collected essays and includes some of his most memorable work especially on laying on of hands      **The Gospel of Tatian** Matthew R. Crawford, Nicholas J. Zola, 2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian's Diatessaron The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second century composition It has been claimed as both a vindication of the fourfold gospel's early canonical status and as an argument for the canon's ongoing fluidity it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text Collectively these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century The contributors explore numerous questions did Tatian intend to supplement or supplant the fourfold gospel How many were his sources and how free was he with their text How do we identify a Diatessaronic witness Is it legitimate to use Tatian's Diatessaron as a source in New Testament textual criticism Is a reconstruction of the Diatessaron still possible These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing rewriting and reception of gospel material functioned in the first and second centuries and beyond      **The Great Work of Providence** Rachel S. Stahle, 2010-01-01 Even though Jonathan Edwards is arguably America's greatest theologian the content and value of his work remains a mystery to most Stahle systematizes and summarizes Edwards's biblically grounded thought in contemporary language and makes Edwards accessible to pastors students and church study groups Edwards's conceptions of the Trinity are explained in detail and shown to be the basis for the rest of his theology including his ideas about sin salvation holiness the purpose of history Scripture revivals of religion heaven and hell and the church Reflection and study questions are provided to enrich comprehension and demonstrate the relevance of Edwards's theology for contemporary life The wealth of this Puritan's personal piety and intellectual brilliance is no longer beyond the reach of twenty first century Christians      *The Main LDS Books* William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B.
