Biblical Philosophy Dru Johnson,2021-04-22 Biblical literature is as philosophically savvy as any ancient intellectual tradition using story law and poetry to reason with us **The British and Foreign Evangelical Review** ,1884

Homechurch Studies Ian Charles Morgan,2011-01-11 This programme is designed both for people with firm opinions and for people who have no opinions at all It does not assume extensive Bible knowledge neither does it mitigate against

those who are recognized teachers of scripture In fact the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you If on the other hand you believe that the words of Jesus are true that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God s Word and there discover anew the immense treasures that he has revealed in His scriptures

Martin Luther on Reading the Bible as Christian Scripture William M. Marsh,2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther s approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer s interpreters have looked back upon Luther s Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther s approach of the Old Testament dismissing his relevance for today s faithful readers of God s Word This study revisits this assessment of Luther s christological interpretation of Scripture by way of critical analysis of the Reformer s prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the sensus literalis of Scripture on the basis of the Bible s messianic promise not

enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther s exegesis of the Bible s letter i e his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture s literal sense **Politically Incorrect Guide to Christianity** Michael P. Foley, 2017-11-20 You think you know about Christianity but did you know God likes organized religion it s clear from both the New and Old Testaments Christians have always believed that men and women are equal The correct pronoun for angels is he Science was stillborn everywhere outside the Christian West Christianity which first taught the world to value victims is now the victim of a victimhood culture Many miracles are actually historical facts Famous atheists haven t been disinterested seekers of truth but individuals with issues of their own Planned Parenthood kills more people every six days than the Spanish Inquisition killed in 350 years Michael Foley is an associate professor of patristics in the Great Texts Program at Baylor University He is also the author of Drinking with the Saints The Sinner s Guide to a Holy Happy Hour **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1957
