Social Work Practice British Association Of Social Workers Basw Practical Social Work S:

Ethics and Values in Social Work Sarah Banks, 2020-11-04 With over 40 000 copies sold across its lifetime this is social work classic from a leading international author Synthesizing the complex ideas and concepts that characterize social work s value base Sarah Banks expertly provides a clear and systematic account of professional ethics in relation to social work practice framed within a global context Ethics and Values in Social Work is co published with the British Association of Social Workers BASW and this fifth edition provides revised and updated analysis of professional regulation and codes of practice Written with Banks trademark accessibility and theoretical rigour this updated edition continues to be a relevant and invaluable resource for all students taking Ethics and Values modules at both undergraduate and postgraduate levels as well as educators and practitioners of social work New to this Edition Revised and updated analyses of professional regulations and codes of practices Updated case studies with an increased number of global examples of social work practice More cases featuring adults

A Practical Guide to Community Social Work Practice in the UK Colin Turbett, 2024-09-03 There has been a rebirth of interest in bringing community back into social work but what does community social work mean when applied to practice What are the opportunities in a landscape dominated by shrinking budgets with their attendant procedural and risk obsessed assessment and care management models In this accessibly written book Colin Turbett explores the erratic history of community social work He goes on to demonstrate through contemporary examples how this preventative and relationship based model can work for the individuals and communities served and also provide an answer to the recruitment and retention issues adversely affecting mainstream settings

Social Work Practice Jonathan Parker, 2017-04-29 This bestselling book will take you step by step through the four main aspects of social work practice Assessment Planning Intervention and Review giving you a complete foundation in each It will introduce you to each process in a clear and accessible way supporting you to both reflect on and apply what you have learnt in practice across settings and service user groups The book will provide you with a theoretical foundation from which you can explore other aspects of social work New to the fifth edition an ethnographic approach to social work focus on relationship and resilience revised exploration of the political context of social work updated emphasis on social justice and human rights

Social Work Practice with Children and Families Carolyn Spray, Beverley Jowett, 2011-11-15 Carefully researched and highly readable this textbook explores what enables good and effective practice in local authority field social work delivered to children young people and their families The book sets the context for local authority social work practice and then chapter by chapter takes the reader carefully through the social work process Detailed case studies work really well in embedding the legal and theoretical context firmly within the practice challenges of safeguarding children Overall the book is about social workers effecting change so that children can continue to live successfully with their families and within their communities Key features include Strong links between theory and practice Core themes relevant to training and practice assessment decision

making interprofessional collaboration and reflective practice Accessible and jargon free also includes a useful glossary of relevant legislation Learning points and case study exercises in each chapter Written in a lively and engaging style students and newly qualified social workers will find this book provides a helpful introduction to children and families local authority social work as it exists today It will be invaluable for students taking courses in child and family social work and child protection The book will also appeal to experienced practitioners who want to explore action research or create the space for reflective practice as part of their continuous professional development It will help other professionals involved in supporting children develop insight into the practice of social workers *Social Work in a Digital Society* Sue Watling, Jim

Rogers, 2012-05-18 This book will help students develop their understanding of how the internet is impacting on social work education and practice in 21st century Essential reading for students interested in the influence of digital technology and social media including the impact of digital divides this book looks at how the value base of social work can have a positive effect on service users and carers who engage with digital services **Ethics and Value Perspectives in Social Work** Mel

Gray, Stephen A. Webb, 2010-05-19 This agenda setting text explores a broad range of value perspectives and their impact on and contribution to social work thinking on ethics Including new perspectives such as Islam and drawing on international contributors this is essential reading for all social work students studying ethics and values **Practical Social Work**

