Gault,Travis Harris,2019-11-18 Christians and Christianity have been central to Hip Hop since its inception This book explores the intersection of Christians and Hip Hop and the multiple outcomes of this intersection It lays out the ways in which Christians and Hip Hop overlap and diverge The intersection of Christians and Hip Hop brings together African diasporic cultures lives memories and worldviews Moving beyond the focus on rappers and so called Christian Hip Hop each chapter explores three major themes of the book identifying Hip Hop irreconcilable Christianity and boundaries There is a self identified Christian Hip Hop CHH community that has received some scholarly attention At the same time scholars have analyzed Christianity and Hip Hop without focusing on the self identified community This book brings these various conversations together and show through these three themes the complexities of the intersection of Christians and Hip Hop Hip Hop is more than rap music it is an African diasporic phenomenon These three themes elucidate the many characteristics of the intersection between Christians and Hip Hop and our reasoning for going beyond Christian Hip Hop This collection is a multi faceted view of how religious belief plays a role in Hip Hoppas lives and community It will therefore be of great interest to scholars of Religion and Hip Hop Hip Hop African Diasporas Religion and the Arts Religion and Race and Black Theology as well as Religious Studies more generally *Christian Neighborliness* Staley Franklin Davis,1924 **The Christian Union** Henry Ward Beecher,1890 **A Christian View of Philosophy and Culture** Francis A.
