The New Israelis An Intimate View Of A Changing People:

The Israelis Donna Rosenthal, 2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere It is the story of ordinary people living in an extraordinary place Israel Through the Jewish-American Imagination Andrew Furman, 2012-02-01 CHOICE 1997 Outstanding Academic Books Analyzing a wide array of Jewish American fiction on Israel Andrew Furman explores the evolving relationship between the Israeli and American Jew He devotes individual chapters to eight Jewish American writers who have imagined Israel substantially in one or more of their works In doing so he gauges the impact of the Jewish state in forging the identity of the American Jewish community and the vision of the Jewish American writer Furman devotes individual chapters to Meyer Levin Leon Uris Saul Bellow Hugh Nissenson Chaim Potok Philip Roth Anne Roiphe and Tova Reich To chart the evolution of the Jewish American relationship with Israel from pre statehood until the present he considers works from 1928 to 1995 examining them in their historical and political contexts The writers Furman examines address the central issues which have linked and divided the American and Israeli Jewish communities the role of Israel as both safe haven and spiritual core for Jews everywhere pitted against its secularism militarism and entrenched sexism While the writers Furman examines depict contrasting images of the Middle East the very persistence of Israel in occupying that imagination reveals above all how prominent a role Israel played and continues to play in shaping the Jewish American identity **The Globalization of Israel** Uri Ram, 2013-10-18 This book focuses on how globalization is impacting contemporary Israel It is a concise and originally argued introduction to Israel but the author Uri Ram is careful to frame his analysis in a broader discussion of Israeli history and broader social currents Focusing in particular on two defining and conflicting contemporary trends one toward advanced liberal democracy with a cosmopolitan edge and the other toward ethno religious traditionalism and rejection of the secularism associated with market driven globalization The cosmopolitan high tech driven city of Tel Aviv represents the former trend and Jerusalem a city increasingly dominated by orthodox Jews represents the latter Using Benjamin Barber s Jihad versus McWorld thesis to good effect Ram s book will stand as an ideal introduction to contemporary Israel and its place in the world **Public Policy in Israel** David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented *Beyond Post-Zionism* Eran Kaplan, 2015-01-08 Comprehensive and critical analysis of the post Zionist debates and their impact on various aspects of Israeli culture Post Zionism emerged as an intellectual and cultural movement in the late 1980s when a growing number of people inside and outside academia felt that Zionism as a political ideology had outlived its usefulness The post Zionist critique attempted to expose the core tenets of Zionist ideology and the way this ideology was used to justify a series of violent or unjust actions by the Zionist movement making the ideology of Zionism

obsolete In *Beyond Post Zionism* Eran Kaplan explores how this critique emerged from the important social and economic changes Israel had undergone in previous decades primarily the transition from collectivism to individualism and from socialism to the free market Kaplan looks critically at some of the key post Zionist arguments the orientalist and colonial nature of Zionism and analyzes the impact of post Zionist thought on various aspects literary cinematic of Israeli culture He also explores what might emerge after the political and social turmoil of the last decade as an alternative to post Zionism and as a definition of Israeli and Zionist political thought in the twenty first century *Fratricide in the Holy Land* Avner Falk,2005-02-17 This is the first English language book ever to apply psychoanalytic knowledge to the understanding of the most intractable international struggle in our world today the Arab Israeli conflict Two ethnic groups fight over a single territory that both consider to be theirs by historical right essentially a rational matter But close historical examination shows that the two parties to this tragic conflict have missed innumerable opportunities for a rational partition of the territory between them and for a permanent state of peace and prosperity rather than perennial bloodshed and misery Falk suggests that a way to understand and explain such irrational matters is to examine the unconscious aspects of the conflict He examines large group psychology nationalism group narcissism psychogeography the Arab and Israeli minds and suicidal terrorism and he offers psychobiographical studies of Ariel Sharon and Yasser Arafat two key players in this tragic conflict today **Mastering Soldiers** Eyal Ben-Ari,2001-01-01 Studies of the military that deal with the actual experience of troops in the field are still rare in the social sciences In fact this ethnographic study of an elite unit in the Israeli Defense Force is the only one of its kind As an officer of this unit and a professional anthropologist the author was ideally positioned for his role as participant observer During the eight years he spent with his unit he focused primarily on such notions as conflict the enemy and soldiering because they are he argues the key points of reference for what we are and what we are trying to do and form the basis for interpreting the environment within which armies operate Relying on the latest anthropological approaches to cognitive models and the social constructions of emotion and masculinity the author offers an in depth analysis of the dynamics that drive the men s attitudes and behavior and a rare and fascinating insight into the reality of military life

Three Perspectives Steven H. Propp,2009-12 You re Jewish aren t you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an

academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author s earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

The Wheel of Law Gary Jeffrey Jacobsohn, 2009-01-10 How can religious liberty be guaranteed in societies where religion pervades everyday life In *The Wheel of Law* Gary Jacobsohn addresses this dilemma by examining the constitutional development of secularism in India within an unprecedented cross national framework that includes Israel and the United States He argues that a country s particular constitutional theory and practice must be understood within its social and political context The experience of India where religious life is in profound tension with secular democratic commitment offers a valuable perspective not only on questions of jurisprudence and political theory arising in countries where religion permeates the fabric of society but also on the broader task of ensuring religious liberty in constitutional polities India s social structure is so entwined with religion Jacobsohn emphasizes that meaningful social reform presupposes state intervention in the spiritual domain Hence India s ameliorative model of secular constitutionalism designed to ameliorate the disabling effects of the caste system and other religiously based practices Jacobsohn contrasts this with the visionary secularism of Israel where the state identifies itself with a particular religion and with America s assimilative secularism Constitutional globalization is as much a reality as economic globalization Jacobsohn concludes and within this phenomenon the place of religion in liberal democracy is among the most vexing challenges confronting us today A richly textured account of the Indian experience with secularism developed in a broad comparative framework this book is for all those seeking ways to respond to this challenge

Israel Gregory S. Mahler, 2018-04-27 This title was first published in 2000 The International Library of Politics and Comparative Government brings together in one series the most significant journal articles to appear in the field of comparative politics in the last twenty five years It makes accessible to teachers researchers and students an extensive range of essays which provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the fast changing field of comparative political analysis A number of acknowledged experts have been invited to act as editors for the series They preface each volume with an introductory essay in which they review the basis for the selection of articles and suggest future directions of research and investigation in the subject area An invaluable resource for all those working in the field of comparative government and

politics

The New Israelis An Intimate View Of A Changing People Introduction

In today's digital age, the availability of The New Israelis An Intimate View Of A Changing People books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The New Israelis An Intimate View Of A Changing People books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The New Israelis An Intimate View Of A Changing People books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The New Israelis An Intimate View Of A Changing People versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The New Israelis An Intimate View Of A Changing People books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The New Israelis An Intimate View Of A Changing People books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The New Israelis An Intimate View Of A Changing People books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The New Israelis An Intimate View Of A Changing People books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