Ethics Lorraine Green, Malcolm Carey, 2017-03-02 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging The book is divided into three key sections each introduced by the editors Past and Present Moral Practices with Children and Families Ethical Tensions Ambivalent Ethics and Adult Social Work Contesting Modernisation Each section covers a range of topics and poses difficult questions which link to ethical dilemmas or anxieties These are attached to themes such as whether culturally sensitive social work is always a good thing the implications of secrets and silence within inter generational families or the use of Controlled Treatment Orders or medical and social models within mental health social work Other chapters ask whether the many forms of user carer participation within social work education or practise are ethically viable explore the moral paradoxes which emerge when vested financial interest sometimes appear to eclipse users interests examine the implications of avoiding or uncritically deploying touch in social work care or consider the many moral implications of institutional abuse within social work With a focussed and clear writing style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role *Critical Social Work with Children and Families* Steve Rogowski, 2024-02-27 In dealing with individual

problems and difficulties critical social work CSW is an emancipatory practice which seeks to address social injustice In this

book the author draws on almost 40 years experience as a social worker to consider CSW in core areas of practice with children and families Fully updated to cover the impact of austerity Brexit the COVID 19 pandemic and cost of living crisis this accessible textbook is essential reading for students educators and practitioners of child and family social work It features clearly signposted theory and practice sections over 10 case studies including those drawn from the author's experience end of chapter Key points summaries further reading suggestions With expanded coverage of race and intersectionality contextual safeguarding and critical child protection the book champions the development of resilient social workers working towards a more just and equal world

Social Work Reflections Neil Thompson, Sarah Vicary, 2025-11-24 This book stands out for its integration of knowledge from lived experience inclusive practice and compassionate pedagogy making it essential reading for students and practitioners alike Lucy Basterra Senior Lecturer in Social Work University of Brighton UK I wholeheartedly recommend this book to anyone committed to reflective ethical and compassionate social work practice Gwenan Prysor Senior Lecturer in Social Work Bangor University UK Social Work Reflections is a compelling testament to the significance and impact of social work Recognizing the challenges practitioners face in an increasingly complex and evolving field this edited collection brings together diverse perspectives from educators practitioners and managers to showcase the vital role social workers play in advancing social justice and safeguarding society's most vulnerable members Drawing on the expertise of academics practitioners and individuals with the lived experience of social work services this book aims to inspire progress and empower students practitioners and managers at all levels of study and practice by emphasizing their value as drivers of individual and collective change The book Emphasizes the core values of social work social justice dignity and compassion Integrates theoretical insights with lived experiences from diverse contributors enriching nuanced areas of practice Encourages development of critical thinking and reflection skills Offers encouragement to practitioners managers and students striving to achieve positive outcomes under challenging circumstances Social Work Reflections is the essential companion for students newly qualified social workers practitioners and managers Of value to anyone considering a career in social work this book reaffirms the crucial role social work plays in building a more just and compassionate society Neil Thompson is an award winning writer and educator and a visiting professor at the Open University and Wrexham University UK Sarah Vicary is Professor of Social Work and Mental Health at The Open University UK

Values and Ethics in Social Work Chris Beckett, Andrew Maynard, 2012-11-13 What are my values What are the values of others around me What are the values and ethics of the social work profession An awareness of our own ethical assumptions and how these inform our practice is crucial for the student social worker The second edition of this bestselling book is now split into two parts Part 1 considers the foundations of every person's values and provides a background to moral philosophy Part 2 examines key ethical issues and how they determine practice such as using power allocating resources treating others with respect and celebrating diversity For the second edition two new chapters have

been added to the book on The political dimension in ethical decision making Realism as a guiding ethical principle Written in a uniquely straightforward style everyday social work practice is the key focus throughout Every chapter includes interactive exercises and case studies challenging you to reflect on a range of practical dilemmas Visit the accompanying companion website for videos of the authors discussing the issues covered in each chapter of the book These short clips will aid and enhance your understanding of the importance of values and ethics in each area of social work Chris Beckett and Andrew Maynard s book is essential reading for all undergraduate and postgraduate social work students

The Social Work Assignments Handbook Sarah Foote, Anne Quinney, Matt Taylor, 2015-10-01 The Social Work Assignments Handbook is the complete guide to preparing for carrying out and writing up a social work assignment or project Designed to support students through their assignments from beginning to end each stage is fully explained through friendly advice and practical guidance so that students can feel confident in their work whether they re writing up quantitative research findings or carrying out a literature review

The New Social Work Practice Mark Doel, Steven Shardlow, 2019-05-23 First published in 1998 this book is a fully revised and updated edition of Social Work Practice first published in 1993 as a training manual The New Social Work Practice presents a comprehensive view of contemporary social work Whether it be general or specialist practice care and control or power and oppression these central issues and recurring themes are given a topical treatment Changes in core aspects of social work are fully explored in lively and realistic ways combining the essence of good practice with current organizational demands The aim of the original workbook remains intact to guide and stimulate learning about social work practice The book achieves this purpose by presenting various aspects of social work using different settings and contexts New and revised activities are included to promote discussion understanding learning and better practice Taken together the topics and themes in the book define the essential elements of a curriculum for social work practice

