Why Did God Create Mankind? Roger Ball, 2025-06-13 We live in a universe that did not have to be yet is Christianity offers a startling claim this world exists because God in the boundless freedom of His love and perfection chose to create What does that mean for us If we are here not by cosmic accident but by divine intention what is that intention The answer changes everything It reorders everything To ask why God created is to ask why we exist and what is the purpose of our lives

Why Did God Create Mankind? Dr Ali Ansarifar, 2021-09-28 Millions of people know the Lord God and have experienced His saving grace that changed their lives forever when the Gospel of Christ was preached The wisdom revealed in the pages of the Bible and the saving power of the Gospel of Christ have never been in doubt The Bible gives answers to pressing questions about the origin and nature of the world in which we live the reason for our existence and our final destiny The reality behind the material world is truly astounding The Bible teaches us that the living light from which all things have proceeded coexists and shares the same with darkness This is an indication of the duality of things The problem of duality is highly unsettling for the light and for it to have rest the problem of duality must be resolved So light created the entirety and mankind Evil is the results of darkness and good the results of light and both light and darkness manifest themselves in this entirety The light must separate itself from the darkness to have rest Mankind is the centre of the entirety and its redemption will permanently eliminate duality No human wisdom or methods of inquiry can reveal such valuable and enlightening knowledge but the Bible can This book was written to share this astonishing truth and be a beacon of hope for people

The Mystery of the Universe and the Meaning of Human Life Witness Lee, 2024-02-15 Today man feels empty, insecure, wavering, and restless and has no calming and stabilizing power within simply because he lacks God within. God is man's content and man should be God's expression. For this goal, God created a spirit especially for man. This spirit is the organ for man to contact God just like a receiver in a radio. Our conscience, the deep part in us, our spirit always gives us a feeling that there is a Supreme Being, that there is a God in this universe. This proves two things: First, we have a spirit within; and second, we need God in our spirit.

God Created Man in His Image and Likeness Oried E. Graves, 2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies. One reason is that God, our Creator, is telling us what He wants us to be and do as created in His image and likeness. Our purpose is in our image and likeness of God, our Creator, not like the dust of the ground or the flesh of our parents. Most children don't

know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will The Collected Works of Witness Lee, 1984, volume 5 Witness Lee, The Collected Works of Witness Lee 1984 volume 5 contains messages and fellowship given by Brother Witness Lee on October 22 through December 20 1984 on January 13 through December 7 1985 and on June 2 1986 From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim California for a few days in the middle of November and near the end of November he traveled to Irving Texas where he remained until the end of the year The contents of this volume are divided into ten sections as follows 1 Three messages given in Seoul South Korea on October 22 through 24 1984 These messages are included in this volume under the title Fellowship concerning the Practice of the Church Life 2 Five messages given in Chinese in Taipei Taiwan on October 27 through November 4 1984 They were translated and were previously published in a book entitled The All inclusiveness and Unlimitedness of Christ and are included in this volume under the same title 3 Five messages given in Taipei Taiwan on October 29 through November 2 1984 These messages were translated from Chinese and were previously published in a book entitled Guidelines for the Propagation of the Lord s Recovery and are included in this volume under the same title 4 Thirteen messages given in Taipei Taiwan three of which were given on November 4 and 15 1984 nine of which were given on January 13 through December 7 1985 and one of which was given on June 2 1986 These messages were translated from Chinese and are included in this volume under the title The Faithful and Diligent Spreading of the Truth concerning the Publication Service 5 Three messages given in Taipei Taiwan on November 5 1984 These messages were translated from Chinese and edited into two chapters and are included in this volume under the title The Organic Service Needed for the Increase and Spread of the Church 6 Ten messages given in Quezon City Philippines on November 6 through 11 1984 They were previously published in a book entitled Truth Life the Church and the Gospel the Four Great Pillars in the Lord s Recovery and are included in this volume under the same title 7 A message given in Anaheim California on November 18 1984 This message is included in this volume under the title The Four Provisions Given by God to Saved Ones 8 Two messages given in Irving Texas on November 24 and December 5 1984 They are included in this volume under the title The Inheritance in the Lord s Recovery and the Way to Gain People as Revealed in the Bible 9 Two messages
