Social Life In Medieval Karnataka:

Social Life in Medieval Karnāṭaka Jyotsna K. Kamat, 1980 **Women and Society in Early Medieval India** Anjali Verma, 2018-07-16 This book examines women and society in India during 600-1200 CE through epigraphs. It offers an analysis of inscriptional data at the pan-India level to explore key themes including early marriage, deprivation of girls from education, property rights, widowhood, and sati, as well as women in administration and positions of power. The volume also traces gender roles and agency across religions such as Hinduism and Jainism, the major religions of the times, and sheds light on a range of political, social, economic, and religious dimensions. A panoramic critique of contradictions and conformity between inscriptional and literary sources, including pieces of archaeological evidence against traditional views on patriarchal stereotypes, as also regional parities and disparities, the book presents an original understanding of women's status in early medieval South Asian society. Rich in archival material, this book will be useful to scholars and researchers of ancient and medieval Indian history, social history, archaeology, epigraphy, sociology, cultural studies, gender studies, and South Asian studies.

A Comprehensive History of India, 2025-10-27 The Fourth Volume of *A Comprehensive History of India* covers the period from c. 985 CE to 1206 CE. A clear and connected source-based account of the political organization of this period has been provided by competent contributors in the first part of the volume published a few years ago. The second part of the volume, being presented here, treats social, economic, religious, literary, and cultural developments together with coinage, science, and technology, and India's contacts with the outside world during the period. All contributions are marked by their varied perspectives, taking cognisance of not only regional specificities but also of the macro view of such developments. Notwithstanding the multiplication of political power centres during the period under survey, the dynamism of socio-economic and cultural lives of people never faded away. The volume locates this dynamism within the broad pan-India vision. It also includes more than a hundred illustrations, is provided with an exhaustive and up-to-date bibliographic survey, and a multi-faceted index to facilitate location of reader's curiosities.

Blood In The Sea: The Dark History of Hindu Oppression In Goa Dr Vinay Nalwa, 2023-12-12 *Blood In The Sea: The Dark History Of Hindu Oppression In Goa* by Dr Vinay Nalwa delves into the untold and often overlooked history of Goa, revealing a dark past marred by brutality and suppression. Dr Vinay Nalwa uncovers the systematic persecution faced by the Hindu community throughout centuries of invasions and colonial rule. This powerful book challenges readers to confront the uncomfortable truths behind Goa's picturesque facade, presenting a compelling narrative rooted in scholarly research and historical accuracy. An extraordinary and much-needed exploration of Goa's forgotten past, Dr Vinay Nalwa's meticulous research and passionate writing shed light on the painful and often ignored history of Hindu oppression. An absolute must-read for those who seek the truth beyond popular narratives. A powerful and eye-opening book that challenges conventional history. The depth of research is commendable, and the writing is impactful. At times, the narrative can be dense with information, but it's undoubtedly an essential read for those who want to know the real

story of Goa An engaging and well researched work that brings to light a dark chapter often overlooked Dr Nalwa s commitment to revealing historical truths is admirable While some parts felt slightly repetitive the overall impact of the book is profound and enlightening A thought provoking book that addresses an important topic but the writing style can be a bit heavy at times Some sections felt overly detailed which made it a slow read for me Still it s a valuable addition to historical literature on Goa Absolutely brilliant Dr Nalwa s dedication to uncovering the suppressed history of Goa is truly admirable This book is not just informative but also deeply moving It challenges readers to reflect on the hidden stories of the past and their relevance today Highly recommended *Social and Economic History of Early Deccan* Aloka Parasher-Sen,1993

Iranian Women and Gender in the Iran-Iraq War Mateo Mohammad Farzaneh, 2021-02-22 Eighteen months after Iran's Islamic Revolution in 1979 hundreds of thousands of the country's women participated in the Iran Iraq War 1980-88 in a variety of capacities Iran was divided into women of conservative religious backgrounds who supported the revolution and accepted some of the theocratic regime's depictions of gender roles and liberal women more active in civil

society before the revolution who challenged the state's male dominated gender bias. However both groups were integral to the war effort serving as journalists, paramedics, combatants, intelligence officers, medical instructors and propagandists. Behind the frontlines women were drivers, surgeons, fundraisers and community organizers. The war provided women of all social classes the opportunity to assert their role in society and in doing so they refused to be marginalized. Despite their significant contributions women are largely absent from studies on the war. Drawing upon primary sources such as memoirs, wills, interviews, print media coverage and oral histories, Farzaneh chronicles in copious detail women's participation on the battlefield, in the household and everywhere in between.

The Economic History of India, 2023-07-30. The economic history of early India is a rich and diverse area of study covering agricultural developments, trade, markets, occupation and professional groups, urbanization and the institutions that govern the economy. Recent research has expanded our understanding of the processes of transformation of the economy in different temporal contexts within the Indian subcontinent. They have particularly led us to explore connected histories given the trans-continental trading networks and movements of people from very early times. This volume seeks to draw attention to this vast and unexplored terrain in the economic history of early India by bringing together essays on a new and rich historiography. Essays in the volume cover neglected regions, economic processes and structures. Scholars have looked at questions of settlements, crops that were cultivated and market orientation. Essays cover material culture and provide insights into how early Indians lived, what kinds of activities they were engaged in and how they organised their production activities within and outside domestic spaces. Further, the volume brings new insights on hierarchy of settlement types, nature of exchange and the significance of a nodal site in exchange networks. Maritime history as well as the understanding of trade in its varied forms and manifestations are covered in several essays.

Hoysala Sculptures Konakondala Padmanabha, 1989. The Hindu Monastery in South India Nalini Rao, 2020-09-21. Drawing on both textual and archaeological evidence, this study offers an integrated approach to scholarly debates on monasteries and guru relics in South India between the fourteenth and seventeenth centuries. This study analyzes the role of the guru in the development of Hindu monastic orders from centers of education to institutions of traditional authority. Focusing on the complex socio-religious context of the whole body icon, the author analyzes the relic as a nexus of contradictions surrounding sacredness and death.
