Kirk Munroe

The Navajo Of The Painted Desert:

The Navajo of the Painted Desert Walter L. Bateman, 1970 Describes the history legends ceremonies and way of life of the Navajo before 1890 *The painted desert* Kirk Munroe, 1897 [The Painted Desert](#) Scott Thybony, 2015-11-01 Most people who are familiar with the Painted Desert of northeastern Arizona know it only from having pulled off at the Petrified Forest exit on Interstate 40 If they happen to come by it at midday as most do they find a landscape drained of color and flattened under the direct sunlight But this remote pocket of the Arizona desert sandwiched between the Little Colorado River on one side and bold escarpments on the other is much more than most tourists ever experience An ethereal landscape of sculpted rock wind fluted cliffs and elegantly drifting sand the Painted Desert is a rich storehouse of natural beauty colorful history and scientific wonders Here the strongest winds in Arizona blow across extensive dunefields where less than ten inches of rain falls each year and only a few desert savvy Navajo are able to live Now for the first time award winning writer Scott Thybony and freelance photographer David Edwards offer an intimate look at a place that remains inhospitable and inaccessible to so many They share insights about the geology paleontology anthropology and human history of the region as well as personal stories that dispel the misconceptions and mysteries that surround this delicate and difficult landscape With fifteen stunning photographs gracing the text this book offers a vibrant portrait of one of the Southwest's most barren and most colorful landscapes *The Affair on the Painted Desert* Clifford Knight, 2019-10-03 Clifford Knight's new affair is steeped in the mysterious garish spell of the Painted Desert Navajo Canyon in the Western Navajo Indian Reservation is one of the few places in America where actual ruins of the ancient cliff dwellers still remain It was there that Huntoon Rogers went to spend his vacation supposedly to study and rest Naturally he did not expect that a brutal murder would be committed practically on his doorstep and when they found Bernice Patterson's body deep in the maw of the great canyon he knew that there was work to be done For a time there seemed to be no possible solution until Rogers remembered the significant fact that a white man on the Navajo reservation can do practically nothing unobserved by an Indian Then he knew where to seek the clue to his riddle and subsequent developments proved him right but only in the nick of time
