The Nature Of Adolescent Judgment:

The Nature of Adolescent Judgement Edwin Arthur Peel, 1971 **The nature of adolescent judgement** Edwin Arthur Peel, The Development of Judgment and Decision Making in Children and Adolescents Janis E. Jacobs, Paul A. Klaczynski, 2006-04-21 This book focuses on adolescent decision making This book has both basic and applied dimensions and cuts across developmental social cognitive and educational psychology Because of these components it will be of interest to the professional market **The Oxford Handbook of Juvenile Crime and Juvenile Justice** Barry C. Feld, Donna M. Bishop, 2012-01-12 State of the art critical reviews of recent scholarship on the causes of juvenile delinquency juvenile justice system responses and public policies to prevent and reduce youth crime are brought together in a single volume authored by leading scholars and researchers in neuropsychology developmental and social psychology sociology history criminology criminal justice and law Challenges and Prospects in African Education Systems Soji Oni, 2013-11-14 Challenges and Prospects in African Education System The general idea this book is trying to disseminate is to inform readers about the compelling challenges and prospects in African system of education As we all know when issues of Africa educational system is raised the first set of thoughts that come to mind is decline in standard deterioration of facilities examination malpractices cult crises or school based violence shortage of teachers underqualified teachers and poor teachers performance which results in poor learning standards lack of classroom discipline that is exacerbated by insufficient resources and inadequate infrastructure failure of appropriate inspection and monitoring and confusion caused by changing curricula without proper communication and training All these have led to massive demoralization and disillusionment among teachers and a negative and worsening perception of African system of education This therefore calls for in depth analysis aimed at tutoring every stakeholder in education on how their action and inactions have individually and collectively contributed to the collapsing state of education in Africa However the prospect is that Africas recovery and sustainable development can only be guaranteed through expansion and sustenance of both quantitative and qualitative of the continents stock of human capital through education In order for education to realize its key role in development it must be provided to the younger segments of African society as quickly as human and financial resources permit with the ultimate goal of developing a comprehensive meaningful and sustainable system of education at all levels and for all age groups This is the message that this book puts across in the six knitted sections **Judgment and Decision Making as a Skill** Mandeep K. Dhama, Anne Schlottmann, Michael R. Waldmann, 2012 Identifies how human judgment and decision making may evolve develop and be learned or trained *Individual Differences in Judgement and Decision-Making* Maggie E. Toplak, Joshua Weller, 2016-11-25 Children face an overwhelming amount of information and a range of different choices every day and so there has never been a more important time to understand how children learn to make judgments and decisions in our modern world Individual Differences in Judgment and Decision Making presents cutting edge developmental research to advance our knowledge and

understanding of how these competencies emerge Focusing on the role of individual differences the text provides a complementary theoretical approach to understanding the development of judgment and decision making skills and how and why these competencies vary within and between different periods of development Sampling a diverse set of developmental paradigms and measures as well as considering typical and atypically developing samples this volume provokes thinking about how we can support our children and youth to help them make better choices Drawing on the expertise of a range of international contributors this book will be of interest to students and researchers of thinking and reasoning from both cognitive and developmental psychology backgrounds

The Psychology of Learning Gordon R.
