes Let two terms be understood in full 1 Life is to be understood as the quality that distinguishes vital and functional being from a dead body 2 Existence is to continue to be the state of fact of having being especially independent of human consciousness and as contrasted with nonexistence Finally what is viterity According to an accepted source it is defined thus viterity differs from time and eternity as the mean between them both This difference is explained by some to consist in the fact that eternity has neither beginning nor end viterity a beginning but no end and time both beginning and end

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 10: Khayyami Robaiyat: Part 3 of 3: Quatrains 686-1000: Songs of Joy Addressing the Question "Why Can Happiness Exist?" Mohammad H. Tamdgidi, 2024-10-25 Omar Khayyam's Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 10th volume subtitled Khayyami Robaiyat Part 3 of 3 Quatrains 686-1000 Songs of Joy Addressing the Question Why Can Happiness Exist Explained with New English Verse Translations and Organized Logically Following Omar Khayyam's Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 10 Tamdgidi offers the third of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries

attributed to Khayyam Part 3 includes quatrains 686 1000 for each of which the Persian original along with Tamdgidi's new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 686 1000 address the question Why Does or Can Happiness Exist The question is the third of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 3 continue the logically deductive reasoning process started in Part 2 but serve as practical examples of how humankind can turn the activity of poetry writing itself as a source of joy in life when confronting the topics of death survival and spiritual fulfillment The thematic topics of the quatrains of Part 3 as shared in Book 10 are XVIII Garden XIX Wine XX Love XXI Night XXII Death and Survival XXIII Liberation and XXIV Return Khayyam's overall sentiment in pursuing the inquiry in the third part of his book of poetry is expressive of joy He begins by showing using the example of his own poetry how strolling in a garden offers opportunities to enjoy it even when writing about the transient nature of the roses and greens He then offers in the longest section of his book a set of quatrains in praise of Wine disguising therein a praise of the joy of writing his own poetry Wine's metaphorical double meanings offering chances in the here and now of stealing joyfulness even when mistreated by his foes and amid feelings of helplessness in confronting physical death He then turns to the topic of spiritual Love signifying the role the sentiment of Love in search of the Source of creation plays in the evolutionary process of the succession order of the created existence as discussed in his writings He continues to the topic of death and the possibility of lasting spiritual survival and existence by practically encouraging the Drinkers of the Wine of his poetry itself to help bring about that end He ends the Wine of his poetry by expressing how it has helped free himself from the prior in Part 1 doubtfully expressed inevitability of physical death in favor of not just hopefulness in Part 2 but the certainty of having initiated a lasting spiritual existence by way of the bittersweet Wine of his poetry itself celebrating a return to the spiritual Source of all existence as woven into the 1000 threaded wick of the candle of his Love for God We should therefore judge each step of the third part of Khayyam's poetic inquiry in consideration of the two other parts of his book of poetry those already shared in Books 8 and 9 addressing the questions Does Happiness Exist and What Is Happiness
