Spellbinding adventure from Canada's most beloved modern day explorer Traverso is not a place you will find on most maps A century ago it stood near the foothills of the remote Mealy Mountains in central Labrador Today it is an abandoned ghost town almost all trace of it swallowed up by dark spruce woods that cloak millions of acres In the early 1900s this isolated little settlement was the scene of an extraordinary haunting by large creatures none could identify Strange tracks were found in the woods Unearthly cries were heard in the night Sled dogs went missing Children reported being stalked by a terrifying grinning animal Families slept with cabin doors barred and axes and guns at their bedsides Tales of things that go bump in the night are part of the folklore of the wilderness told and retold around countless campfires down through the ages Most are easily dismissed by skeptics But what happened at Traverso a hundred years ago was different The eye witness accounts were detailed and those who reported them included no less than three medical doctors and a wildlife biologist Something really did emerge from the wilderness to haunt the little settlement of Traverso Adam Shoalts decorated modern day explorer and an expert on wilderness folklore picks up the trail from a century ago and sets off into the Labrador wild to investigate the tale It is a spine tingling adventure straight from a land steeped in legends and lore where Vikings wandered a thousand years ago and wolves and bears still roam free In delving into the dark corners of Canada's wild *The Whisper on the Night Wind* combines folklore history and adventure into a fascinating saga of exploration

once a village bred by evil On the barren coast of Cornwall England lived a community who prayed for shipwrecks a community who lured storm tossed ships to crash upon the sharp rocks of their shore They fed and clothed themselves with the loot salvaged from the wreckage dead sailors tools and trinkets became decorations for their homes Most never questioned their murderous way of life Then upon that pirates shore crashed the ship The Isle of Skye And the youngest of its crew members 14 year old John Spencer survived the wreck But would he escape the wreckers This is his harrowing tale
