

How do sociologists use religion?

- Sociologists avoid spiritual side of religion; too complicated and abstract to evaluate
- Study *social* dimensions of religion
- Religion's influence on society
- Must put aside own belief system

Sociologists And Religion

Anthony Blasi

Sociologists And Religion:

The Sociology of Religion George Lundskow, 2008-06-10 Most Sociology of Religion texts are decidedly staid and uninteresting covering contemporary developments which are only contemporary only from a disciplinary perspective They are not contemporary if viewed from the perspective of the religion's practitioners in religious and non religious settings The textbooks that attempt to be interesting to undergraduate students often fall short because they either try to cover too much in an encyclopedic format or sacrifice a sociological perspective for a personal one Many use real life examples only superficially to illustrate concepts Lundskow's approach is the opposite students will learn the facts of religion in its great diversity all the most interesting and compelling beliefs and practices and then learn relevant concepts that can be used to explain empirical observations The book thus follows the logic of actual research investigate and then analyze rather than approaching concepts with no real bearing on how religion is experienced in society This approach using provocative examples and with an eye toward the historical and theoretical not to mention global experience of religion will make this book a success in the classroom The author envisions a substantive approach that examines religion as it actually exists in all its forms including belief ritual daily living identity institutions social movements social control and social change Within these broad categories the book will devote particular chapters to important historical moments and movements leaders and various individual religions that have shaped the contemporary form and effect of religion in the world today

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook's 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context

religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

The Sociology of Religion Max Weber,1993-04-15 In *The Sociology of Religion* first published in the United States in 1963 Max Weber looks at the significant role religion has played in social change throughout history The book was a formative text of the new discipline of sociology and has gone on to become a classic in the social sciences

Sociologists and Religion Susan Budd,1973 This series is devoted to themes and issues under active discussion and investigation by contemporary sociologists Each volume comprises an authoritative yet personal statement followed by a substantial annotated bibliography Authors addresses themselves primarily to students and their teachers but anyone interested in understanding the characteristic concerns and approaches of modern sociology will find the series illuminating Publisher

An Introduction to the Sociology of Religion Inger Furseth,Pål Repstad,2006-01-01 An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life Some chapters are organized according to topic Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life including religion Throughout the book illustrations and examples are taken from several religious traditions

The Sociology of Religion Max Weber,1963 In *The Sociology of Religion* Max Weber looks at the significant role religion has played in social change throughout history The book was a formative text of the new discipline of sociology and has gone on to become a classic in the social sciences From product description

Sociology of Religion Kevin J. Christiano,William H. Swatos, Jr.,Peter Kivisto,2002 This work charts the changes in the sociology of religion without ignoring the continuing relevance of Weber Durkheim and Marx It addresses the foundations and the profound changes in the field placing newer concepts against their historical background

Readings in the Sociology of Religion Joan Brothers,A. H. Richmond,2016-07-02 Readings in the Sociology of Religion

Sociological Theory and the Question of Religion Dr Andrew McKinnon,Dr Marta Trzebiatowska,2014-12-28 This book offers a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK

Sociology Of Religion Michael Hill,1973-11-12

The Sociology of Religion Grace Davie,2013-01-15 Why is religion still important Can we be fully modern and fully religious In this new edition Davie follows up her discussion of the meaning of religion in modern society and considers how best to research and

understand this relationship Exploring the rapid movements within the sociology of religion today this revised and updated book Describes the origins of the sociology of religion Demystifies secularization as a process and a theory Relates religion to modern social theory Unpacks the meaning of religion in relation to modernity and globalization Grasps the methodological challenges in the field Provides a comparative perspective for religions in the west Introduces questions of minorities and margins Sets out a critical agenda for debate and research The Sociology of Religion has already proved itself as one of the most important titles within the field this edition will ensure that it remains an indispensable resource for students and researchers alike

The Need for Certainty Robert Towler,2020-12-17 Originally published in 1984 The Need for Certainty explores the different ways in which people can be religious within the conventional traditions of the main Christian denominations Based on in depth analysis of letters sent to John Robinson then Bishop of Woolwich after the publication of his book Honest to God The Need for Certainty describes five contrasting ways of being religious and explores how despite being mutually incompatible they are able to coexist in the churches In doing so it argues that a proper grasp of this wide variation in styles of religiousness is a prerequisite for quantitative surveys of religion Each contrasting religious style is explored in turn and illustrated with quotations from the original letters The intense desire for religious certainty is extensively explored and presented as a debased but common form of religious aspiration that often leads to the degeneration of faith The Need for Certainty is ideal for those with an interest in Christianity the sociology of religion and theology

Sociology of Religion for Generations X and Y Adam Possamai,2016-04-08 Generations X and Y are plugged into the contemporary world of consumption popular culture and the internet These generations treat knowledge and belief as a more flexible concept often focusing on the practical rather than the theoretical and often drawing on conflicting sources in both popular and cyber culture Their approach to religious belief and practice requires a new way of studying the sociology of religion Sociology of Religion for Generations X and Y examines key world religions Buddhism Christianity and Islam as well as newer religious groups such as Scientology New Age Witchcraft and online communities such as Jediism and Matrixism The book covers a range of key concepts secularisation and modernisation re enchantment the McDonaldisation of society and the easternisation of the west Each chapter opens with a case study from popular culture or the internet which takes the reader to the heart of the topic being discussed Employing both classical sociological theory and contemporary critical theory Sociology of Religion for Generations X and Y explains where contemporary religion and spirituality are coming from where they are now and where they are going

