The Negro In The American Rebellion:

The Negro in the American Rebellion, His Heroism and His Fidelity William Wells Brown, 1867 **The Negro in the American Rebellion** William Brown, 2014-09-13 This documents the participation of both free blacks and slaves during the Civil War as well as a background of African American participation in the Revolution and War of 1812 From the preface Feeling anxious to preserve for future reference an account of the part which the Negro took in suppressing the Slaveholders Rebellion I have been induced to write this work In doing so it occurred to me that a sketch of the condition of the race previous to the commencement of the war would not be uninteresting to the reader For the information concerning the services which the blacks rendered to the Government in the Revolutionary War I am indebted to the late George Livermore Esq whose Historical Research is the ablest work ever published on the early history of the negroes of this country In collecting facts connected with the Rebellion I have availed myself of the most reliable information that could be obtained from newspaper correspondents as well as from those who were on the battle field To officers and privates of several of the colored regiments I am under many obligations for detailed accounts of engagements No doubt errors in fact and in judgment will be discovered which I shall be ready to acknowledge and correct in subsequent editions The work might have been swelled to double its present size but I did not feel bound to introduce an account of every little skirmish in which colored men were engaged I waited patiently before beginning this work with the hope that some one more competent would take the subject in hand but up to the present it has not been done although many books have been written upon the Rebellion WILLIAM WELLS BROWN *The Negro in the American Rebellion: His Heroism and His Fidelity* William W.
