in Burlington, Vermont*

Steven Soifer

Socialist Mayor Bernard Sanders In Burlington Vermont

Pierre Clavel

Socialist Mayor Bernard Sanders In Burlington Vermont:

The Socialist Mayor Steven Soifer, 1991-06-30 Steven Soifer evaluates the role local electoral politics can play in incorporating democratic socialist principles into the United States In this work a case study of the administration of Burlington Vermont mayor Bernard Sanders Soifer examines a contemporary experiment in municipal socialist politics The Socialist Mayor is based on over eighty interviews with people both inside and outside the Sanders administration The book explores how the mayor and members of the Burlington Progressive Coalition were elected and re elected several times and assesses possibilities for implementing socialism on the municipal level The introductory chapter lays out a historical and theoretical framework for discussing municipal socialism in the United States Subsequent chapters address the conditions surrounding Sanders election the success of the Progressive Coalition and development and growth issues The workings of democracy under a socialist administration are examined by focusing on electoral involvement neighborhood groups and tenants issues Questions of ownership are examined through the use of several case examples such as the attempt to municipalize the city s privately owned cable company The topic of taxes and quality of life issues are fully explored as is Sanders unique concern with the Central American peace movement The book concludes with a detailed discussion of Sanders influence on Vermont politics and his position within the socialist spectrum This book takes on added significance in light of Sanders November 1990 election to the U S House of Representatives the first socialist to be elected to Congress since the 1940s Soifer s study will be an important resource for courses in political science and municipal government as well as a valuable addition to public and academic libraries *Bernie Sanders's Democratic Socialism* Nicolas

Gachon, 2021-03-20 This book provides a framework for understanding and analyzing Bernie Sanders s democratic socialism its origins its maturation and its evolution between 1972 when Sanders ran for the Vermont gubernatorial election for the first time and 2020 when he made his second presidential run The core argument is that Bernie Sanders s characteristic brand of socialism evolved from the mould of late 19th century utopian radicalism to radical demands for state and corporate accountability in the 21st century turning into a social movement for reparative justice that rose to national prominence in the wake of the Great Recession in 2008 and of the Occupy Wall Street movement in 2011 [Why Bernie Sanders Matters](#)

Harry Jaffe, 2015-12-22 Missionary Radical Hippy Revolutionary Red Mayor Pragmatist Socialist Hot from the campaign trail a vivid new biography that goes inside Bernie Sanders s contradictions his unusual life and his electrifying quest to make the American dream a reality for all Vermont Senator Bernie Sanders may be the least political person in politics a brusque unpolished Jewish Socialist from Brooklyn with deep seated convictions and distaste for small talk He is also at seventy four the rising star of the Democratic party whose underdog bid for the presidential nomination has hit the marks of a serious contender He s competitive with and in some cases leading Hillary Clinton in early state polls He s closed the fundraising gap and is drawing crowds of thousands to campaign rallies Why Because where most candidates are calculating and rehearsed

Sanders is frank authentic and impassioned For thirty years he has spoken out against income inequality environmental injustice and privatized healthcare Now amid an ever widening chasm between the rich and the rest and growing voter disenchantment the country is listening With reporting from inside the campaign personal relationships with Sanders s friends and colleagues and meticulous research noted reporter Harry Jaffe offers an engaging insightful portrait of the ultimate outsider candidate charting Sanders s course from Brooklyn to Burlington and now to Des Moines and beyond Within the untold narrative of Sanders s origins and political development he also examines the growth of the progressive movement and the recent developments including the Occupy movement the Great Recession and the rise of the millennial generation that have shifted Sanders s views from fringe to focal point At once a captivating biography and a thought provoking window into the contemporary political landscape this will become the defining account of a pivotal moment in American history

Focus On: 100 Most Popular 20Th-century American Politicians Wikipedia contributors,

Leaders from the 1960s David De Leon,1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person s basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period

Outsider in the White House Senator Bernie Sanders,2015-10-06 The political autobiography of the insurgent presidential candidate Bernie Sanders s campaign for the presidency of the United States has galvanized people all over the country putting economic racial and social justice into the spotlight and raising hopes that Americans can take their country back from the billionaires and change the course of history In this book Sanders tells the story of a passionate and principled political life He describes how after cutting his teeth in the Civil Rights movement he helped build a grassroots political movement in Vermont making it possible for him to become the first independent elected to the US House of Representatives in forty years The story continues into the US Senate and through the dramatic launch of his presidential campaign

Vermont History ,2015

Activists in City Hall Pierre Clavel,2013-02-15 In 1983 Boston and Chicago elected progressive mayors with deep roots among community activists Taking office as the Reagan administration was withdrawing federal aid from local governments