The Oxford Handbook of the Sociology of Religion Peter Clarke,2009 An expert team of international scholars provide fifty one essays as entry points into the sociological study and understanding of religion and in depth surveys into its changing forms and content in the contemporary world Issues discussed range from ecology to law art to cognitive science crime to health care

Sociology of Religion in America Anthony Blasi,2014-03-20 Sociology of Religion in America tells the story of the controversies involved in the development of

a scientific specialty that often makes news in America The evidence it presents runs contrary to the many myths about the field Sometimes viewed by scholars as a backwater actual evidence from the 1890s to the 1980s shows that sociology of religion had a steady presence in sociology all along Seen as a force alien to religion by some it was actually in a mutually supportive relationship with religious organizations Examining dissertations dating from 1895 to 1959 and scientific articles from the 1960s to the 1980s Anthony J Blasi discovers who the major sociologists of religion were and what they did He traces the field's previously unknown tradition in community studies the exigencies of the research institutes and dramatic changes in the professional associations

Sociology of Religion Susanne C. Monahan, William Andrew Mirola, Michael O. Emerson, 2001 This collection of articles explores the relationship between the structure and culture of religion and various aspects of social life in the United States Based on both classic and contemporary research in the sociology of religion it highlights a variety of research methods and theoretical approaches in exploring the ways in which religious values beliefs and practices shape the world outside of church synagogue or mosque walls while simultaneously being shaped by the non religious forces operating in that world Many readings from drawn popular sources e g newspapers and magazines and although many of the readings are about religion in the Christian tradition there are also readings about religion outside the American context e g Poland England El Salvador Nicaragua and beyond the Christian tradition e g Judaism alternative religions Hindu traditions Classic Sociological Definitions Of Religion Belief And Ritual Religious Experience Race Ethnicity And Religion Gender And Religion Social Class And Religion Sexual Identity And Religion The Secularization Debate Religious Organizations Institutions And Authority Alternative Religions Media And Religion Politics And Religion Science And Religion Social Movements And Religion For anyone interested in the sociology of religion or religious perspectives on social issues

The Sacred Canopy Peter L. Berger, 2011-04-26 DIV Influential scholar Peter L Berger explores the sociological underpinnings of religion and the rise of a modern secular society divDIV divDIV Acclaimed scholar and sociologist Peter L Berger carefully lays out an understanding of religion as a historical societal mechanism in this classic work of social theory Berger examines the roots of religious belief and its gradual dissolution in modern times applying a general theoretical perspective to specific examples from religions throughout the ages divDIV divDIV Building upon the author's previous work *The Social Construction of Reality* with Thomas Luckmann this book makes Berger's case that human societies build a sacred canopy to protect stabilize and give meaning to their worldview div

Foundations and Futures in the Sociology of Religion Luke Doggett, Alp Arat, 2017-12-14 Since the sociology of religion became recognised as a distinct sub discipline over the last century the dominance of approaches taking their inspiration from the sociological classics has increasingly been challenged Empirical findings have brought the notion of secularisation into question and theorists have sought to deconstruct how we think of religion This collection appraises the continuing influence of the foundational approaches and places these in relation to newly emerging directions in the field The book is divided into four

sections each section containing one foundational chapter written by an established academic followed by two futures chapters contributed by emerging scholars in the sub discipline These chapters complement one another by placing the overview of future directions in the context of a survey of the development of the sociology of religion over the last century Topics discussed in these chapters include lived religion sexuality ritual religion and the media Combining erudite examinations of the British Sociological Association Sociology of Religion Study Group s work so far with explorations of the future directions its research might take this book is vital reading for any scholar whose work combines religious studies and sociology

The Sociology of Religion Malcolm B. Hamilton, 2012-06-12 This expanded second edition combines a discussion of the main theorists with a wide range of material illustrating the diversity of religious beliefs and practices

'Religion' and 'Secular' Categories in Sociology Mitsutoshi Horii, 2022-01-01 Informed by critical religion perspective in Religious Studies and postcolonial self reflection in Sociology this book interrogates the ideas of religion and the secular in social theory and Sociology It argues that as long as social theory and sociological discourse embed the religion secular distinction and locate themselves on the secular side of the binary Sociology will continue to serve the very ideologies it tries to subvert namely Western modernity coloniality

Sociologists And Religion Introduction

In today's digital age, the availability of Sociologists And Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociologists And Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociologists And Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociologists And Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociologists And Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociologists And Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociologists And Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociologists And Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociologists And Religion books and manuals for download and embark on your journey of knowledge?

FAQs About Sociologists And Religion Books

1. Where can I buy Sociologists And Religion books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sociologists And Religion book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
