Deprived of her husband her child her freedom and even her own name Offred clings to her memories and her will to survive Provocative startling prophetic The Handmaid s Tale has long been a global phenomenon With this beautiful graphic novel adaptation of Margaret Atwood s modern classic beautifully realized by artist Ren e Nault the terrifying reality of Gilead has been brought to vivid life like never before Margaret Atwood's 'The Handmaid's Tale' and 'Oryx and Crake' - A Comparison Martina Schönherr,2009-09-07 Seminar paper from the year 2007 in the subject English Language and Literature Studies Literature grade 1 3 University of Constance Literaturwissenschaften course Margaret Atwood s Later Fiction language English abstract Margaret Atwood s novels The Handmaid s Tale T H T 1985 and Oryx and Crake O C 2003 are works of speculative fiction that are set in the near future Both of the depicted scenarios take place in the U S A and could be classified as survivor s stories as they are told from the perspective of a person that survived the new system or the catastrophe the books deal with T H T takes the reader into an oppressive system that has become reality in the year 2005 In this system women are divided into different kinds of functional groups according to their abilities The story is told by the handmaid Offred who as all handmaids is still believed to be fertile Thus she is solely good for childbearing and has not got any choice This system however is confined to the United States so that there is still hope for an escape to a better life for the people living under the system The scenario in O C on the other hand occurs around the year 2025 and depicts a world wide catastrophe where Snowman the narrator of the story is one of the few surviving human beings This paper will compare the two novels according to some points of analysis I had to confine myself to a few themes as it is impossible to include all topics that could be of importance To start with I will take a look at the social and political background of the time the novels were written in followed by a generic analysis of the works Secondly I will answer the question about the inspiration for these novels and I will deal with the epilogues Atwood added to her books This will be followed by a chapter about the main topics of the novels which are reproduction religion and sexuality Last but not least I will compare the main characters and discuss the message of her works **Religion in The Handmaid's Tale** Colette Tennant,2019-09-03 Margaret Atwood s The Handmaid s Tale captivates readers with its disturbingly prescient vision of the future and haunting insights into the world as we know it Religion especially elements of the Christian faith pervades every inch of the world as Atwood imagines it Gilead s leaders use perverse forms of Christianity to sustain their authority and privilege making understanding religion an integral part of understanding Gilead In the face of the inextricable role of religion in the novel readers are left to puzzle out religious references and allusions on their own From the significance of names to twisted uses of religion to the origins of the Ceremony this book answers all the questions you might have about religion in this prophetic novel For anyone who s ever googled a biblical precedent or religious phrase after encountering Atwood s dystopia this essential guide explains it all and gives readers a fascinating look into the novel and its world Read it and understand The Handmaid s Tale like never before

Margaret Atwood, "The Handmaid's tale" Héliane Ventura,1998 *The Handmaid's Tale* de Margaret Atwood nous rappelle la présence de la voix aux sources de la littérature première En effet le texte qu'elle nous livre se présente comme une

transcription de bandes magnétiques enregistrées deux cents ans auparavant Si Margaret Atwood s'emploie à rendre la critique la force communicative du langage parlé elle met galement en avant le processus de recomposition de son histoire Récit de vie enregistré sur bandes spatiales et non numérotées le texte est un assemblage de morceaux parés de pièces rapportées dont l'agencement est arbitraire et réversible Il se construit et se déconstruit sans cesse se délite et se dérobe Parce que le conte ressortit une esthétique du fragment Héliane Ventura s'est elle-même attachée à mettre en valeur les clats les morceaux les pièces Elle présente une série de six interprétations de textes explications linéaires ou commentaires composés qui de l'incipit aux deux clauses reconstitue la trame de l'existence de la Servante livrée la tyrannie dans cet univers dystopique qui s'appelle ironiquement la République de Galaad et qui se situe Boston sur la terre des anciens Puritains de la Nouvelle Angleterre l'aube du vingt et unième siècle

Margaret Atwood Helene Greven, Hélène Greven-Borde, 1999 *The Handmaid's Tale* 1985 by Canadian writer Margaret Atwood revisits the Anglo American utopian dystopian tradition Appealing to imaginative fiction and the novel of ideas the construction of perfect or nightmarish worlds rouses the reader's socio political awareness of the present and invites questions on the shape of the near future *The Handmaid's Tale* deconstructs the utopian narrative by breaking the chronological order of the female protagonist's experience into a time shifting testimony a quest for meaning and an exploration of self versus the other The intricate play on word and symbol can be read against the historical background of seventeenth century New England Puritanism as well as the twentieth century New Right and women's rights movements while inviting reference to the postmodernist outlook This volume includes a bibliography a study of the book's context as well as essays and commentaries the approach has been adapted to the needs of Capes and Agregation students

married to the Commanders are the Wives and wear blue. Less privileged women are assigned roles according to their fertility: those still able to bear children are designated as Handmaids and wear red, while those unable to bear children are designated as Marthas and wear green.