Boston's Raymond Flynn and Chicago's Harold Washington implemented major policies that would outlast them. More than reforming governments, they changed the substance of what the government was trying to do: above all, to effect a measure of redistribution of resources to the cities' poor and working classes and away from hollow goals of growth as measured by the accumulation of skyscrapers. In Boston, Flynn moderated an office development boom while securing millions of dollars for affordable housing. In Chicago, Washington implemented concrete measures to save manufacturing jobs against the tide of national policy and trends. *Activists in City Hall* examines how both mayors achieved their objectives by incorporating neighborhood activists as a new organizational force in devising, debating, implementing, and shaping policy. Based in extensive archival research enriched by details and insights gleaned from hours of interviews with key figures in each administration and each city's activist community, Pierre Clavel argues that the key to the success of each mayor were numerous factors: productive contacts between city hall and neighborhood activists; strong social bases for their agendas; administrative innovations; and alternative visions of the city. Comparing the experiences of Boston and Chicago with those of other contemporary progressive cities—Hartford, Berkeley, Madison, Santa Cruz, Santa Monica, Burlington, and San Francisco—*Activists in City Hall* provides a new account of progressive urban politics during the Reagan era and offers many valuable lessons for policymakers, city planners, and progressive political activists.

American Democratic Socialism

Gary Dorrien, 2021-01-01. A sweeping, ambitious history of American democratic socialism from one of the world's leading intellectual historians and social ethicists. The movement whose tangled history Gary Dorrien tells in *American Democratic Socialism* has deep roots in the very American values it is accused of undermining. The version of the socialist left that emerges is one that deserves more attention. Hari Kunzru, *New York Review of Books*. Democratic socialism is ascending in the United States as a consequence of a widespread recognition that global capitalism works only for a minority and is harming the planet's ecology. This history of American democratic socialism from its beginning to the present day interprets the efforts of American socialists to address and transform multiple intersecting sites of injustice and harm. Comprehensive, deeply researched, and highly original, this book offers a luminous synthesis of secular and religious socialisms, detailing both their intellectual and their organizational histories.

Jews in American Politics

Louis Sandy Maisel, Ira N. Forman, Donald Altschiller, Charles Walker Bassett, 2004. Joseph Lieberman's Vice Presidential nomination and Presidential candidacy are neither the first nor last words on signal Jewish achievements in American politics. Jews have played an important role in American government since the early 1800s at least, and in view of the 2004 election, there is no political office outside the reach of Jewish American citizens. For the first time, *Jews in American Politics: Essays* brings together a complete picture of the past, present, and future of Jewish political participation. Perfect for students and scholars alike, this monumental work includes thoughtful and original chapters by leading journalists, scholars, and practitioners. Topics range from Jewish leadership and identity to Jews in Congress, on the Supreme Court, and in presidential administrations, and on to Jewish

influence in the media the lobbies and in other arenas in which American government operates powerfully if informally In addition to the thematically unified essays *Jews in American Politics Essays* concludes with an invaluable roster of Jews in key governmental positions from Ambassadorships and Cabinet posts to federal judges state governors and mayors of major cities Both analytical and anecdotal the essays in *Jews in American Politics* offer deep insight into serious questions about the dilemmas that Jews in public service face as well as humorous sidelights and authoritative reference materials never before collected in one source The story of the rich tradition of Jewish participation in American political life provides an indispensable resource for any serious follower of American politics especially in election year 2004 **Jews in American**

Politics Sandy L. Maisal, 2001-09-04 Brings together a complete picture of the past present and future of Jewish political participation Local TV Annie Laurie Sullivan, Lauren Herold, 2025-10-15 Local Television Histories Communities and Aesthetics offers critical analyses of an expansive range of practices policies and debates in local television histories from the United States Television is typically perceived as a commercial and or national form of communication with the potential to reach millions of viewers Yet from the earliest years of television through the present communities have participated in the production of television creating media relevant to their needs and concerns This collection broadens our notion of what this medium can achieve allowing for innovative representation and community use that disrupts the political economic national and social norms of mainstream offerings Rather than a comprehensive historical survey which given the sheer number of local television productions would be impossible we've curated methodologically distinctive chapters that assess the possibilities and limitations of television's mission to serve local publics In doing so we are attentive to the idiosyncratic histories technologies and functions of local television that have emerged in different cities over the course of the 20th and 21st Century We likewise amplify the use of television by marginalized groups whose perspectives are too often sidelined or distorted in mainstream fare as a site for community formation cultural expression civic engagement and political action

Vermonters Ron Strickland, 1998 Ron Strickland has caught the essential Yankee voice in these rich reminiscences

Third World Liberation Theologies Deane W. Fernald, 2004-04-15 Here for the first time is a systematic survey of the principal liberation theologians from Asia Africa and Latin America Exposing the rich variety of Third World liberation theologies the author highlights points of agreement and divergence in approaches and context and critically assesses the most often heard criticisms of liberation theology With its companion volume *Third World Liberation Theologies A Reader* this survey represents the most comprehensive introduction in any language to what may well be the most significant theological development of this century *The Wealth & Poverty of Regions* Mario Polèse, 2010-01-15 As the world becomes more interconnected through travel and electronic communication many believe that physical places will become less important But as Mario Polèse argues in *The Wealth and Poverty of Regions* geography will matter more than ever before in a world where distance is allegedly dead This provocative book surveys the globe from London and Cape Town to New York

and Beijing contending that regions rise or fall due to their location not only within nations but also on the world map Pol se reveals how concentrations of industries and populations in specific locales often result in minor advantages that accumulate over time resulting in reduced prices improved transportation networks increased diversity and not least of all buzz the excitement and vitality that attracts ambitious people The Wealth and Poverty of Regions maps out how a heady mix of size infrastructure proximity and cost will determine which urban centers become the thriving metropolises of the future and which become the deserted cities of the past Engagingly written the book provides insight to the past present and future of regions

