Social Service Delivery A Structural Approach To Social Work Practice

Merlinda Weinberg

Social Service Delivery A Structural Approach To Social Work Practice:

Social Service Delivery Ruth R. Middleman, Gale Goldberg Wood, 1974-01-01 *The Structural Approach to Direct Practice in Social Work* Gale Goldberg Wood, Ruth R. Middleman, 1989 Structural social work assumes that clients are adequate people in untenable situations The social worker must display active appreciation for the client's competence in telling about what does matter rather than what the practitioner thinks should matter

A Mutual-Aid Model for Social Work with Groups Dominique Moyse Steinberg, 2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field's growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group's potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

The Intellectual Base of Social Work Practice Harold Lewis, 1982 This much needed exploration of the cognitive side of social work practice provides a framework for improving social work practice and education

[The SAGE Sourcebook of Service-Learning and Civic Engagement](#) Omobolade Delano-Oriaran, Marguerite W. Penick-Parks, Suzanne Fondrie, 2015-03-23 Service Learning and Civic Engagement A Sourcebook focuses on historical philosophical social foundations practices and models of service learning and civic engagement The title offers practical jargon free chapters applicable to any educational institution as well as community organizations that might consult the work Key Features Practical jargon free chapters applicable to any educational institution as well as community organizations that might consult the work 58 signed chapters are organized into thematic parts such as Concepts Theoretical Approaches Historical Social Foundations The Role of Service Learning in Higher Education The Role of the Community Lessons Learned Future

Directions etc Thematic parts provide a practical sampling of syllabi lesson plans activities and resources and online websites and databases supporting service learning Glossary key terms commonly used in discussions and research on service learning and civic engagement Bibliography of sources consulted in production of the volume This Sourcebook is a scholarly source ideal for any educational institution and academic library as well as public libraries and community organizations that might consult the work on historical philosophical social foundations practices and models of service learning and civic engagement *Skills for Direct Practice in Social Work* Ruth R. Middleman, Gale Goldberg Wood, 1990 And social workers

Social Work Practices Karen Healy, 2000-01-28 Karen Healy profoundly challenges in the context of the postmodernity of late capitalism many of the assumptions upon which the critical tradition in social work has been founded This is a book which interrogates not only the emancipatory metanarratives of left perspectives from her position within the left but also questions many of the received ideas about her professional power and identity and about the kinds of social work practices necessary in order to continue to pursue welfare as an emancipatory project under transformed ideological and material circumstances This is a most significant contribution to the debates which confront social work worldwide at the present time Peter Leonard McGill University Canada **DHHS Publication No. (OHDS).**, 1980 *Child Welfare Training* Susan Downs, 1980 *Sexual Minorities* Michael K. Sullivan, 2013-10-31 Explore the crucial issues facing the GLBT population in their struggle for acceptance in contemporary America Sexual Minorities Discrimination Challenges and Development in America examines the stumbling blocks that prevent gays lesbians bisexuals and transgenders from living wholesome healthy lives This book concentrates on the effects of outside influences on the homosexual psyche from adolescence to mid life and programs and services that need to be developed to improve quality of life While some outside influences can make positive changes such as Internet based outreach to educate men in chat rooms about HIV sexual minority groups face negativity from society in the forms of homophobia and heterosexism Sexual Minorities uses statistics charts graphs and surveys to reveal a remarkable trend correlating how contemporary American society treats sexual minorities and how it affects their psychological and psychosocial health This book also reveals how when internalized this hurtful discrimination can cause self hatred and depression Each chapter focuses on a different aspect of the GLBT population including the history of homophobia and intolerance toward homosexuals with its basis in cultural religious and sociological views an in depth survey utilizing Erikson's psychosocial model to determine the lifespan development of seven out gay males who discuss their coming out period their roles in society their legacies and later life issues the lack of federal legislation protecting GLBT employees in the workplace and recommendations for creating a sense of security for these employees a case study revealing the high incidence rate of heterosexism amongst social workers and the repercussions this could have among homosexual clientele surveys and statistics investigating the rate of abusive behavior in lesbian relationships three chapters involving specific issues of gay lesbian and bisexual adolescents such as coming out risk and protective factors and being homosexual

in a rural environment as opposed to a city Sexual Minorities is an important tool for everyone in today's society from students and practitioners of social work health care human sexuality psychology and sociology to legislators lawyers activists and business owners This book is also vital for every parent relative or friend of a man or woman labeled as a sexual minority

The Foundations of Social Work Knowledge Frederic G. Reamer, 1994 Leading social work educators explain the essential components of the social work curriculum social work practice policy and services human behavior in the social environment research and evaluation field education ethics oppression and social injustice and diversity and populations at risk including ethnic minorities and people of color women lesbians and gays and people with disabilities

