Country House Album Christopher Simon Sykes, 1992-03-01 *The National Trust Country House Album* Christopher Simon Sykes, 1989 *David Hockney* Christopher Simon Sykes, 2012-04-17

Drawing on exclusive and unprecedented access to David Hockney's extensive archives, notebooks and paintings, interviews with family, friends and on Hockney himself, Christopher Simon Sykes provides a colorful and intimate portrait of one of the most influential artists of the twentieth century. Born in 1937, David Hockney grew up in a northern English town during the days of postwar austerity. By the time he was ten years old, he knew he wanted to be an artist, and after leaving school, he went on to study at Bradford Art College and later at the Royal College of Art in London. Bursting onto the scene at the Young Contemporaries exhibition, Hockney was quickly heralded as the golden boy of postwar British art and a leading proponent of pop art. It was during the swinging 60s in London that he befriended many of the seminal cultural figures of the generation, and throughout these years, Hockney's career grew. Always absorbed in his work, he drew, painted and etched for long hours each day, but it was a scholarship that led him to California, where he painted his iconic series of swimming pools. Since then, the most prestigious galleries across the world have devoted countless shows to his extraordinary work. In the seventies, he expanded his range of projects, including set and costume design for operas and experiments with photography, lithography and even photocopying. Most recently, he has been at the forefront of the art world's digital revolution, producing incredible sketches on his iPhone and iPad, and it is this progressive thinking which has highlighted his genius, vigor and versatility as an artist approaching his 75th birthday. In this, the first volume of Hockney's biography detailing his life and work from 1937-1975, Sykes explores the fascinating world of the beloved and controversial artist whose career has spanned and epitomized the art movements of the last five decades. The timing couldn't be better for this enjoyable and well-sourced book, which like Hockney's own work is both conversational and perceptive. *Los Angeles Times*: To read Christopher Simon Sykes' *David Hockney* is to marvel at the artistic gifts of the eccentric Yorkshireman who rose from a sometimes pinched childhood to hobnob with poet Stephen Spender and novelist Christopher Isherwood, to party with Mick Jagger and Manolo Blahnik. The Plain Dealer: Prodigiously entertaining. *Financial Times*: A chatty, knowledgeable insider's biography full of anecdotes. *The Guardian*: *Bound by Dreams* Christina Skye, 2012-09-17. American travel expert Kiera Morissey is adept at getting in and out of tight spots. But when a deathbed promise brings Kiera back to Draycott Abbey, she meets rugged Scotsman Calan MacKay, and her life is changed forever. For fifteen years, changed by turns to a swift creature of night, Calan has used his deadly strength and speed to protect. But he wakes with bruises on his body and blood on his hands. And Kiera may be the key to getting his life back. Calan stirs emotions in Kiera that she's never felt before. Getting in and out may be her skill, yet she finds it impossible to leave the abbey until she's unraveled its mysteries and Calan's dark secret. But will the shadows from the past and an ancient vow of evil threaten the future they may have together? **The National Trust, a record of fifty years' achievement**
