Small Caucasian Woman Stories:

Small Caucasian Woman Elaine Fowler Palencia, 1993 Short stories from the lives of the residents of Blue Valley a small town in eastern Kentucky **Short Stories of a Southern, Middle-Class, Contented, White Woman** Sandra Pound, 2020-01-24 People and simple events have always fascinated me Trying to capture them on paper has made me an incurable writer Though none of these stories are absolutely true they may contain an essence of some of the unforgettable personalities and times that I've encountered over the course of my Southern and white life which incidentally I had nothing to do with By accepting Jesus Christ as my Savior I have learned to appreciate my past and have hope for the future Thereby I have become contented **Little White Squaw** Eve Mills Nash, Kenneth J. Harvey, 2002-07-16 This harsh account of life in New Brunswicks Native community sees the Little White Squaw balance precariously between two seemingly irreconcilable cultures and colours **Asian American Short Story Writers** Guiyou Huang, 2003-06-30 Asian America has produced numerous short story writers in the 20th century Some emerged after World War II yet most of these writers have flourished since 1980 The first reference of its kind this volume includes alphabetically arranged entries for 49 nationally and internationally acclaimed Asian American writers of short fiction Each entry is written by an expert contributor and includes a biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies Writers include Frank Chin Sui Sin Far Shirely Geok lin Lim Toshio Mori and Bharati Mukherjee An introductory essay provides a close examination of the Asian American short story and the volume closes with a list of works for further reading *The Rural Face of White Supremacy* Mark Roman Schultz, 2010-10-01 Now in paperback The Rural Face of White Supremacy presents a detailed study of the daily experiences of ordinary people in rural Hancock County Georgia Drawing on his own interviews with over two hundred black and white residents Mark Schultz argues that the residents acted on the basis of personal rather than institutional relationships As a result Hancock County residents experienced more intimate face to face interactions which made possible more black agency than their urban counterparts were allowed While they were still firmly entrenched within an exploitive white supremacist culture this relative freedom did create a space for a range of interracial relationships that included mixed housing midwifery church services meals and even common law marriages **Short Story Index**, 2004 **The Hill of Goodbye; the Story of a Solitary White Woman's Life in Central Africa** Jessie Monteath Currie, 1920 **Appalachia Inside Out: Conflict and change** Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 An anthology of Appalachia writings [The Geographies of African American Short Fiction](#) Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment

buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset *The Geographies of African American Short Fiction* explores how editorial practices shaped the canon of African American short fiction *Best British Short Stories and the Yearbook of the British, Irish, and Colonial Short Story* Edward Joseph O'Brien, John Cournos, 1926 **Appalachian Heritage**, 2002 White Women, Black Men Martha Elizabeth Hodes, 1997-01-01 This book is the first to explore the history of a powerful category of illicit sex in America's past liaisons between Southern white women and black men Martha Hodes tells a series of stories about such liaisons in the years before the Civil War explores the complex ways in which white Southerners tolerated them in the slave South and shows how and why these responses changed with emancipation Hodes provides details of the wedding of a white servant woman and a slave man in 1681 an antebellum rape accusation that uncovered a relationship between an unmarried white woman and a slave and a divorce plea from a white farmer based on an adulterous affair between his wife and a neighborhood slave Drawing on sources that include courtroom testimony legislative petitions pardon pleas and congressional testimony she presents the voices of the authorities eyewitnesses and the transgressors themselves and these voices seem to say that in the slave South whites were not overwhelmingly concerned about such liaisons beyond the racial and legal status of the children that were produced Only with the advent of black freedom did the issue move beyond neighborhood dramas and into the arena of politics becoming a much more serious taboo than it had ever been before Hodes gives vivid examples of the violence that followed the upheaval of war when black men and white women were targeted by the Ku Klux Klan and unprecedented white rage and terrorism against such liaisons began to erupt An era of terror and lynchings was inaugurated and the legacy of these sexual politics lingered well into the twentieth century **Which Sister? A Story** Sydney Mostyn (pseud. [i.e. William Clark Russell.]), 1873 The Best American Short Stories 2018 Maria Anderson (Fiction author), Jamel Brinkley, Yoon Choi, Emma Cline, Alicia Elliott, Danielle Evans, Carolyn Ferrell, Ann Glaviano, Jacob Guajardo, Cristina Henríquez, Kristen Iskandrian, Jocelyn Nicole Johnson, Matthew Lyons (Short story writer), Dina Nayeri, Téa Obreht, Amy Silverberg, Curtis Sittenfeld, Rivers Solomon, Esmé Weijun Wang, 2018 Presents a selection of the best works of short fiction of the past year from a variety of acclaimed sources **The Best Short Stories of 1921, and the Yearbook of the American Short Story** Various, 2022-11-21 *The Best Short Stories of 1921 and the Yearbook of the American Short*

Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age. The handbook examines historically, methodologically, and theoretically the coming together of the enduring narrative practice of compression and concision in American literature.
