Our Sisters' Keepers Jill Bergman, Debra Bernardi, 2005-08-28 American culture has long had a conflicted relationship with assistance to the poor Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self reliance and Thoreau's insistence on an ascetic life Women in the 19th century as these essays show approached issues of benevolence far differently than their male counterparts consistently promoting assistance to the impoverished in both their acts and their writings

God's Absolute Love Truth Joy Maloy, 2020-08-25 In the Bible we read in Isaiah 55:8-9 that God's thoughts and ways are higher than our thoughts and ways as higher as the heavens are higher than the earth higher So why wouldn't we want to know what they are And even though the Bible inspired by God was written by different men at different times in history it is consistent In fact we see things repeated throughout it that can teach us something about God For instance when we see fingers in the Bible we can find a message about judgment In this book we follow things that are repeated in the Bible to learn about God God's word is amazing like that And God's Word is the absolute love truth
