D. Sir Roberts,2022-09-15 The Hunters of the Silences is a collection of short stories about diverse wild animals The stories depict the natural scenery that these hunters of the silence are found in and the epic struggle of life as they face off in the duels of nature From the white polar bears of the Arctic north to the Great sharks of the Caribbean Sea to the mole shrews of the woodlands the book offers a phenomenal array of nature at its best Though the stories are fictional author Charles D Roberts boasts that some of the stories are inspired by his own observations in his past nature excursions
