struggle to hold onto their identity but also what is of importance to all of us who seek to retain our humanity Magic and Stone Teresa Howard,2025-03-10 On Tobar magic is dying and the living Stones are magic One by one they are ceasing to exist Something is causing their magic to die and not even the wisest of the Stones know why Jaida a young Stone tries to understand what is happening to her people They have lived on Tobar for centuries Once their magic was powerful but now it is failing Thus begins an epic tale of two remarkable women and the magical Stone that guides them Jaida reaches out to the only other source of magic on her world the short lived people who inhabit the surface of Tobar Her first attempt to contact these people goes horribly wrong The men do not understand her voice and destroy many of the Stones Jaida discovers that not all people possess magic and they are killing their people with the gift Soon they will destroy all magic on Tobar even the Stones She finds Llari a young girl with powerful magic who can hear Jaida s voice But can Jaida trust her The elder Stones say no Jaida has no other choice They must work together to save magic *Spiritual Healing* Jack Angleo,2016-01-28 Spiritual healing is an ancient art which has been practised for thousands of years in many different cultures Today healers are working more closely with doctors as spiritual healing effectively complements orthodox medicine But spiritual healing extends to other levels of our being to discover the causes of illness and heal body mind and spirit This practical guide outlines what spiritual healing is how healing relates to human energy system how spiritual healing can work for you how and where to find a healer how to use self healing techniques *The Healer* Dani Collins,2017-08-01 Are they each other s downfall Or salvation Athadia is a Healer possibly the last of her dwindling race Vaun is the warrior who rescues her then refuses to let her go She knows by his first touch he is a Latent a half blood and potential mate but he s also her mortal enemy She needs to escape hopefully with his unborn child in her womb Athadia keeps Vaun s soldiers alive on their perilous journey back to Kerfdom but once there Vaun is ordered by his brother the King to kill her Keeping her is viewed as treason but she offers him a type of healing that has eluded him all his life It can t be love though Athadia is forbidden to take a life mate As conspiracies are revealed and war threatens can they unite their people against a common foe Or will she cause Vaun to be revealed as one of her own ensuring they re both killed and all hope of a future lost *Women and Demons* Gerda Sengers,2021-10-11 This rich ethnographic study describes the nearly impossible challenge of the daily existence of women in the poor neighbourhoods of Cairo When these women fall ill they often put the blame on beings from an invisible world that invaded their body possession and they seek the help of traditional healers in the Zar ceremony or Koran healing This book examines in detail the links between cosmology power and gender It tackles questions such as what is possession what is being said with it and what does society have to do with it The author who lived a long time in various poor areas of Cairo attended many sessions of Koran healing and participated in the Zar ceremony She observed and interviewed many possessed women as well as healers and other demon specialists **Indian Women in Fiji** Kuldip Gill,2010 Dr Kuldip Gill was a remarkable lady She entered anthropology as a mature student and pursued her Ph D in the University of British
