Urgency and Severity: Pauline Rationale for Expulsion in 1 Corinthians 5:1-13 David E. Bosworth, 2024-05-21 When Paul heard that a Christ follower in Corinth was in an incestuous relationship with his stepmother the apostle insisted the man be removed immediately from the congregation This dramatic response is surprising as Paul responds to other serious situations with much less vehemence Why did Paul react to the immoral man with such urgency and severity Using socio cultural tools this study explains the importance of group identity and witness for Paul s ecclesiology The argument lays a foundation for contemporary readers to appraise contexts where an expulsive response to sin might be appropriate

Learning Lessons From Waco Jayne Seminare Docherty, 2001-11-01 Heated debates about what really happened in Waco are a recurring public drama Yet little or no attention has been given to the work of the negotiators who talked with the Branch Davidians In this important book Jayne Seminare Docherty utilizes largely unexplored sources of data to explain why fifty one days of negotiations by federal officials failed to get all of the Branch Davidians to exit the compound Learning Lessons from Waco applies a theory of worldview conflicts to the more than 12 000 pages of the negotiation transcripts from

Waco Through perceptive analysis of the situation Docherty offers a fresh perspective on the activities of law enforcement agents She shows how the Waco conflict resulted from a collision of two distinct worldviews the FBI s and the Davidians and their divergent notions of reality By exploring the failures of the negotiations she also urges a better understanding of encounters between rising religious movements and dominant social institutions Finally the resulting model is applicable to other conflict resolution processes such as mediation and facilitated problem solving