Contemporary Social Work Practice: a Handbook for Students Barbra Teater, 2014-04-16 This exciting new book provides an overview of fifteen different contemporary social work practice settings spanning across the statutory voluntary private and third sectors It serves as the perfect introduction to the various roles social workers can have and the numerous places they can work equipping students with the knowledge skills and values required to work in areas ranging from mental health to fostering and adoption and from alcohol and drug treatment services to youth offending Each chapter provides An overview of the setting including the role of the social worker how service users gain access to the service and key issues definitions or terms specific to the setting Legislation and policy guidance related to the specific setting The key theories and methods related to the setting Best practice approaches and the benefits and challenges of working within the setting Case examples illustrating the application of the information to practice Social work students will find this an invaluable handbook that they will refer to time and again throughout their education and into their assessed and supported year of employment Contributors Mark Baldwin Jo Bell Jenny Clifford Jill Chonody Clare Evans Benedict Fell Alinka Gearon

Issy Harvey Caroline Hickman Tony Jeffs Debbie Martin Malcolm Payne Justin Rogers Sue Taplin Barbra Teater John Watson Michele Winter It is an excellent student introduction to this diverse profession Full of information that provides a thought provoking read Andrew Ellery Social Care Professional This book really is an excellent resource for social work students at an introductory level and for preparation for placement levels It provides a comprehensive overview of a range of service user groups as well as specific issues such as domestic violence homelessness and substance use Each section is structured around the policy and legislative context and includes comment on theory challenges and anti oppressive practice with case examples to aid learning The focus on the settings within which social work is practiced is particularly welcome and provides an essential companion to introductory books which look more at values professional behaviour and skills The range of different settings covered provides excellent preparation for students about to start a placement The sections on rehabilitation of offenders and self harm highlight topics that are often given less attention but may well be encountered by students on placement I will certainly be including this book as essential reading for students on introductory and practice preparation modules Allan Rose Social Work Lecturer Brunel University UK

Working with Risk Hazel Kemshall, Bernadette Wilkinson, Kerry Baker, 2013-10-30 Assessing and managing risk is a daily challenge for social workers Working with risk can be anxiety provoking and demanding requiring great skill and high levels of confidence In these complex situations social workers have to work hard to get the balance right This innovative book focuses on the development and use of skills for work with risk Using a range of case studies examples and reflective exercises the authors examine the key skills required to work effectively with risk Various chapters focus on assessment skills gathering and evaluation of information decision making challenges and ethical issues Recognising the difficulties presented in the context of busy statutory work there is a strong focus on practical skills and tips for improving risk management plans The book also pays careful attention to the emotional impact of working with risk with a final chapter on the management of self in the challenging and sometimes distressing world of social work Written in a reader friendly accessible style the book will be essential reading for students and staff across a range of social work settings including community care adult services child protection and mental health

Organisations and Management in Social Work Mark Hughes, Michael Wearing, 2012-11-12 The second edition of Organisations and Management in Social Work examines the complex organisational settings in which social workers practice and identifies opportunities for taking action for positive change A robust critique of organisational practices is encouraged throughout the book with an emphasis on active participation in the everyday life of organisations The new edition covers Leadership and supervision Inter agency and inter disciplinary working Ethical practice and decision making Communication and the emotional life of organisations Each chapter includes updated practice examples and reflective questions so readers can apply the knowledge learned to real life practice It will be essential reading for undergraduate and postgraduate students of social work The book will also be a valuable text for front line

