Contemporary Social Issues in East Asian Societies: Examining the Spectrum of Public and Private Spheres

Merviö, Mika Markus, 2014-01-31 While the balance between private and public sectors are based primarily on the experiences of the wealthy societies in Western Europe and North America the global reach and increased political weight of East Asian economies is bound to influence other societies as well Contemporary Social Issues in East Asian Societies Examining the Spectrum of Public and Private Spheres focuses on modern highly developed East Asian societies and their social issues particularly ones that are related to family institution and health By examining the modernized global society and its connectedness this book is a vital resource for researchers students and academicians interested in the distinctive features connected with local social and cultural traditions of East Asian society Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Soviet Social Problems Walter Connor, David E Powell, Anthony Jones, 2019-09-05 This book analyzes the Soviet Union's social problems focusing on those it shares with Western industrial societies It assesses the social concerns confronting Gorbachev including poverty prostitution health education and family issues and the difficulty of adapting to technological change Introduction to Social Problems Thomas J. Sullivan, 1996-08 *The Islamic Threat* John L. Esposito, 1999-10-07 Are Islam and the West on a collision course From the Ayatollah Khomeini to Saddam Hussein the image of Islam as a militant expansionist and rabidly anti American religion has gripped the minds of Western governments and media But these perceptions John L Esposito writes stem from a long history of mutual distrust criticism and condemnation and are far too simplistic to help us understand one of the most important political issues of our time In this new edition of *The Islamic Threat Myth or Reality* Esposito places the challenge of Islam in critical perspective Exploring the vitality of this religion as a global force and the history of its relations with the West Esposito demonstrates the diversity of the Islamic resurgence and the mistakes our analysts make in assuming a hostile monolithic Islam This third edition has been expanded to include new material on current affairs in Turkey Afghanistan Palestine and Southeast Asia as well as a discussion of international terrorism *Learning to manage global environmental risks. 2. A functional analysis of social responses to climate change, ozone depletion, and acid rain* Social Learning Group, 2001 This long awaited two volume book examines how the interplay of ideas and actions applied to environmental problems has laid the foundations for global environmental management It looks at how ideas interests and institutions affect management practice how management capabilities in other areas affect the ability to deal with specific environmental issues and how learning affects society's approach to the global environment The book focuses on efforts to deal with climate change ozone depletion and acid rain from 1957 The International Geophysical Year through 1992 the UN Conference on Environment and Development The
