The Benjamin Rose Institute
Cleveland, Ohio*

ANN BURACK-WEISS, M.S.S.W.

*Training Consultant
Brookdale Institute on Aging and Adult Human Development
Lecturer, Columbia University School of Social Work
Columbia University
New York, New York*

With a Chapter by
Mario Tonti, D.S.W.

In this text, the authors examine the problems of the frail elderly, explicate the practice skills required in addressing these problems, and introduce the auxiliary function model. Primarily intended for social work practitioners and students, other professionals who work closely with the elderly — physicians, nurses, teachers, researchers — also will find the book useful.

Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model:

Social Work Practice with the Frail Elderly and Their Families Barbara Silverstone, Ann Burack-Weiss, Mario Tonti, 1983 **Gerontological Social Work in Small Towns and Rural Communities** Lenard W Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Gerontological Social Work Supervision Carlton Munson, Ann Burack Weiss, Frances C Brennan, 2014-02-25 This unique book clearly depicts a need for supervision in gerontological social work settings and provides a framework for approaching supervision Grounded in two distinct bodies of literature social work supervision and gerontological social work this important book thoroughly examines present gerontological practice and principles and focuses on the stages and styles of

helping and teaching case workers to improve agency efficiency Gerontological Social Work Supervision assumes some gerontological knowledge and experience with aging on the part of the supervisor yet provides an abundance of informative and practical methods to aid agency success rates with their clients The authors discuss the supervisory position as a positive asset in all aspects of case work and management Throughout the chapters the value of a supervisor is compounded whether the supervisor is helping a worker in seeing a broader scope of the field of social work with the elderly providing guidance through gray areas of ethics or teaching practice skills for work with individuals groups or families the need for an involved and prepared case worker supervisor becomes increasingly clear through the theories and scenarios presented Extensive examples and helpful considerations make this an invaluable book for agency supervisors and workers An entire chapter is devoted to providing supervision in the educational arena promoting a greater awareness of gerontological social work in students preparing for the field The appendices are packed with lists of additional works on supervision in social work bibliographies of selected readings in case management entitlement long term care and family caregiving *Mental Health and the Elderly* Francis J. Turner, 2010-06-15 The demographic shift to a much older population is having a large impact on social work professionals who have traditionally been the primary caretakers of the elderly As more people are living into advanced old age it is becoming increasingly important to understand and treat the wide range of psychological disorders which may affect them rather than simply attributing the disorders to senescence as was frequently done in the past *Mental Health and the Elderly A Social Work Perspective* is a comprehensive guide to diagnosis and treatment of the range of disorders affecting the elderly **New Developments in Home Care Services for the Elderly** Lenard W Kaye, 2013-11-19 This anthology responds to the recurring call for quality in home care service provision It presents to agency administrators managers supervisors and front line service providers a set of the most up to date policy program and practice developments in the field Each contributor to *New Developments in Home Care Services for the Elderly* explores issues of client staff diversity and the challenges associated with working with clients grappling with disabling conditions Contributors in *New Developments in Home Care Services for the Elderly* explore issues of client staff diversity and the challenges associated with working with clients grappling with various disabling conditions Topics addressed include alternative organizational models in home care the importation of high technology services into the home legal and ethical issues in home health care counseling homebound clients and their families clinical assessment tools and packages case management and the home care client home care entitlements and benefits evaluating and monitoring the effectiveness of in home care marketing home health care services home care service experiences in other countries *New Developments in Home Care Services for the elderly* covers a continuum of care ranging from housekeeping services to self care education teaching and training services to nursing and medically related services Consequently the information contained within this volume is of immediate relevance to a multidisciplinary audience having both direct field and indirect office service responsibilities in the home care

