more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults

The Literary History of Alberta Volume Two George Melnyk,1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone *The Literary History of Alberta Volume Two* extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture

Notable Canadian Children's Books ,1984 Once Upon a Time Sheila Egoff,2005-09-01 In *Once Upon a Time* My Life with Children s Books Sheila Egoff tells the story of her working life from her early voracious reading through all her significant contributions to libraries in Canada and to our national understanding of our own literature for children She brings both a critical eye and a personal touch to this book which reads as a memoir and as an account of important developments in Canadian writing and librarianship In this time of cuts to budgets for books and for librarians there is much here to reflect upon

Home Words Mavis Reimer,2009-08-01 The essays in *Home Words* explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children s literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children s and national literatures *Home Words* reconfigures the field of Canadian children s literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children s literature
