

SOCIAL PROBLEMS

DEFINITION

Social problems are issues that harm a group of people in the society. They refer to:

"Social conditions, processes, societal arrangements or attitudes that are commonly perceived to be undesirable, negative, and threatening certain values or interests..." (Jamrozik & Nocella, 1998, p. 1)

EXAMPLES

1. Racial discrimination
2. Healthcare inequalities
3. Political displacement
4. Corruption
5. Social isolation
6. The glass ceiling
7. The gender pay gap
8. Ageism
9. Gerrymandering

Social Structure And Social Problems In America

Leonard Beeghley

Social Structure And Social Problems In America:

Social Structure and Social Problems in America D. Stanley Eitzen, 1974 **Social Problems in America** Jonathan H. Turner, 1977 *Social Structure and Social Interaction* Readale Collier, 2018-07-28 The question needs to ponder over as we have entered in the new millennium On what way we are going What is the nature of social transformation What socio economic forces and value systems are emerging in the country Keeping in view the expected consequences of socio economic development as an instrument of change in the structure and culture the present book mainly deals with Social Structure and Social Interaction This book provides valuable insights into social structure and change in a complex society Well researched and lucidly written this volume will be widely welcomed by all those involved in the study of sociology social anthropology and social change This book is of great help and utility to all those who are interested in knowing the changing social structure *The Cambridge Handbook of Social Problems: A* Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research **Social Problems** Anna Leon-Guerrero, 2013-04-03 Empower your students to become part of the solution With a clear and upbeat voice this thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fourth Edition of this popular book goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope **How Can We Solve Our Social Problems?** James A. Crone, 2010-05-13 Updated with recent issues such as the national debate on health care reform this Second Edition of *How Can We Solve Our Social Problems* gives students a sense of hope by demonstrating specific realistic steps we can take to solve some of the most pervasive social problems in America today Author James Crone maintains a sense of sociological objectivity throughout and helps students realize that we can take steps to solve such key social problems as poverty racial and ethnic inequality unequal education and environmental issues The book's first two chapters define social problem provide a theoretical background discuss the daunting barriers we face in attempting to solve social problems and demonstrate how sociology can help *Social Problems and Social Movements* James DeFronzo, Jungyun

Gill,2019-03-20 Intended as the primary text for a social problems course DeFronzo and Gill's Social Problems and Social Movements stresses the need for collective action and social movements to solve social problems Both instructors and students will find this a useful framework in which to view today's most pressing social issues Chapter 1 introduces the topic of social problems Chapter 2 explains how social movements address social problems and describes sociological explanations for the development of social movements Chapter 3 describes the power frameworks that participants in social movements must deal with in order to achieve success Each following chapter presents overviews of social problems and provides examples of how working together can bring about positive change Social Movements and Special Topics boxes provide information on aspects of specific social problems as well as how people organize and work together to solve them *On Social Structure and Science* Robert K. Merton,1996-09-15 Robert K Merton is unarguably one of the most influential sociologists of his time A figure whose wide ranging theoretical and methodological contributions have become fundamental to the field Merton is best known for introducing such concepts and procedures as unanticipated consequences self fulfilling prophecies focused group interviews middle range theory opportunity structure and analytic paradigms This definitive compilation encompasses the breadth and brilliance of his works from the earliest to the most recent Merton's foundational writings on social structure and process on the sociology of science and knowledge and on the discipline and trajectory of sociology itself are all powerfully represented as are his autobiographical insights in a fascinating coda Anchored by Piotr Sztompka's contextualizing introduction Merton's vast oeuvre emerges as a dynamic and profoundly coherent system of thought a constant source of vitality and renewal for present and future sociology *The Structure of Social Stratification in the United States, The, CourseSmart eTextbook* Leonard Beeghley,2015-10-05 This book distills out of the rich vein of sociological research some of what is known about the structure of stratification in the United States It emphasizes the importance of power for understanding the structure of stratification **Social Problems across the Life Course** Helena Z. Lopata,Judith A. Levy,2003-09-03 The human life course is filled with and subject to a wide range of personal difficulties many of which are shared by others Life events and processes such as birth childhood training for and entering an occupation marriage and procreation growing older death and dying are all subject to dilemmas obstacles and barriers Social Problems across the Life Course offers accessible readings that examine the societal construction of social problems out of the personal troubles that people confront at major life stages The essays provide an overview and illustrate the theory and principals that inform both the life course and social problems Introductions by the editors vividly introduce the research and key theories in this unique anthology perhaps the only one available to help students understand how life stages and personal and social problems interact **The Sociology of Social Problems** Adam Jamrozik,Luisa Nocella,1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and

are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses *Investigating Social Problems* A. Javier Trevino,2017-12-21

