ethnicities class and sexual and gender identity      **Routledge Revivals: Schooling Ordinary Kids (1987)** Phillip Brown, 2018-02-01 Originally published 1987 *Schooling Ordinary Kids* looks at the invisible majority of ordinary working class pupils The book explains why these pupils are now at the centre of a major educational crisis surrounding the soaring rates of youth unemployment The book is a timely examination of educational inequalities unemployment and the new vocationalism Drawing extensively the study of schools in the urban centre of South Wales the book highlights the need for an alternative politics of education if we were to meet the educational challenge of the late twentieth century The new vocationalism is revealed here as a policy for inequality both politically and in the classroom      **The Morphogenesis of the Norwegian Educational System** Margaret S. Archer, Unn-Doris K. Bæck, Tone Skinningsrud, 2022-03-21 Based in the philosophy of critical realism this book employs a range of Margaret Archer's theoretical concepts to investigate temporal and spatial aspects of Norwegian education Stemming from Archer's engagement as visiting professor from 2017 to 2019 in the Department of Education at UiT The Arctic University of Norway the book explores a new area for critical realist theorizing by asking how different spatial contexts affect the workings of the system The various chapters employ diverse sets of Archer's theoretical concepts from morphogenetic cycles and the emergence of educational systems at the macro level to the exercise of reflexivity among individual school leaders and students at the micro level In contrast to the focus on educational homogeneity and similarity among Nordic and Scandinavian countries and promotion of the conception of the Nordic Model this book draws attention to differences between these nations as well as regional differences within Norway As such it will appeal to scholars with interests in education sociology critical realism educational sciences and pedagogy education history and political science as well those with a specific interest in the Nordic region      *The Sociology of Education* P W Musgrave, 2017-05-08 First published in 1979 this third edition of *The Sociology of Education* at the time held the field as the standard textbook on the subject It takes into account the changes that occurred in the field from the publication of the first edition in 1965 and the second edition in 1972 The book is divided into three parts the first considers the way in which the child becomes a social being and the influences upon them of the family the peer group and the mass media the second deals with the sociology of schooling and looks at different types and stages of schools as well as the attitudes and forms of interaction within them and finally the third traces the relationship between education and social institutions and looks at the balance between the preservation of social stability and the introduction of change      *The Administration of Public Education in the United States* Samuel Train Dutton, David Snedden, 1924      **Research Relating to Children** , 1976      **Resources in Education** , 1994      *Research in Education* , 1974      **Teachers College Record** James Earl Russell, 1927      **Teachers College Record** , 1927      *The International Journal of Indian Psychology, Volume 3, Issue 4, No. 66* IJIP.In, 2016-09-21      *Educational Processes, Decisions, and the Development of Competencies from Early Preschool Age to Adolescence* Sabine Weinert, Hans-Günther Rossbach, Jutta von Maurice, Hans-Peter Blossfeld, Cordula

Artelt,2024-05-03 The contributions to the open access volume are comprehensive summaries of important research findings from the two comprehensive interdisciplinary longitudinal studies BiKS 3 18 and BiKS 8 18 conducted by the research unit BiKS Educational Processes Development of Competencies and Formation of Educational Decisions funded by the German Research Foundation The aim of the book is to present selected important findings from these comprehensive longitudinal educational studies in addition the edition also aims to provide an overview of the design and measurements of the two surveys

Absent with Cause Roger White,2024-11-01 Originally published in 1980 Absent with Cause reissued here with a new preface looks at the Bayswater Centre which provided full time education for young people who had stopped attending comprehensive schools and for whom the alternative may well have been home tuition or residential provision in community homes or assessment centres By describing what actually happened in a documented year with a whole intake of youngsters the intention was to probe beneath the label of failure to show that a meaningful full time educational programme could be offered and accepted despite disastrous home backgrounds or a history of complete disenchantment with school By pointing to the success of an ethos that redefined the three most important educational objectives as Responsibility Articulation and Relevance and which actually offered young people a real opportunity to participate in determining their own educational programme and by reference to other units and schools working along similar lines the intention was to discuss the implications for state provision Today it can be read in its historical context This book is a re issue originally published in 1980 The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this re publication
