The Myth Of The Monstrous Male And Other Feminist Fables:

The Myth of the Monstrous Male, and Other Feminist Fables John Gordon,1982 The Myth of the Monstrous Male, and Other Feminist Fables John Gordon,1982 **Sex, Lies & Feminism** Peter D. Zohrab,2002 **Contemporary Perspectives On Masculinity** Ken Clatterbaugh,2018-10-08 What is social reality for men in modern society What maintains or explains this social reality What condition might we imagine that would be better for men How might we achieve this better condition These are the questions Kenneth Clatterbaugh brings to seven different visions of men in modern society considered in this newly updated edition In clear and insightful language Clatterbaugh surveys not just conservative liberal and radical views of masculinity but also the alternatives offered by the men s rights movement spiritual growth advocates and black and gay rights activists Each of these is explored both as a theoretical perspective and as a social movement and each offers distinctive responses to the questions posed The first edition of this book was the first to survey the range of responses to feminism that men have made as well as the first to put political theory at the center of men s awareness of their own masculinity This new edition adds chapters on recent highly publicized movements such as the Promise Keepers Million Man March and the evolution of gay men s rights Clatterbaugh treats all views with fairness and timeliness as he develops and defends a vision of men and masculinity consistent with feminist ideals and a just society

Social Problems in a Free Society Myles J. Kelleher,2004-09-02 The future of the sociologist s profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today s radical social problems theory **Reaction and Resistance** Dorothy E. Chunn,Susan

Boyd,Hester Lessard,2011-11-01 The image of backlash is pervasive in contemporary debates about the impact of second wave feminism on law and policy But does it really explain the resistance to feminist initiatives for social change in contemporary culture In this timely volume contributors from various disciplines analyze reaction and resistance to feminism in several areas of law and policy child custody child poverty sexual harassment and sexual assault and in a number of institutional sites such as courts legislatures families the mainstream media and the academy Collectively their studies paint a more complicated often contradictory picture of feminism law and social change than the popular image of backlash suggests Reaction and Resistance offers feminists and other activists empirically grounded knowledge that can be used to develop legal and political strategies for change **Him/Her/Self** Peter G.
