

Sioux Society

K Payea

Sioux Society:

The Sioux Guy Gibbon, 2002-12-13 This book covers the entire historical range of the Sioux from their emergence as an identifiable group in late prehistory to the year 2000 The author has studied the material remains of the Sioux for many years His expertise combined with his informative and engaging writing style and numerous photographs create a compelling and indispensable book A leading expert discusses and analyzes the Sioux people with rigorous scholarship and remarkably clear writing Raises questions about Sioux history while synthesizing the historical and anthropological research over a wide scope of issues and periods Provides historical sketches topical debates and imaginary reconstructions to engage the reader in a deeper thinking about the Sioux Includes dozens of photographs comprehensive endnotes and further reading lists **The Sioux** Royal B. Hassrick, 2012-11-28 For many people the Sioux as warriors and as buffalo hunters have become the symbol of all that is Indian colorful figures endowed with great fortitude and powerful vision They were the heroes of the Great Plains and they were the villains too Royal B Hassrick here attempts to describe the ways of the people the patterns of their behavior and the concepts of their imagination Uniquely he has approached the subject from the Sioux's own point of view giving their own interpretation of their world in the era of its greatest vigor and renown the brief span of years from about 1830 to 1870 In addition to printed sources the author has drawn from the observation and records of a number of Sioux who were still living when this book was projected and were anxious to serve as links to the vanished world of their forebears Because it is true that men become in great measure what they think and want themselves to be it is important to gain this insight into Sioux thought of a century ago Apparently the most significant theme in their universe was that man was a minute but integral part of that universe The dual themes of self expression and self denial reached through their lives helping to explain their utter defeat soon after the Battle of the Little Big Horn When the opportunity to resolve the conflict with the white man in their own way was lost their very reason for living was lost too There are chapters on the family and the sexes fun the scheme of war production the structure of the nation the way to status and other aspects of Sioux life

Report of the Iowa State Horticultural Society ... Iowa State Horticultural Society, 1900 *Collections of the Minnesota Historical Society* Minnesota Historical Society, 1920 North American Indian Anthropology Raymond J. DeMallie, Alfonso Ortiz, 1994 These essays explore the blending of structural and historical approaches to American Indian anthropology that characterizes the perspective developed by the late Fred Eggan and his students at the University of Chicago They include studies of kinship and social organization politics religion law ethnicity and art Many reflect Eggan's method of controlled comparison a tool for reconstructing social and cultural change over time Together these essays make substantial descriptive contributions to American Indian anthropology presenting contemporary interpretations of diverse groups from the Hudson Bay Inuit in the north to the Highland Maya of Chiapas in the south The collection will serve as an introduction to Native American social and cultural anthropology for readers interested in the dynamics of Indian social life

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,2002 **Publication** ,1993 **The Infamous Dakota War Trials of 1862** John A. Haymond,2016-05-19 The U S Dakota War the bloodiest Indian war of the 19th century erupted in southwestern Minnesota during the summer of 1862 In the war s aftermath a hastily convened commission of five army officers conducted trials of 391 Indians charged with murder and massacre In 36 days 303 Dakota men were sentenced to death In the largest simultaneous execution in American history 38 were hanged on a single gallows on December 26 1862 an incident now widely considered an act of revenge rather than judicial punishment Providing fresh insight into this controversial event this book examines the Dakota War trials from the perspective of 19th century military law The author discusses the causes and far reaching consequences of the war the claims of widespread atrocities the modern debate over the role of culture in lawful warfare and how the war has been depicted by historians Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1987 Official Bulletin of the National Society of the Sons of the American Revolution ,1921