Meet the Candidates 2020: Bernie Sanders Scott Dworkin,2019-06-11 What is democratic socialism Educate yourself on Bernie Sanders the liberal independent from Vermont and the 2016 underdog turned 2020 Democratic favorite Bernie Sanders shocked the establishment in 2016 with his self described political revolution mobilizing grassroots fundraising and campaigning to nearly secure the Democratic nomination over Hillary Clinton even in the face of Democratic National Convention opposition The Vermont senator and longest serving independent in congressional history hopes to do the same with a better result in 2020 Meet the Candidates 2020 Bernie Sanders A Voter s Guide will help you decide if Sanders s brand of democratic socialism is for you and if he is the right candidate to take on Donald Trump A vocal critic of Donald Trump Sanders advocates for sweeping reform single payer universal health care labor and economic inequality reform taxes on the wealthy the Green New Deal marijuana legalization free higher education Sanders has had an undeniable influence on how campaigns are run and has moved the Democratic party to the left but how will his liberal platforms play in a Democratic primary and against Trump in a general election After reading Meet the Candidates 2020 Bernie Sanders A Voter s Guide you ll be able to analyze those chances explain his positions and decide if they are what you believe is right for America The Meet the Candidates 2020 series is the informed voter s guide to making a decision in the 2020 Democratic primary and presidential election Each book gives an unbiased political insider s analysis of each contender featuring candidate interviews an introduction by campaign advisor Democratic Coalition co founder and Dworkin Report host Scott Dworkin and compilation and writing by Occupy Democrats Editor at Large Grant Stern In two hours of reading you ll understand their defining characteristics credentials campaign issues challenges presidential chances and everything else you need to know to decide who should challenge Donald Trump Whether it s for Elizabeth Warren Joe Biden Bernie Sanders Kamala Harris Julian Castro Cory Booker or another Meet the Candidates is what you need to make an informed vote for president in 2020

Our Revolution Bernard Sanders,2016-11-15 An inside account of Sanders extraordinary campaign and a blueprint for future political action

Under Fire Osha Gray Davidson,1998 Originally published in 1993 Under Fire was widely hailed as the first objective examination of the NRA and its efforts to defeat gun control legislation Now in this expanded edition Osha Gray Davidson shows how the NRA s extremism has cost the organization both political power and popular support He offers a well reasoned and workable approach to gun control one that will find many supporters even

among the NRA membership *Governing States and Localities* Kevin B. Smith, Alan Greenblatt, 2021-10-08 Winner of the 2022 Textbook Academic Authors Association's The McGuffey Longevity Award From the implications of Donald Trump's presidency on intergovernmental relations to the COVID 19 pandemic's impact on state federal relations the Eighth Edition of *Governing States and Localities* introduces students to the most recent challenges developments and political changes impacting state and local politics Employing a comparative approach bestselling authors Kevin B Smith and Alan Greenblatt illustrate the similarities and differences in the way state and local governments operate to show students the real world application of policy and politics Following a crisp journalistic style with magazine quality graphics and top ten takeaways per chapter that keep students engaged this edition provides a comprehensive introduction to state and local governments that is easily accessible to undergraduates in a variety of majors Digital Option Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto graded assignments and interactive multimedia tools all carefully designed to ignite student engagement and drive critical thinking Built with you and your students in mind it offers simple course set up and enables students to better prepare for class Assignable Video with Assessment Assignable video available with SAGE Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge Import this title's instructor resources into your school's learning management system LMS and save time Don't use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site **The Jews of Capitol Hill** Kurt F. Stone, 2010-12-29 Since 1841 200 Jewish men and women have served in the United States Congress Their ranks have included Democrats and Republicans Whigs and Socialists radicals and reactionaries a microcosm of the political diversity of the United States Their influence in Congress has been significant yet they have been largely overlooked in the history books In *The Jews of Capitol Hill* A Compendium of Jewish Congressional Members Kurt F Stone profiles all of the Jews who have served in the House or the Senate This volume features entries on every Jewish member of Congress from David Levy Yulee who in 1841 was elected to the 27th Congress as a Delegate from the Territory of Florida to the Jewish senators and representatives of the 111th Congress Arranged in chronological order the members range from Bella Abzug to Edward Zorinsky and feature such historical figures as Barry Goldwater Jacob Javits Herbert Lehman and Abraham Ribicoff along with those still serving in Congress such as Barney Frank Dianne Feinstein Joseph Lieberman and Al Franken Each entry identifies the member's political party and years of service provides a biographical sketch and includes references for further study This is the most comprehensive and extensive resource on the legacy of Jewish representation and influence in the United States Congress
