Snyder, 2018-01-02 Fiction has a special role in the way we relate to each other Fiction can take us outside of our own experience and give us a small hint of what it s like to be someone else Speculative fiction including steampunk has always been a metaphorical mirror to our own society allowing us to see ourselves and our behaviors from the outside in ways that we otherwise couldn t It s not magic It s the interworking of dozens of finely machined gears It s the craftswoman adjusting the tension on a spring so it doesn t break It s the stoker making sure the furnace fires stay burning It s the conductor collecting tickets the passengers watching the landscape roll by the excited child standing next to the engineer who gets to pull the cord and hear the train s steam whistle It might not be magic but it s still amazing Especially with a project like Steampunk Universe making an anthology of steampunk stories that feature diverse characters who are disabled or atypical Join editor Sarah Hans our cover artist James Ng and contributors Ken Liu Jody Lynn Nye Maurice Broaddus Malon Edwards Emily Cataneo Pip Ballantine and nine others today

*Genres of Emergency* Ayelet Ben-Yishai,2023-01-10 *Genres of Emergency* offers literary genre as a way to understand and negotiate the varied states of emergency and crisis that have become a fixture of our contemporary world Building on a critical study of the literature written during and about the State of Emergency declared by Prime Minister Indira Gandhi in

India 1975 1977 the study establishes emergency and its genres as an important interpretative site an exceptionally violent episode marked as a one off crisis which also functions as a locus for an ongoing renegotiation of a modern polity and culture Reading a wide ranging archive of English language texts from prison memoir to popular magazine from high brow literary fiction to boilerplate thriller from the unrelentingly realistic to the mythically allegorical Genres of Emergency traces the tension between crisis and continuity that these genres mediate In addressing this tension the authors of Emergency fiction take seriously the genres in which they write and use them to mobilize literary conventions as political interventions More specifically these novels use the conventions of realism epic allegory and the thriller to reach back in time and across cultures and languages invoking past iterations of these genres and histories and anticipating those to come Combining literary criticism with cultural history Genres of Emergency thus has implications for the study of literary genre for the historical events that these genres recount and for understanding the politics of literary form
