

SOCIOLOGY 2001

KAZI

TEST 1

What is Sociology?

- The scientific study of social relationships and institutions and society
- August Comte - founder
- Socius (companion/associate) + logos (word) = sociology ("words about human associations for society")
- Sociology is the study of social life and social causes and consequences of human behavior ("careers in sociology", 2002)
- Sociology is a perspective-
 - o We encounter many questions daily:
 - Do sororities/fraternities serve any real purpose?
 - Why do most of us feel uncomfortable with a group of people we do not know?
- Another way to see what sociology is:
 - o To observe some sociologists at work.
 - Census bureau, deal with numbers
 - At Facebook, works with big data
 - In Alaskan region to observe Eskimos and their hunting practices
 - A south pacific and observes individual HH and study kinship among natives
 - o Broad discipline but one common thing:
 - Sociology is concerned with every aspect of the self in relationships with others and every aspect of the social world that affects a person's thoughts or actions.

What is sociological perspective?

- A way of looking at society and social behavior.
- The way to recognize patterns in social events and view personal experiences in the light of these patterns.
- Ex: school building → work place (teacher)
- Sociologists consider the social world from their own unique perspective.
- Sociology perspective helps us to beyond individual experiences
- Sociology imagination?
 - o Coined by C. Wright Mills, American sociologist
 - o "the vivid awareness of the relationship between experience and the wider society"
 - o When we see or experience something personal (divorce/feeling discriminated), we can use this imagination to sociologically explain these phenomena.
- I hope you will be better equipped to do this after completing this course.

How does sociological perspective operate?

- Macro-sociology: large-scale structures and processes, broad social categories, institutions and social systems.
- Example: war, unemployment rates.
 - o Solutions- structural or organizational level.
- Micro-sociology is concerned with how individuals behave in social situation s.