Transforming Social Work Practice Bob Pease, Jan Fook, 2016-01-08 Applies current social science theory to social work practice User friendly style and illustrated with case studies Will help social workers keep abreast of current thinking Very positive and optimistic message for social work

Beyond Casework James G. Barber, 1991-09-23 This book outlines a practice model which gives expression to the social work perspective on human problems It shows what practical steps social workers can take to involve their clients in the struggle for social change It is an approach which looks first to small tangible gains that can lay the foundation for an expanded change agenda as clients gain in confidence and experience

Social Work Theories and Methods Mel Gray, Stephen Webb, 2012-12-14 The second edition of this celebrated book by two of the world's leading researchers in social work introduces readers to the main theories theorists and perspectives that contribute to the debate on social work theory and social work methods It brings together some outstanding international researchers in social work to challenge the reader to critically question how they think about social work The new edition includes a focus on the psychosocial perspective with three new chapters on Cognitive behavioural approaches Attachment theory and psychoanalytic social work Ecological approaches Each chapter allows the reader to relate the theories and methods discussed to their own personal experiences This reader friendly book includes student questions glossaries and recommended reading so that students and practitioners can reappraise and expand the knowledge they have learned This book will be valuable for undergraduate and postgraduate students taking courses in social work theory and research methods social work interventions and perspectives as well as post qualifying students and researchers in social work

Social Work Theories in Action Mary Nash, Robyn Munford, Kieran O'Donoghue, 2005 Annotation Textbook potential a core textbook for social work degree and post qualifying courses in New Zealand and Australia International market shows how social work theories can be applied in international settings Authors are leading social work academics in New Zealand and Australia

Paradoxes in Social Work Practice Merlinda Weinberg, 2016-03-17 In the helping professions codes of ethics and decision making models have been the primary vehicles for determining what constitutes ethical practice These strategies are insufficient since they assume that shared meanings exist and that the contradictory universal principles of codes can be reconciled Also these tools do not emphasize the significance of context for ethical practice This book takes a

new critical theoretical approach which involves exploring how social workers construct what is ethical in their work especially when they are positioned at the intersection of multiple paradoxes including that of two opposing responsibilities in society namely to care for others but also to prevent others from harm The book is built on narratives from actual front line workers and therefore is more applicable and grounded for practitioners and students offering many suggestions for sound practice It illustrates that an understanding of ethics differs from worker to worker and is heavily influenced by context workers values and what they take up as the primary discourses that frame their perceptions of the profession While recognizing the oppressive potential of social work the book is rooted in a perspective that ethical practice can contribute to a more socially just society *Social Work Theories in Context* Karen Healy,2022-07-28 This popular and innovative core text book explores contemporary social work theories and perspectives in a systematic way using an integrated and flexible framework to link context theory and practice approaches Healy expertly provides an applied guide to social work theory across a range of organisational contexts showing social work as a diverse activity that is profoundly shaped by professional purpose public policy and practice locations This edition has been comprehensively updated to reflect developments in the contexts and theorising of social work practices This is ideal reading to support and develop undergraduate and postgraduate students taking modules on Social Work Theories and Methods on qualifying professional programmes Its international breadth and supportive pedagogical features have ensured the book s value to students of social work all over the world New to this edition New sections on post humanism and eco social work Coverage of a broader range of critical approaches including feminist and anti racial social work Additional practice exercises drawn from realistic case studies *The Handbook of Social Work Direct Practice* Paula Allen-Meares,Charles D. Garvin,2000 The Handbook of Social Work Direct Practice provides an extraordinarily extensive coverage of all major topics relevant to Clinical Social Work The Contributors to this volume under the leadership of Paula Allen Meares and Charles Garvin guide the reader through discussions about the contexts of social work practice multicultural and diversity issues research as well as assessment and measurement All in all this is the perfect primary text for administration courses in MSW programs BSW programs and doctoral programs Practitioners and professionals in the field will find here all the useful elements a key reference work can provide

Paradigms of Clinical Social Work Rachelle A. Dorfman,2015-11-17 This fully integrated volume written by the leading experts in the field of social work presents a wide range of therapeutic paradigms Especially noteworthy is the common framework provided for all paradigms discussed thus facilitating comparison and contrast between each approach These paradigms include cognitive brief oriented and psychosocial therapies as well as Adlerian theory and radical behaviorism

The New Politics of Social Work Mel Gray,Stephen A. Webb,2017-09-16 With contributions from those at the forefront of modern social work thought this edited volume reflects the growing eminence of critical social work in the 21st Century Taking a truly global outlook this text advocates the promotion of equality through a range of radical perspectives and

provides a blueprint for the future of practice
