Northern Ireland

Rona M. Fields,2020-03-09 The troubles in Ireland are not new They have taken a heavy toll in lives and perhaps more importantly in psychological health This book is not concerned with events in themselves although it includes historical analysis of the conflict in Northern Ireland It does attempt to discover the human effects of long term conflicts such as those occurring in Ireland From testing and interviews with the children women and men of Northern Ireland beginning in 1969 the author has developed a case study of the long term effects of stress on a population She identifies certain social control mechanisms that produce a mixture of chaos and docility in the troubled North and argues that England has established these in order to destroy the identity of the people a process she calls psychological genocide Northern Ireland Society Under Siege applies social psychological theory to a concrete and ongoing situation in a way that is illuminating for the general reader and for the specialist Dr Fields has done what might appear obvious find out the effects of stress on a population by going to that population and observing what their lives are like The remarkable fact is however that until now no one has done so a wide ranging and perceptive book A significant thrust and contribution of this book is Fields discussion of psychological and social control procedures and practices Fields report is a challenge to humanity and an indictment of English patricianism racism and imperialism Alfred McClung Lee Dr Rona Field is a brave and deeply compassionate human being a committed researcher who cannot be intimidated by gunmen English soldiers bigots ferocious politicians or the horrors of confronting human suffering in dreadful forms This valiant woman deserves international praise and recognition for the unflinching study of a tragic society Dennis Clark National Catholic Reporter **Northern Ireland** Rona M.

Fields,1980-01-01 The troubles in Ireland are not new They have taken a heavy toll in lives and perhaps more importantly in psychological health From testing and interviews with the children women and men of Northern Ireland beginning in 1969 Fields has developed a case study of the long term effects of stress on a population She identifies certain social control mechanisms which produce a mixture of chaos and docility in the troubled North and argues that England has established these in order to destroy the identity of the people a process of psychological genocide This volume applies social psychological theory to a concrete and ongoing situation in a way that is illuminating for the general reader and for the specialist Fields has done what might appear obvious to find out the effects of stress on a population by going to that population and observing what their lives are like The remarkable fact is that until now no one has done so Growing Up in a Divided Society Sean Byrne,1997-03 One of the key unanswered questions related to youth violence and tolerance is the effect of social diversity on daily experience By examining children s political imagery this project significantly expands existing work on troubled and neglected youth in Northern Ireland South Africa and the Middle East The current changing political context within Northern Ireland reflects that a process of peace building has begun and that integrated schooling is

an important cornerstone of that process **The Psychological Effects of War and Violence on Children** Lewis A. Leavitt, Nathan A. Fox, 2014-01-14 The outgrowth of a conference planned as a response to the need for researchers and clinicians to develop integrated plans for addressing the psychological trauma of children exposed to violence this volume's goals are to summarize research on the subject with particular emphasis on the Gulf War to use this information to formulate an outline of what current knowledge suggests are reasonable approaches to public mental health intervention and to develop an agenda for future research necessary for improving clinical efforts in varying international conflicts A significant collection of diverse perspectives attending to a diversity of cultural and political contexts the contributors offer many conclusions about important dimensions for analyzing the effects of violence on children Suggesting informed approaches to public mental health efforts which can be implemented the work presented here directs attention to the need for interdisciplinary collaboration among researchers and clinicians to better understand the effects of exposure to violence on the psychological well being of children and the optimal modes of remediation on individual family and community levels

Rethinking Northern Ireland David Miller, 2014-09-25 Rethinking Northern Ireland provides a coherent and critical account of the Northern Ireland conflict Most writing on Northern Ireland is informed by British propaganda unionist ideology or currently popular ethnic conflict paradigm which allows analysts to wallow in a fascination with tribal loyalty Rethinking Northern Ireland sets the record straight by reembedding the conflict in Ireland in the history of an literature on imperialism and colonialism Written by Irish Scottish and English women and men it includes material on neglected topics such as the role of Britain gender culture and sectarianism It presents a formidable challenge to the shibboleths of contemporary debate on Northern Ireland A just and lasting peace necessitates thorough re evaluation and Rethinking Northern Ireland provides a stimulus to that urgent task **Breathing the Same Air** Abigail Stahl McNamee Ed.D. Ph.D., 2014-08-05 The common goal of integrated education in Northern Ireland is to bring Protestant and Catholic children together in schools in an attempt to foster an atmosphere of mutual understanding and respect These integrated schools stress what the divided communities have in common rather than what divides them They remain however a small percentage of Northern Ireland's schools There are many stories of the long discord in Northern Ireland between the Protestant and Catholic communities Breathing the Same Air Children Schools and Politics in Northern Ireland focuses on the stories of the integrated education movement the context in which it began and continues to develop and an American researcher's experience as she learned of these stories Dr Abigail Stahl McNamee is an American educator who went to Northern Ireland for many years to write about the stories of the integrated education movement She asks What families and school personnel have participated in the movement What risks have they taken to do so What church personnel and politicians have supported it What do the children who attend an integrated school and those who attend the State Protestant and Catholic schools in the same community understand about the uniqueness of the school that they attend Do their

