Narratives from Beyond the UK Reggae Bassline William 'Lez' Henry, Matthew Worley, 2020-11-25 This book explores the history of reggae in modern Britain from the time it emerged as a cultural force in the 1970s As basslines from Jamaica reverberated across the Atlantic so they were received and transmitted by the UK's Afro Caribbean community From roots to lovers rock from deejays harnessing the dancehall crowd to dub poets reporting back from the socio economic front line British reggae soundtracked the inner city experience of black youth In time reggae's influence permeated the wider culture informing the sounds and the language of popular music whilst also retaining a connection to the street level sound

systems clubs and centres that provided space to create protest and innovate This book is therefore a testament to struggle and ingenuity a collection of essays tracing reggae s importance to both the culture and the politics of late twentieth and early twenty first century Britain *Eco-Homes* Doctor Jenny Pickerill,2016-01-15 It is widely understood that good affordable eco housing needs to be at the heart of any attempt to mitigate or adapt to climate change This is the first book to comprehensively explore eco housing from a geographical social and political perspective It starts from the premise that we already know how to build good eco houses and we already have the technology to retrofit existing housing Despite this relatively few eco houses are being built Featuring over thirty case studies of eco housing in Britain Spain Thailand Argentina and the United States *Eco Homes* examines the ways in which radical changes to our houses such as making them more temporary using natural materials or relying on manual heating and ventilation systems require changes in how we live As such it argues it is not lack of technology or political will that is holding us back from responding to climate change but deep rooted cultural and social understandings of our way of life and what we expect our houses to do for us **Arab Subcultures** Tarik Sabry,Layal Ftouni,2016-12-18 What is Arab about Arab subcultures This is the first book to set out to delineate different ways of studying and theorising Arab subcultural groups and practices including film graffiti music live art performances Arab techies and youth cultures Contributors tackle a number of questions including How is the study of Arab subcultures to be theorised How are we to analyse such creative processes in a new worldliness characterised by trans temporality and trans subjectivity *Arab Subcultures* effectively opens up a critical and interdisciplinary dialogue about Arab subcultures with different fields of enquiry including anthropology philosophy art criticism and cultural studies at the heart of which lies the key intellectual task of re imagining the uneasy relation between aesthetics and politics in the age of revolutions *The Book of Beasts* Andrew Screen,2023-10-05 Nigel Kneale is perhaps best known for his pioneering work in television fantasy notably the creation of Quatermass and his landmark adaptation of George Orwell s 1984 for the BBC This book is the first in depth study of another arguably lesser known but equally as important Kneale creation the 1976 Folk Horror anthology television series *Beasts* Each of the six episodes of *Beasts* was a standalone supernatural drama exploring themes and ideas prevalent throughout Kneale s work all within the confines of a lowly British television budget From pilot episode *Murrain* to cult favourite *Baby Beasts* charted an uncanny British landscape where the ghost of a dolphin haunts an aquarium and a supermarket is plagued by a mysterious animalistic presence In researching and writing this book author Andrew Screen was given rare access to Kneale s original scripts and production paperwork and provides an exclusive account of Kneale s trials and tribulations in developing the series There are also interviews with members of cast and crew a discussion of episode treatments that were prepared but never realised and the reasons why Kneale abandoned these at an early stage Moreover each storyline is contextualised with real life developments and events exploring the mythological and cultural inspirations that place the series within its immediate historical framework Written with full permission from the

Kneale estate **THE BOOK OF BEASTS** is a comprehensive overview of a cult television series and its enduring impact on viewers today With a foreword by Johnny Mains **Outlaws and Spies** Conor McCarthy,2020-03-18 Conor McCarthy shows how outlaw literature and espionage literature critique the use of legal exclusion as a means of supporting state power Texts discussed range from the medieval Robin Hood ballads Shakespeare s history plays and the Ned Kelly story to John le Carr Don DeLillo Ciaran Carson and William Gibson Music for Prime Time Jon Burlingame,2023 This completely revised updated and expanded edition of Jon Burlingame s 1996 classic book covers themes not touched upon in the original version With hundreds of interviews conducted over a 35 year span this book is the most comprehensive history of television scoring to date *Applicative Justice* Naomi Zack,2016-03-04 Naomi Zack pioneers a new theory of justice starting from a correction of current injustices While the present justice paradigm in political philosophy and related fields begins from John Rawls s 1970 Theory of Justice Zack insists that what people in reality care about is not justice as an ideal but injustice as a correctable ill For a way to describe real injustice and the society in which it occurs Zack resurrect Arthur Bentley s key insight that government and law or political life is a constant process of contending interest groups throughout society Bentley s main idea allows for a resolution of the contradiction between formal legal equality for U S minorities and post civil rights practical inequality Just law and unjust practice co exist as a fact of political life The correction of injustice in reality requires applicative justice in a comparison between those who are treated unjustly with those who are treated justly and the design of effective measures to equalize such treatment Zack s theory of applicative justice offers a revolutionary reorientation of society s pursuit of justice seeking to undo injustice in a practical and fully achievable way Greener Marketing John Grant,2020-07-07 BUSINESS BOOK AWARDS FINALIST 2021 This timely book is a sequel to John Grant s Green Marketing Manifesto 2007 the award winning and bestselling definitive guide to green marketing and not greenwashing Fast forward to mid 2020 Climate Change is back at the top of the public and political agenda Even after covid 19 hundreds of big name CEOs are committing to a greenrecovery And surveys show widespread global public support for this and recent shifts in sustainable behaviours and attitudes in markets ranging from organic food to flying Sustainable brands are significantly outperforming conventional ones As are sustainability related stock prices Companies like Unilever continue to set ambitious targets related not just to climate but biodiversity and deforestation plastics social justice regenerative farming Sustainability related trends such as plant based foods and electric vehicles are showing steep growth and creating tomorrow s superbrands Impossible TESLA This book is packed with up to date learnings case examples and trends covering everything from eco labelling transparency and the circular economy to rebound effects sustainable finance blockchain and regenerative farming A core message being that to drive sustainability marketers firstly do really need to properly understand sustainability its many applications and implications Secondly to be effective marketers need to understand what it means to their consumers and other significant audiences Hence the book takes a long hard look at what

was driving all the protests boycotts and petitions in 2019 and what ideas causes and platforms caught the public imagination The ultimate goal is to go beyond marketing that simply looks good to marketing that does good This book helps in achieving that goal by showing the reader how to Uncover strategies for sustainable marketing that actually deliver on green and social objectives not just greenwashing Reconceptualise marketing and business models and learn to recognise the commercial strategies and approaches that are no longer fit for purpose Learn how hot topics like the climate crisis biodiversity social justice single use plastics and supply chain transparency influence green and social marketing Read about numerous examples and case studies from both brand leaders and challengers that have developed innovations and fresh creative approaches to green and social marketing Get practical tools models facts strategies workshop and project processes and business case rationales so that you can build your own plans and proposals This book is intended to assist marketers by means of clear and practical guidance through a complex transition towards meaningful marketing that makes a positive creative impact on the climate crisis and on improving human life in troubled times Aimed both at big companies that are trying to be good and good companies that are trying to be big

Smileys People 1st Edition Uk: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Smileys People 1st Edition Uk : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Smileys People 1st Edition Uk : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
