The New Male Female Relationship:

The New Male Female Relationship Herb Goldberg, 2000 In this ground breaking work Goldberg shows how traditional relationships are doomed to fail not because of personal inadequacies but because of the psychological defense mechanisms that program men to behave like machines and women like children Goldberg offers a total reevaluation of the war between the sexes in light of the enormous changes the woman's liberation movement has brought about in the last several decades Immensely hopeful in its outlook the book gives us a vision of just how good a relationship can be when men and women are friends and companions as well as lovers Book jacket *New Horizon in Male-Female Relationships* David Samuel Green, 2010-04-09 New Horizon in Male Female Relationships attempts to break new ground in the discourse on gender equality love happiness and marriage Author David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships But he also puts forward new theories regarding the state of relations between males and females across the globe including married couples What Green's new book further accomplishes lies in its no holds barred exploration of matters of the heart Specifically the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking and egalitarianism assist remarkably Besides offering solutions for troubled marriages and other relationships the book also extols several concepts that go hand in hand with love and happiness At the same time it becomes clear that if we want our unions and partnerships to work we have to bring the right attitude to the table After all as we learn the ingredients for a successful relationship must include compassion forgiveness and understanding **The New Male Female**
