lately I'm feeling burnt out and unsure if I'll ever reach my dream I need something or someone to shake things up Enter Ollie a quirky guy with glasses and a book in hand who seems completely out of place at the crowded college party where we meet I accidentally spill my drink on him and in my attempt to apologize I offer him my lucky hockey jacket Seeing him wear my jacket does something to me it makes me feel protective in a way I can't explain When I find out he's open to exploring his sexuality my heart races He only wants a casual fling but I'm up for the challenge I'm not letting this opportunity slip through my fingers Ollie I'm an introverted computer science major who sticks to the library avoiding the chaos of college social life I've always identified as straight but my charismatic and fiercely loyal cousin has always been out and proud which makes my journey to understanding my own feelings complicated Then Finn stumbles into my life all muscles and messy blond hair teasing me to give him a chance He's persistent and I'm curious I accept his challenge thinking it's just a bit of fun But the more time I spend with him the deeper I fall When Finn faces a career threatening injury everything changes I have to decide whether to risk it all for him or retreat back to my comfort zone Breaking the Ice is the first book in the Frozen Hearts series It combines the humor of a jock meets nerd romance with the emotional rollercoaster of discovering one's identity With laugh out loud moments dramatic tension and heartwarming scenes this story explores how love can bloom in the most unexpected places and how sometimes taking a chance on someone is the biggest game changer of all The Frozen Hearts series follows a close knit group of friends navigating love life and hockey in college each finding their way to a happily ever after