friendship patterns extend beyond their own school to the other schools in their community How has the integrated education movement changed over the years How can this movement resonate with Americans *Interpreting Northern Ireland* John Whyte,1991-10-03 Relative to its size Northern Ireland is possibly the most heavily researched area on earth hundreds of books and thousands of articles have been published since the current troubles began in the mid 1960s John Whyte had been studying Northern Ireland since the mid 1960s In *Interpreting Northern Ireland* he provides a badly needed guide to the mass of literature and comment In Part I he surveys the research on the nature and extent of the community divide examining in turn the religious economic political and psychological aspects of the issue In Part II he discusses ideological interpretations of the Northern Ireland problem from unionist and nationalist to Marxist In the final section of the book he surveys the various solutions that have been proposed and looks critically at what the mass of research has achieved He suggests that if it has not achieved more it may be because it has sometimes asked the wrong questions *Northern Ireland and the Politics of Reconciliation* Dermot Keogh,Michael H. Haltzel,1993 This collection adds to the extensive literature on Northern Ireland and Ireland by bringing together the leading academic and political figures working in the field and offering a comprehensive multidisciplinary overview of the historical process The topics discussed include the remote and proximate causes of the conflict fresh developments within the two states on the island the role of the Roman Catholic Church the rise of the ecumenical movement and the impact of the 1985 Anglo Irish Agreement on the triangular relationship between Dublin Belfast and London The volume concludes with an evaluation of likely impact of membership of the European Community on the conflict in Northern Ireland The contributors to this book do not offer any easy solutions but provide a context in which the problem may be better understood by the international scholarly community and by the interested general reader **Adolescents, Cultures, and Conflicts** Jari-Erik Nurmi,2020-03-12 First published in 1998 Adolescent development and well being are both affected by socio political change political violence immigrant status and various types of cultural social and institutional diversity These are realities faced by many adolescents in Europe today This book examines these circumstances and also the impact of recent socio political changes in Eastern Europe and conflicts in Northern Ireland Adolescent identities are looked at as well as the effects of prejudice towards immigrant youths from their host societies Social Conflicts and Collective Identities Patrick G. Coy,Lynne M. Woehrle,2000 Despite the ubiquity of conflict gaps remain in our knowledge of what influences its escalation and resolution How collective identity formation impacts social conflicts is taken up in this text ranging from church and community disputes to international trade disputes and wars **Sons of Ulster** Caroline Magennis,2010 Sons of Ulster explores the representation of masculinity within a number of Northern Irish novels written since the mid 1990s focusing on works by Eoin McNamee Glenn Patterson Robert McLiam Wilson The book sets out to disrupt notions of a hegemonic Irish masculinity based on violent conflict sectarian rhetoric *At Play in Belfast* Donna M. Lanclos,2003 Annotation An exploration of children s lives through the lens of

Folklore **Responses to Traumatized Children** A. Hosin,2006-11-28 Written by professionals of multidisciplinary backgrounds this book provides stimulating and though provoking evidence based research across a comprehensive range of topics from problems of cultural sensitivity and resilience to the use of cognitive behavioural therapy and the prevention of secondary trauma among carers and healthcare providers Society under siege Rona M. Fields,1977 **The Psychology of Genocide and Violent Oppression** Richard Morrock,2014-01-10 The twentieth century was one of the most violent in all of human history with more than 100 million people killed in acts of war and persecution ranging from the Herero and Namaqua genocide in present day Namibia during the early 1900s to the ongoing conflict in Darfur This book explores the root causes of genocide looking into the underlying psychology of violence and oppression Genocide does not simply occur at the hands of tyrannical despots but rather at the hands of ordinary citizens whose unresolved pain and oppression forces them to follow a leader whose demagoguery best expresses their own long developed prejudices and fears The book explains how birth trauma childhood trauma and authoritarian education can be seen as the true causes of genocidal periods in recent history *Post-Traumatic Therapy And Victims Of Violence* Frank Ochberg,2013-06-17 Frank Ochberg one of the pioneers in the field has brought together nationally and internationally recognized experts who have treated thousands of victims in such subspecialty areas as rape incest and battering as well as Vietnam veterans and refugees They provide a wealth of knowledge about Post Traumatic Therapy PTT within these populations PTT is not just a series of techniques but a clinical philosophy that requires empathic understanding of the victim collaboration between therapist and client and recognition of empowerment as a therapeutic tool PTT centers on stress and coping focuses on the strengths of the victim and is integrative with respect to biological psychological and social fears **Handbook of Political Violence and Children** Charles W. Greenbaum,Mohammed Haj Yahia,Carolyn Hamilton,2021 Political violence has disrupted the lives of millions of children around the world Responding to the gravity and scale of this phenomenon this volume is intended to stimulate discussion and research on children s exposure to political violence and its psycho social effects It brings together for the first time in a single volume three areas of scientific activity in different disciplines research on effects programs for intervention and laws and policy for prevention of political violence to children Section I presents reviews of research on children exposed to political violence including child soldiers and refugee children as well as an examination of methodology and ethics Section II contains research on interventions with children exposed to political violence including individual therapy and school family and community interventions Section III covers legal and social issues in deterring the recruitment of children to violent causes and protecting children in armed conflict Pulling together the work of leading scholars and practitioners in the social sciences and international law this volume argues that the prevention of political violence to children is possible and it provides a crucial basis for ideas for prevention **Ireland's terrorist dilemma** Yonah Alexander,Alan O'day,2024-08-19