organization Social workers nurses business administrators and public health professionals will find this an invaluable guide for providing effective home care services Ageing with a Lifelong Disability Christine Bigby,2004 This guide provides specialist knowledge about ageing with a disability in the context of the more mainstream knowledge about ageing processes Dr Bigby uses the concept of successful ageing as a framework in which to consider the issues and practicalities for older people with a pre existing disability **Teaching Gerontological Social Work** ,1999 *Confused Minds, Burdened Families* ,1990 **The Forgotten Aged** T.L. Brink,2020-03-12 This helpful book explores mental health issues relating to elders who do not fit into the usual mold for research white married or widowed urban or suburban persons with adult children The Forgotten Aged focuses on those groups of elders often overlooked in gerontological literature elder African Americans rural aged gay and lesbian aged parents of developmentally disabled offspring older developmentally disabled persons themselves and orphan elders those who do not have close family members who can serve as caretakers The book offers how to advice on issues such as outreach intervention residential placement and transition assessment psychotherapy and team building to help readers learn effective ways of helping elderly persons from these various groups With an optimistic tone it explores how more attention and resources combined with flexible modifications of programs and practices can yield favorable results for everyone involved In The Forgotten Aged authors examine a variety of pertinent topics including assessment of dementia and depression in African Americans multidisciplinary team outreach to elderly living in rural areas therapeutic issues with gay and lesbian aged residential transitions for developmentally disabled elderly helping aging parents of developmentally disabled offspring intervention with orphan elderly with Alzheimer s diseaseSocial workers psychologists psychiatrists geriatricians nurses and counselors involved in providing support and care for elderly persons will find The Forgotten Aged a useful guide in their daily work and decisionmaking This book can also serve as an enlightening supplementary text in courses that study aging and the elderly *Clinical Social Work Practice with the Elderly* Marion L. Beaver,Don Miller,1992 *The Lioness in Winter* Ann Burack-Weiss,2015-10-13 When she started working with the aged more than forty years ago Ann Burack Weiss began storing the knowledge and skills she thought would help when she got old herself It was not until she hit her mid seventies that she realized she had packed sneakers to climb Mount Everest not anticipating the crevices and chasms that constitute the rocky terrain of old age The professional gerontological and social work literature offered little help so she turned to the late life works of beloved women authors who had bravely climbed the mountain and sent back news from the summit Maya Angelou Colette Simone de Beauvoir Joan Didion Marguerite Duras M F K Fisher Doris Lessing Mary Oliver Adrienne Rich May Sarton and Florida Scott Maxwell were among the many guides she turned to for inspiration In The Lioness in Winter Burack Weiss blends an analysis of key writings from these and other famed women authors with her own wisdom to create an essential companion for older women and those who care for them She fearlessly examines issues such as living with loss finding comfort and joy in unexpected places and facing disability and

death This book is filled with powerful passages from women who turned their experiences of aging into art and Burack Weiss ties their words to her own struggles and epiphanies framing their collective observations with key insights from social work practice

Gerontological Social Work Robert Lawrence Schneider, Nancy P. Kropf, 1992 **Confused minds, burdened families : finding help for people with Alzheimer's and other dementias.** , Handbook of Gerontological Services Abraham Monk, 1985 *Integrating Gerontology Into the BSW Curriculum* Robert Lawrence Schneider, Nancy P. Kropf, 1989 A Call for Action United States. Congress. Pepper Commission, 1990 *Preparing Professionals for Geriatric Practice in Social Welfare Settings* Jeanette C. Takamura, Pamela Sumie Kimura, 1989 Work with Older People Irene A. Gutheil, 1994

The increasing need for trained and knowledgeable service providers to work with the aging has been well documented in recent studies Gutheil writes in her introduction growth in the number and proportion of older persons is one of the most dramatic and influential developments of this century and we must anticipate and address the needs of this burgeoning older population One anticipated result of the increasing numbers of older persons especially the oldest old is an unprecedented demand for support services for older people and their families By bringing together practitioners and educators active in the field of elder care this book examines current concerns and practice issues Several topics now receiving considerable attention in the fields of aging and social work such as elder abuse ethical issues in long term care the challenges of interdisciplinary teamwork and the impact of our current economic environment on social agencies are brought together for the first time in this volume Timely chapters incorporate current thinking on concerns professionals struggle with on a daily basis The chapters reflect the remarkable diversity of the challenges and opportunities in work with older people Some of these challenges are frustrating some invigorating there are many opportunities for stimulating and gratifying practice A valuable tool for both classroom use and for professionals in direct practice the book contains two sections the first provides foundation knowledge essential for work with older people and their families the second examines current issues in the field of aging There are the kinds of complex issues that confront professionals in social work gerontology counseling and other fields with a commitment to serving older people and their families

Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model has opened up a world of possibilities. Downloading Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model provides numerous advantages over physical copies of books and

documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model is one of the best book in our library for free trial. We provide copy of Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Work Practice With The Frail Elderly And Their Families The Auxiliary Function Model.
