

The
Social
Experience

Social Experience

Kirsten Hastrup, Peter Hervik

Social Experience:

Social Experience and Anthropological Knowledge Kirsten Hastrup, Peter Hervik, 2003-12-16 Anthropology poses an explicit challenge to standard notions of scientific knowledge. It claims to produce genuine insights into the workings of culture in general on the basis of individual social experience in the field. Social Experience and Anthropological Knowledge traces the process from the ethnographic experience to the analytical results showing how fieldwork enables the ethnographer to arrive at an understanding not only of culture and society but also of the processes by which cultures and societies are transformed. The contributors challenge the distinction between subjectivity and objectivity, redefine what we should mean by empirical, and demonstrate the complexity of present-day epistemological problems through concrete examples. By demystifying subjectivity in the ethnographic process and re-emphasizing the vital position of fieldwork, they do much to renew confidence in the anthropological project of comprehending the world.

Dementia as Social Experience

Gaynor Macdonald, Jane Mears, 2018-07-26 A diagnosis of dementia changes the ways people engage with each other for those living with dementia as well as their families, caregivers, friends, health professionals, neighbours, shopkeepers, and the community. Medical understandings necessary as they are, provide no insights into how we may all live good lives with dementia. This innovative volume brings together an interdisciplinary group of researchers and practitioners to focus on dementia as lived experience. It foregrounds dementia's social, moral, political, and economic dimensions, investigating the challenges of reframing the dementia experience for all involved. Part I critiques the stigmas, the negativity, language, and fears often associated with a dementia diagnosis, challenging debilitating representations and examining ways to tackle these. Part II examines proactive practices that can support better long-term outcomes for those living with dementia. Part III looks at the relational aspects of dementia care, acknowledging and going beyond the notion of person-centred care. Collectively, these contributions highlight the social and relational change required to enhance life for those with dementia and those who care for them. Engaging in a critical conversation around personhood and social value, this book examines the wider social contexts within which dementia care takes place. It calls for social change and looks for inspiration to the growing movement for relational care and the caring society. Dementia as Social Experience is important reading for all those people who in various ways are living with dementia as well as for those working in this area as clinicians, researchers, and carers.

Music:

Music: A Social Experience Steven Cornelius, Mary Natvig, 2018-09-03 By taking a thematic approach to the study of music appreciation, *Music: A Social Experience*, Second Edition, demonstrates how music reflects and deepens both individual and cultural understandings. Musical examples are presented within universally experienced social frameworks: ethnicity, gender, spirituality, love, and more, to help students understand how music reflects and advances human experience. Students engage with multiple genres: Western art music, popular music, and world music through lively narratives and innovative activities. A companion website features streaming audio and instructors' resources. New to this edition: Two additional chapters, *Music*

and the Life Cycle and Music and Technology Essay questions and key terms lists at the ends of chapters Additional repertoire and listening guides covering all historical periods of Western art music Expanded instructors resources Many additional images Updated student web materials Visit the companion website www.routledge.com/cw/cornelius **Bullying as a Social Experience** Todd Migliaccio, Juliana Raskauskas, 2016-03-03 Bullying as a Social Experience presents data from both the US and New Zealand and draws on past research from around the world to show how social context and factors shape individuals behaviors and experiences By engaging with bullying from a sociological framework it becomes clearer how bullying occurs and why it persists throughout a society whilst also allowing for the development of means by which the social factors that support such behavior can be addressed through intervention An empirically rich and engaged analysis of the social factors involved in bullying at group school and community levels Bullying as a Social Experience will be of interest not only to social scientists working on the study of childhood and youth bullying and cyber bullying but also to educators and practitioners seeking new approaches to the prevention of bullying as each chapter contains discussions concerning intervention and prevention practices and programs

Early social experience: Impact on early and later social-cognitive development Caroline Junge, Marlene Meyer, Sarah A. Gerson, 2023-09-07 **Social Robotics** Shuzhi Sam Ge, Oussama Khatib, John-John Cabibihan, Reid Simmons, Mary Anne Williams, 2012-11-04 This book constitutes the refereed proceedings of the 4th International Conference on Social Robotics ICSR 2012 held in Chengdu China in October 2012 The 66 revised full papers were carefully reviewed and selected from numerous submissions The papers are organized in topical sections on affective and cognitive sciences for socially interactive robots situated interaction and embodiment robots to assist the elderly and persons with disabilities social acceptance of robots and their impact to the society artificial empathy HRI through non verbal communication and control social telepresence robots embodiments and networks interaction and collaboration among robots humans and environment human augmentation rehabilitation and medical robots I and II

Philosophical Perspectives on Qualitative Psychological and Social Science Research Paul M. W. Hackett, Gillie Gabay, Christopher Hayre, 2023-10-25 **Social and Moral Theory in Casework (Routledge Revivals)** Raymond Plant, 2009-07-15 First published in 1970 the aim of the book is to map the logical geography of an important set of concepts which enter into the theory of social casework those concerning the individual and society Concepts examined include the individually orientated values of self direction and acceptance and those of role adjustment and integration which express the individual's relation to society The author's main concern is to see whether a coherent theory of the relationship between individual and society can be given in terms of these concepts and to argue that such a theory is fundamental to casework discussion Mr Plant also discusses what if any social or political commitments the activity of casework presupposes and evaluates the view that casework is apolitical **Paradigms of Justice** Denise Celentano, Luigi Caranti, 2020-10-28 This book explores the relation between redistribution and recognition two key paradigms in the contemporary discourse on justice

Combining insights from the traditions of critical social theory and analytical political philosophy the volume offers a multifaceted exploration of this incredibly inspiring conceptual couple from a plurality of perspectives The chapters engage with concepts such as universal basic income property owning democracy poverty equality self respect pluralism care and work all of which have an impact on individuals recognition as well as on distributive policies An important contribution to the field of political and social philosophy the volume will be useful to scholars and researchers of politics law human rights economics social justice as well as policymakers
