Socialist Potluck Cookbook Manifesto:

Socialist Potluck, 1997 The Flavor of Wisconsin Harva Hachten, Terese Allen, 2013-09-03 The Wisconsin Historical Society published Harva Hachten's *The Flavor of Wisconsin* in 1981. It immediately became an invaluable resource on Wisconsin foods and foodways. This updated and expanded edition explores the multitude of changes in the food culture since the 1980s. It will find new audiences while continuing to delight the book's many fans. And it will stand as a legacy to author Harva Hachten, who was at work on the revised edition at the time of her death in April 2006. While in many ways the first edition of *The Flavor of Wisconsin* has stood the test of time very well, food-related culture and business have changed immensely in the twenty-five years since its publication. Well-known regional food expert and author Terese Allen examines aspects of food cooking and eating that have changed or emerged since the first edition, including the explosion of farmers' markets, organic farming, and sustainability, the slow food movement, artisanal breads, dairy, herb growers, and the like, and how relatively recent immigrants have contributed to Wisconsin's remarkably rich food scene. **Manifesto of the**