practitioners and managers wishing to understand the organisational context of social work **Ethics** Leathard, Audrey, McLaren, Susan, 2007-01-10 While ethics has been addressed in the health care literature relatively little attention has been paid to the subject in the field of social care This book redresses the balance by examining theory research policy and practice in both fields The analysis is set within the context of contemporary challenges facing health and social care not only in Britain but internationally Contributors from the UK US and Australia consider ethical issues in health and social care research and governance interprofessional and user perspectives ethics in relation to human rights the law finance management and provision key issues of relevance to vulnerable groups such as children and young people those with complex disabilities older people and those with mental health problems and lifecourse issues ethical perspectives on a range of challenging areas from new technologies of reproduction to euthanasia This book is intended for academics students and researchers in health and social care who need an up to date analysis of contemporary issues and debates It will also be useful to practitioners in the public private and voluntary sectors including social workers community workers those working in the fields of disability and mental health and with older people *Professional Curiosity in Safeguarding Adults* Ann Anka, Helen Thacker, Bridget Penhale, Walter Lloyd-Smith, Becky Booth, 2025-04-25 This is an essential text for students at all levels studying social work nursing and allied health and social care focusing on the need for professional curiosity and partnership work in safeguarding adults Professional curiosity is a vital element of professional health and social care practice yet information and guidance are scarce Considering the post pandemic landscape and the legal policy context of partnership work this text provides a detailed examination around definitions of professional curiosity and what those mean in practice in relation to vulnerable adults Real life examples are woven throughout based on serious case reviews safeguarding adults reviews domestic homicide reviews and extensive research and there are numerous opportunities for readers to test their knowledge and skills *Skills for Social Work Practice* Andy Mantell, 2013-09-25 Social work skills are essential to good practice and more important than ever following changes to the social work curriculum Students must be able to demonstrate knowledge of core skills within policy law as well as demonstrating empathy and good communication This fully revised student guide previously published as *Social Work Skills with Adults* will help to cement these skills and includes chapters on intervention empowerment and advocacy skills for collaborative working self presentation and much more This book will equip social work students with the skills to meet the new and perennial challenges to achieving empowering practice with carers and people who use services There are chapters on working with families communities and individuals and how social policy affects all of these groups Case studies and reflective exercises are used throughout to explore these issues and help link theory to practice **Supervision in Social Work** Liz Beddoe, Jane Maidment, 2017-10-02 Supervision is currently a hot topic in social work The editors of this volume both social work educators and researchers believe that good supervision is fundamental to the development and maintenance of effective practice in social work

Supervision is seen as a key vehicle for continuing development of professional skills the safeguarding of competent and ethical practice and oversight of the wellbeing of the practitioner As a consequence the demand for trained and competent supervisors has increased and a perceived gap in availability can create a call for innovation and development in supervision This book offers a collection of chapters which contribute new insights to the field Authors from Australia and New Zealand where supervision inquiry is strong offer research informed ideas and critical commentary with a dual focus on supervision of practitioners and students Topics include external and interprofessional supervision retention of practitioners practitioner resilience and innovation in student supervision This book will be of interest to supervisors of both practitioners and students and highly relevant to social work academics This book was originally published as a special issue of Australian Social Work

Using Advocacy in Social Work Practice Peter Scourfield, 2021-03-07 This book explains different types of advocacy and the various ways in which advocacy is used in social work making links with core social work concepts such as empowerment safeguarding and rights Tracing how the use of advocacy is mandated in professional social work guidance and codes of practice as well as in legislation such as the Care Act 2014 and the Mental Capacity Act 2005 this book Explores definitions of advocacy discusses what it can achieve and explains the different uses of advocacy in social work Covers the necessary knowledge skills and values that social workers need in order to advocate effectively in their own practice Discusses critically what independent advocacy is and explains why it has become an integral part of contemporary social work Examples are provided of where independent advocacy plays an important role in different areas of social work Explains what social workers need to know about working effectively with different types of advocates Encourages critical reflection on the relationship between social work and independent advocacy and flags debates and issues relating to the use of advocacy in social work Aimed at social work students and social work professionals this book provides an excellent introduction into a topic which is highly relevant to social work using case studies and activities to aid understanding

Social Work Practice British Association Of Social Workers Basw Practical Social Work S Introduction

In today's digital age, the availability of Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Work Practice British Association Of Social Workers Basw Practical Social Work S versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download are incredibly convenient. With just a computer or

smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Work Practice British Association Of Social Workers Basw Practical Social Work S books and manuals for download and embark on your journey of knowledge?

FAQs About Social Work Practice British Association Of Social Workers Basw Practical Social Work S Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Work Practice British Association Of Social Workers Basw Practical Social Work S is one of the best book in our library for free trial.