A Javier Trevi o working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic and the unique contributed format ensures that the research and examples provided are the most current and relevant available The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems *Handbook of Community Movements and Local Organizations in the 21st Century* Ram A. Cnaan,Carl Milofsky,2018-05-22 This new handbook builds on The Handbook of Community Movements and Local Organizations published in 2007 and is the only resource defining the field of study related to small nonprofit organizations and to studying communities from the standpoint of associations that make up communities It explores the history and conceptualizations of community theoretical concepts in community organizations social movements ranging from health to crime and community practice methods Further it provides authoritative statements of major theory areas gives examples of different sub areas of the field provides guidance to people working as practitioners in the field and nicely coincides with the increasing interest in clinical sociology This handbook is of great interest to academics students and practitioners with an interdisciplinary resource to understand and collaborate in work with contemporary communities [Catalog of Copyright Entries. Third Series](#) Library of Congress.

Copyright Office,1978 **Encyclopedia of Social Problems** Vincent N. Parrillo,2008-05-22 From terrorism to social inequality and from health care to environmental issues social problems affect us all The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives whether we confront them on a personal local regional national or global level *A Sociological Approach to Social Problems (RLE Social Theory)* Noel Timms,2014-08-07 The topics covered in this book are directly related to much of the misunderstanding of what sociology is about It is usual nowadays to label as sociological any discussion concerned however loosely with Society But a careful reading of Mr Timms treatment of the problem areas he has chosen should make clear the difference between this use of the adjective in everyday speech and its more vigorous technical use In dealing with his subject Mr Timms makes use of the concepts of sociology such as role norms social control class and family [Undergraduate Catalog](#) University of Michigan--Dearborn,2011 *Contemporary Readings in Social Problems* Anna Leon-Guerrero,2008-11-21 Companion reader

to Anna Leon Guerrero's Social Problems 2nd Edition Introduction to Global Social Problems Isaac Zvi Christiansen, 2025-09-08 Introduction to Global Social Problems introduces undergraduate students to national and international social problems from a critical sociological perspective. Isaac Zvi Christiansen presents clear descriptions of each social problem, explains key concepts, and provides students with the relevant theoretical tools needed to grasp the interconnected nature of these phenomena. This volume covers significant and interconnected issues. The book begins with an explanation of how corporate interests distort the depiction of social problems. Chapters 2 and 3 provide empirical explorations of poverty and inequality on national and global scales, together with clear and accessible expositions of relevant sociological theories. Chapter 4 examines health and educational inequalities exacerbated by the economic inequalities discussed in Chapters 2 and 3. Chapter 5 introduces students to issues of racial inequalities in the United States and abroad, while Chapter 6 takes a comparative approach to examining crime and criminal justice. Chapter 7 examines modern-day imperialism and war, with special attention given to the military industrial complex and a brief review of US interventions around the world in the twentieth and twenty-first centuries. Chapter 8 examines politics and human rights, including a critical historical and sociological analysis of Israeli settler colonialism and successive US-Israeli assaults on Gaza. The book closes with an examination of population and the environment, with special attention given to climate change and the pressing contradictions between capitalism and the environment. This textbook will be a vital resource for introductory students across the social sciences, especially in sociology, political science, and global studies. It provides critical wrap-around coverage of the momentous embedded social problems that interconnect across social, national, and regional boundaries.

Comparative Assessment of Social Issues in Africa, Latin America, and the Caribbean George K. Danns, Brenda I. Gill, 2023-07-10 Using a comparative framework, this edited volume evaluates pressing social issues facing African, Latin American, and Caribbean countries. Unique in its comparative and multi-regional perspective, this book provides a scholastic and practical understanding on questions ranging from governance and security to poverty, inequality, and population health.
