Legacies of Incarceration Kelli Y. Nakamura, 2025-10-31 Legacies of Incarceration provides a holistic view of the incarceration experience of Hawai'i's Japanese by exploring the factors that shaped the circumstances of confinement on each island before during and after World War II This book examines residents' experiences on Hawai'i Island Maui Molokai Lanai Kauai and Oahu expanding beyond an Oahu-centric urban focus to highlight the community impact of incarceration It addresses the specific conditions and challenges inmates encountered on each island before they were released transferred to Oahu and sent either to Honouliuli or incarceration centers on the American continent Notably the prewar influence of

the United States military and the plantations shaped the evolution of the distinctive and inconsistent incarceration policies across the islands resulting in a diversity of inmate experiences The author s archival research in both English and Japanese reveals these varied perspectives and includes sources such as inmate oral histories diaries newspaper interviews songs and poetry found in Hawai i California Washington D C Maryland and Hiroshima Japan With the conclusion of the war authorities lifted military regulations and released the remaining prisoners However the impact of war and incarceration continued to reverberate throughout Hawai i The chronology ends with the economic political and social ascension of the Nisei in the mid 1900s during the Democratic Revolution detailing the divergent fates of celebrated Nisei veterans and the devastated former inmates It also invites further research and critique of the outsized impact residents of Japanese ethnicity in Hawai i continue to wield As its title suggests this book ultimately documents the enduring legacies of war that still deeply resonate in various communities within the Islands and beyond illuminating the impacts of wartime racism *The Plantation* Edgar Tristram Thompson,1957 Hawaiian History Richard Lightner,2004-08-30 Hawaii has been referred to as the crossroads of the Pacific This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii s unique history This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii s annexation to the United States Topics include politics religion social issues business ethnic groups and race relations The Ethnic Studies Story Ibrahim G. Aoude,1999-04-01 This volume situates the rise of ethnic studies in the context of Hawai i s political and economic development **Barack Obama, The Aloha Zen President** Michael Haas,2011-01-19 With a foreword written by former presidential candidate Michael Dukakis this book portrays President Barack Obama as a true child of Hawai i and explains why he believes that America can achieve even more greatness by learning from the multicultural customs of the 50th state Obama s aspiration to transform the United States using Hawai i as his model has been a conspicuous theme in his books and speeches over the years In them he extols Hawai i s multicultural ethos describing how a normative problem solving mindset predicated on mutual respect and harmonious interchange is inculcated in the culture politics and society of the Islands Indeed this Aloha Spirit is imbued in Barack Obama is part of what made him irresistibly charismatic as a candidate and explains why voters in 2010 were baffled at his demeanor after he became the 44th President of the United States This unique book examines Obama s decisions as an adult and as president and exposes how they are directly linked to the culture of Hawai i and Obama s multicultural life as a child The author and contributors also describe the ways in which native Hawaiians were dispossessed of their sovereignty and their land how they steadfastly sought justice and how their quest served as a model for Obama s mobilization of support for his candidacy
